NOW, THEREFORE, Declarant hereby declares that all of the property described above shall be held, sold and conveyed subject to the following easements, restrictions, covenants and conditions, which are for the purpose of protecting the value and desirability of, and which shall run with, such real property and be binding on all parties having any right, title or interest in the described properties or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner thereof. It is the intent of Declarant that the provisions of this Declaration in all respects conform and comply to the requirements set forth in the North Carolina Planned Community Act. PO Box 21927, Greensboro, NC 27420 (JW)*

SECTION 2. Appropriate Local Governmental Authority. "Appropriate Local Governmental Authority" shall mean and refer to the City of High Point or other appropriate local governmental authority having jurisdiction over the Properties.

SECTION 3. Association. "Association" shall mean and refer to Whitestone Townhome Owners Association, Inc., its successors and assigns.

SECTION 4. Common Elements or Common Area. "Common Elements" or "Common Area" shall mean all real property owned by the Association (whether owned in fee or by way of license or easement) or leased by the Association, other than a Lot. The Common Elements to be owned by the Association at the time of the conveyance of the first Lot is described as follows:

All of the land designated "Common Elements" as shown on the Plat, but specifically excluding any areas designated as "Master Common Elements."

Declarant reserves the right, in its sole discretion, to convey or cause to be conveyed to the Association from time to time and without the consent of the Association or its Members, additional property to the Association, which property may include any portion of the Properties, including any Additional Property annexed by Declarant pursuant to Article XI, Section 4 hereof. In addition, the Master Association or any Secondary Association (as defined in the Master Declaration), with the consent of Declarant, for so long as Declarant or any affiliated entity shall own any portion of the Properties or shall have the right to annex additional properties pursuant to Article XI, Section 4 hereof, and thereafter with the consent of the Association, in the discretion of its Executive Board, may convey additional property to the Association. The Association shall accept any such conveyance of property and thereafter such property shall be held and maintained by the Association as Common Elements. Declarant may construct or cause to be constructed **(BUT SHALL NOT BE OBLIGATED TO CONSTRUCT)** walkways and related facilities on any such Common Elements. Other improvements, which may include, but shall not be limited to, roadways, sidewalks, landscaped areas, retention or detention ponds or erosion control devices may be located on any such Common Elements. Declarant does not contemplate the construction of any other recreational improvements or amenities within the Common Elements (i.e., swimming pool, tennis courts, clubhouse, etc.) Except as otherwise provided in Section 47F-3-113 of the Planned Community Act, the Association shall be required to promptly repair and replace any portion of the Common Elements for which the Association is required to maintain casualty insurance pursuant to the Bylaws of the Association which is damaged or destroyed. The Association also may acquire additional Common Elements with the consent of the Members of the Association entitled to cast at least two-thirds (2/3) of the votes of each class of Members of the Association, who are voting, in person or by proxy, at a meeting duly called for such purpose; provided, however, during Declarant's Development Period no such action shall

For such a conveyance to be effective, the deed or instrument conveying to the Association additional Common Elements must: (1) be executed on behalf of the Association by its duly authorized officers; (2) contain an attestation by the officers executing the instrument on behalf of the Association that the requisite owner and Declarant approval has been obtained and is evidenced by written acknowledgments signed by the owners approving the amendment and if required, Declarant, and that such acknowledgments are made a part of the minute book of the Association; and (3) be properly recorded in the Guilford County Registry.

If Declarant elects to exercise its right to revise the boundaries of one or more Lots owned by Declarant, Declarant shall record a revised plat of the affected Lot or Lots. Upon the recording by Declarant of such a revised plat, each lot shown on the previously recorded plat or plats, the boundaries of which are revised by the revised plat, shall cease to be a "Lot" as defined in this Declaration and each newly configured lot shown on the revised plat shall be a "Lot" as defined in this Declaration.

Declarant does not

contemplate the construction of any other recreational improvements or amenities within the Common Elements.

During Declarant's Development Period, Declarant or its affiliate shall have the right to require the exclusive (or, at the discretion of Declarant or its affiliate, non-exclusive) use of all or certain portions of any Common Elements for events promoting the sale of lots or homes in Whitestone Townhomes; provided, however, no such use by Declarant or its affiliate shall unreasonably interfere with or obstruct ingress, egress and regress to or from the Lots.

Pursuant to rules and regulations from time to time promulgated by the Association, upon request and after such notice as the rules and regulations may require, the Association, in the sole discretion of the Association's Executive Board or its designee, may allow a Member of the Association exclusive use of all or certain portions of any Common Elements for private events for a period not to exceed twenty-four (24) hours. Such rules and regulations may require that fees and/or deposits be paid to the Association in connection with such exclusive private use. Any damage to the Common Elements or any improvements located thereon during any such private event and any liability incurred by the Association as a result thereof not covered by insurance maintained by the Association (including any deductible) shall be the personal obligation of the Member or Members (joint and several) reserving the Common Elements and if not paid within thirty (30) days of written demand therefor shall be subject to collection by the Association in accordance with the provisions of Article XI hereof.

SECTION 2. MAINTENANCE OF WATERSHED IMPROVEMENTS. The Association shall maintain any lake and any retention or detention ponds, rip rap and other drainage or erosion control devices located on the Common Elements now or hereafter conveyed to the Association by Declarant that are required to be maintained by the governmental office(s) having jurisdiction for watershed protection as directed by such governmental office(s). SECTION 3. RULES AND REGULATIONS. The Executive Board of the Association may establish reasonable rules and regulations concerning the use of the Common Elements and improvements located thereon. Such rules and regulations may prohibit or restrict the use of any lake or pond which is a part of or adjacent to the Common Elements for boating, fishing and swimming and/or may provide for access to any such lake or pond only through designated portions of the Common Elements. The Association may impose reasonable monetary fines and other sanctions for the violation of established rules and regulations and for the violation of any of the covenants and conditions contained in this Declaration, which monetary fines and sanctions shall be assessed and collected pursuant to the provisions of Articles IV and XI hereof. Copies of such rules and regulations and the amendments thereto shall be furnished by the Association to all owners prior to the effective date thereof. All such rules and regulations shall be binding upon the owners, their families, tenants, guests, invitees and agents until and unless such regulation, rule or requirement shall be specifically overruled, canceled, or modified by the

Executive Board of the Association or by the Members of the Association entitled to cast at least two-thirds (2/3) of the votes of the Association, who are voting, in person or by proxy, at a meeting duly called for such purpose; provided, however, during any Period of Declarant Control, Declarant must also consent to such action.

SECTION 4. OWNERS EASEMENTS OF ENJOYMENT. Every Owner shall have a right and easement of enjoyment in and to the Common Elements which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(a) the easements herein reserved by Declarant or created in favor of the Association, including, without limitation the easements set forth in Article VIII hereof;

(b) the right of the Association to permit the use of and to charge reasonable admission and other fees for the use of any recreational facility situated upon the Common Elements;

(c) the right of the Association to suspend the voting rights by the Owner(s) of any Lot for any period during which any assessment against such Lot remains unpaid and for any period during which such Lot or any Owner or occupant thereof is in violation of the terms of this Declaration or the published rules and regulations of the Association and for a period not to exceed sixty (60) days after any such violation;

(d) the right of the Association to dedicate or transfer non-exclusive easements on, over and upon all or any part of the Common Elements for such purposes and subject to such conditions as may be agreed to by the Association's Executive Board; provided, however, no such dedication or transfer shall be effective unless an instrument executed on behalf of the Association by its duly authorized officers, agreeing to such dedication or transfer, has been recorded;

(e) the right of the Association, pursuant to Section 47F-3-112 of the Planned Community Act and with the consent of the Members entitled to cast at least eighty percent (80%) of the votes of the Association (including two-thirds of the votes of the Members present at a meeting of the Members held in accordance with the Bylaws of the Association, such vote including at least a majority of the votes of the Members present other than Declarant), to dedicate or transfer fee title to all or any part of the Common Elements for such purposes and subject to such conditions as may be agreed to by the Members consenting to such dedication or transfer; provided, however, during Declarant's Development Period, Declarant must also consent to such action and, further provided that no such dedication or transfer shall interfere with or obstruct utility service to, or ingress, egress and regress to or from, the Lots or any remaining Common Elements or cause any Lot or any remaining Common Elements to fail to comply with applicable laws, regulations or ordinances;

(f) the right of the Association to impose rules and regulations for the use and enjoyment of the Common Elements and improvements thereon, which regulations may further restrict the use of the Common Elements, and specifically including the right to make permanent and temporary assignments of parking spaces and to establish rules and regulations concerning parking and vehicular traffic flow on and along the streets and roadways, whether public or

private, within or abutting the Properties which rules and regulations may restrict or prohibit on-street parking and may be enforced by towing at the expense of the vehicle's owner, by reasonable fine levied against the vehicle's owner and/or any Owner of a Lot to which such violation reasonably may be attributed, or by any other reasonable method of enforcement established by the Association's Executive Board;

(g) the right of the Association to borrow money for the purpose of improving the Common Elements and facilities thereon and, with the assent of the Members entitled to cast at least eighty percent (80%) of the votes of the Association (including two-thirds of the votes of the Members present at a meeting of the Members held in accordance with the Bylaws of the Association, such vote including at least a majority of the votes of the Members present other than Declarant), mortgage, pledge, deed in trust, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred (any such mortgage shall be effective if it is executed on behalf of the Association by its duly authorized officers and recites that the requisite consent of Members has been obtained and documented in the Minute Book of the Association); provided, however, during Declarant's Development Period, Declarant must also consent to such action, and further provided that no such mortgage, encumbrance or hypothecation or foreclosure of the lien thereby created shall interfere with or obstruct utility service to, or ingress, egress and regress to or from, the Lots or any remaining Common Elements or cause any Lot or any remaining Common Elements to fail to comply with applicable laws, regulations or ordinances; and

(h) the right of the Association to convey to Declarant portions of the Common Elements for the purpose of correcting erroneous conveyances of Common Elements or eliminating unintentional encroachments of dwellings or other improvements onto portions of the Common Elements or for the purpose of enhancing the utility of the Common Elements to be retained by the Association; provided, however, no such conveyance shall interfere with or obstruct utility service to, or ingress, egress and regress to or from, the Lots or any remaining Common Elements or cause any Lot or any remaining Common Elements to fail to comply with applicable laws, regulations or ordinances.

SECTION 5. DELEGATION OF USE. Any Owner may delegate, in accordance with the Bylaws, such Owner's rights of enjoyment of the Common Elements and facilities to the members of such Owner's family, tenants or contract purchasers who reside on the Lot of such Owner.

SECTION 6. LEASES OF LOTS. Any Lease Agreement between an Owner and a lessee for the lease of such Owner's Lot shall provide that the terms of the Lease shall be subject in all respects to the provisions of this Declaration of Covenants, Conditions and Restrictions, the Articles of Incorporation and Bylaws of the Association and that any failure by the lessee to comply with the terms of such document shall be a default under the terms of the lease. All leases of Lots shall be in writing and shall have a term of not less than one (1) month. Other than the foregoing there is no restriction on the right of any Owner to lease such Owner's Lot.

SECTION 7. PROPERTY RIGHTS PURSUANT TO MASTER DECLARATION. As more particularly set forth in the Master Declaration and the governing documents of the Master Association, each Owner, as a member of the Master Association, and subject to the terms and

conditions thereof, shall have the right to use and enjoy any Master Association Common Elements and any improvements now or hereafter located thereon.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS

SECTION 1. MEMBERSHIP. Every person or entity who or which is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, including Declarant and any affiliated entity, shall be a voting Member of the Association. The foregoing is not intended to include persons or entities who hold an interest in a Lot merely as security for the performance of an obligation. Such Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Except as otherwise provided in Section 2 below, on all matters which the Membership shall be entitled to vote, the Member(s) owning each Lot shall be entitled to one (1) vote. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

SECTION 2. CLASSES OF MEMBERSHIP. The Association shall have two classes of voting membership:

Class A: The Class A Members shall be every person or entity who or which is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association, except for Declarant or any affiliated entity, during any Period of Declarant Control. Class A Members shall be entitled to one (1) vote for each Lot owned. In the event that a Lot is owned by more than one Class A Member, the Owners of such Lot, collectively, shall be allocated not more than one (1) vote allocated to such Lot shall be cast as such Owners may agree between or among themselves.

Class B: Declarant shall be the Class B Member and Declarant shall be entitled to three (3) votes for each lot shown on the Master Plan as developed or to be developed as a part of Whitestone Townhomes which has not been conveyed by Declarant or any affiliated entity, to a Class A Member. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) when the total votes outstanding in the Class A membership equal or exceed the total votes outstanding in the Class B membership; however, the Class B membership shall be reinstated if thereafter, and before the time stated in subparagraph (b) below, the Master Plan is amended to add additional lots developed or to be developed as a part of Whitestone Townhomes sufficient to give the Class B membership a total number of votes (with the Class B membership entitled to three (3) votes for each lot shown on the Master Plan as developed or to be developed as a part of Whitestone Townhomes which has not been conveyed by Declarant or an affiliate of Declarant to a Class A Member) greater than those of the Class A membership; or,

(b) ten (10) years from the date this Declaration is recorded in the Office of the Register of Deeds, Guilford County, North Carolina.

SECTION 3. DECLARANT RIGHT TO REPRESENTATION ON THE EXECUTIVE BOARD OF THE ASSOCIATION. During any Period of Declarant Control, Declarant shall have the right to designate and select all of the Members of each Executive Board of the Association. Whenever Declarant shall be entitled to designate and select any person or persons to serve on any Executive Board of the Association, the manner in which such person or persons shall be designated shall be as provided in the Articles of Incorporation and/or Bylaws of the Association, and Declarant shall have the right to remove any person or persons selected by it to act and serve on said Executive Board and to replace such person or persons with another person or other persons to act and serve in the place of any member or members of the Executive Board so removed for the remainder of the unexpired term of any member or members of the Executive Board so removed. Any Executive Board member designated and selected by Declarant need not be a resident of the Properties. Except as otherwise provided in the Bylaws with respect to the filling of vacancies, any members of the Executive Board which Declarant is not entitled to designate or select shall be elected by the Members of the Association.

SECTION 4. MASTER ASSOCIATION VOTING RIGHTS. As more particularly set forth in the Master Declaration and the governing documents of the Master Association, and subject to the terms and conditions thereof, each Owner shall be a voting member of the Master Association.

ARTICLE IV

COVENANT FOR MAINTENANCE AND ASSESSMENTS

SECTION 1. CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner for any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay: (a) to the Association: (i) annual and other assessments and charges provided for herein, together with interest, and late fees, costs and reasonable attorneys' fees; (ii) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided; and (b) to the appropriate governmental taxing authority: (i) a pro rata share of ad valorem taxes levied against the Common Elements; and (ii) a pro rata share of assessments for public improvements to or for the benefit of the Common Elements if the Association shall default in the payment of either or both for a period of six (6) months. All assessments and charges provided for herein, together with interest, and late fees, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made when a claim of lien is filed of record in the Office of the Clerk of Superior Court, Guilford County, North Carolina. Each such assessment and charge, together with interest, any late fees, costs and reasonable attorneys' fees, shall also be the personal obligation of the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in title unless expressly assumed by them.

SECTION 2. PURPOSE OF ASSESSMENTS.

(a) The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Elements or the Lots, including but not limited to, the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of any taxes assessed against the Common Elements, the payment of assessments assessed against the Common Elements and any improvements thereupon; the maintenance of open spaces and streets within the Common Elements which have not been accepted for dedication by a public authority, roadway medians and islands (including medians and islands located in dedicated rights-of-way within the Properties), drives and parking areas within the Common Elements; the procurement and maintenance of insurance in accordance with the Bylaws; the maintenance of dams and ponds, including retention or detention ponds, or other bodies of water, if any, located within the Common Elements; the erection, maintenance and repair of signs, entranceways, landscaping and lighting within easements provided therefor or the Common Elements, road medians and islands; the cost of operating, maintaining and repairing any street lights erected by the Association or the Declarant in the rights-of-way of streets (whether public or private) or in any other easement provided therefor within the Properties; the payment of charges for garbage collection and municipal water and sewer services furnished to the Common Elements; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, paving, and any other major expense for which the Association is responsible; and such other needs as may arise.

(b) The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Elements and those other portions of the Properties which the Association may be obligated to maintain. Such reserve fund is to be established out of regular assessments for common expense.

(c) All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Properties, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the Bylaws of the Association. As monies for any assessment are paid to the Association by any Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom shall be held for the benefit of the Members of the Association, no Member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer such Member's Membership interest therein, except as an appurtenance to such Member's Lot. When any Owner shall cease to be a Member of the Association by reason of such Owner's divestment of ownership of such Owner's Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or which may have been paid to the Association by such

Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Properties.

SECTION 3. ADOPTION OF BUDGET AND FIXING OF ANNUAL ASSESSMENTS; MAXIMUM ANNUAL ASSESSMENT.

(a) At least thirty (30) days in advance of each annual assessment period, the Executive Board shall establish an annual budget and fix the amount of the annual assessments in advance for the following year. Within thirty (30) days of the adoption of any proposed budget, the Executive Board shall provide to all of the Owners a summary of the budget and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. The Executive Board shall set a date for a meeting of the Owners to consider ratification of the budget, such meeting to be held not less than 10 nor more than 60 days after mailing of the summary and notice. There shall be no requirement that a quorum be present at the meeting. The budget is ratified unless at that meeting the Owners of a majority of the Lots reject the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the Owners shall be continued until such time as the Owners ratify a subsequent budget proposed by the Executive Board.

(b) Until December 31 of the year of the conveyance of the first Lot to an Owner, the maximum annual assessment (exclusive of assessments which may be levied by any Secondary Association) shall be **One Thousand Two Hundred Seventy Three and 20/100 Dollars (\$1,273.20)** per Lot, and may be collected in monthly installments of **One Hundred Six and 10/100 Dollars (\$106.10)** per Lot. The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter shall be established by the Executive Board and may be increased by the Executive Board without approval by the Membership by an amount not to exceed ten percent (10%) of the maximum annual assessment of the previous year. The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter may be increased without limit by a vote of the Members entitled to cast at least two-thirds (2/3) of the votes of each class of Members of the Association who are voting, in person or by proxy, at a meeting duly called for this purpose; provided, however, during any Period of Declarant Control, Declarant must also consent to such action.

(c) The Executive Board may fix the annual assessment at an amount not in excess of the maximum, subject to the provisions of Section 6 of this Article.

SECTION 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS. In addition to the annual assessments authorized above, the Association may levy, in any calendar year, a special assessment for the purpose of defraying in whole or in part the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of the Members entitled to cast at least two-thirds (2/3) of the votes of each class of Members of the Association who are voting, in person or by proxy, at a meeting duly called for this purpose; provided, however, during the Declarant's Development

Period, Declarant must also consent to such action. All special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

SECTION 5. NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 3 AND 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article shall be sent to all Members not less than ten (10) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast ten percent (10%) of all the votes of each class of Members of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting. The required quorum shall continue to be reduced by fifty percent (50%) at subsequent meetings until a quorum is present. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 6. RATE OF ANNUAL ASSESSMENT. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly or annual basis, except that the Declarant shall not be obligated to pay any annual or special assessments for any Lot owned by Declarant within the Properties.

SECTION 7. DATE AND COMMENCEMENT OF ANNUAL ASSESSMENTS: DUE DATES. The annual assessments provided for herein shall commence as to a Lot on the first day of the month following the date such Lot is conveyed to an Owner other than the Declarant. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The due dates shall be established by the Executive Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

SECTION 8. WORKING CAPITAL ASSESSMENTS. In addition to the annual assessments authorized above, at the time of the closing of the first sale of each Lot to a purchaser other than Declarant, the purchaser(s) thereof shall pay to the Association an amount equal to two-twelfths (2/12ths) of the then current annual assessment established by the Association. Such funds shall be used by the Association to establish a Working Capital Fund, the purpose of which is to help insure that the Association will have sufficient monies available to meet its initial operational needs, unforeseen expenditures or long-term capital improvements and repairs to the Common Elements. No such payments made into the Working Capital Fund shall be considered advance or current payment of regular assessments. All monies paid into the Working Capital Fund shall be held and administered by the Association in accordance with the terms of the Declaration and these Bylaws.

SECTION 9. EFFECT OF NONPAYMENT OF ASSESSMENTS: REMEDIES OF THE ASSOCIATION. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at a rate from time-to-time established by the Association not to exceed eighteen percent (18%) per annum. In addition, the Association may charge a reasonable late fee, the amount of which shall be established from time to time by the Executive Board of the Association but which shall not exceed the greater of Twenty Dollars (\$20.00) per month or ten percent (10%) of any assessment unpaid, for assessments not paid within thirty (30) days

after the due date. In addition after notice and an opportunity to be heard, the Association may suspend privileges or services provided by the Association (except rights of access to Lots) during any period that assessments or other amounts due and owing to the Association remain unpaid for a period of thirty (30) days or longer, which suspension may continue without further hearing until the delinquency is cured. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien created herein against the property in the same manner that real estate deeds of trust and mortgages may be foreclosed under power of sale under Article 2A of Chapter 45 of the North Carolina General Statutes, and in any suit for the foreclosure of said lien, the Association shall be entitled to interest, any late fees, costs and reasonable attorneys' fees, subject to the limitations set forth in this paragraph. Notwithstanding any of the foregoing, the Association may not foreclose an assessment lien under power of sale if the debt securing the lien consists solely of fines imposed by the Association, interest on unpaid fines, or attorneys' fees incurred by the Association solely associated with fines imposed by the Association, but such a lien may be enforced by judicial foreclosure as provided in Article 29A of Chapter 1 of the North Carolina General Statutes. An Owner may not be required to pay attorneys' fees and court costs until the Owner is notified in writing of the Association's intent to seek payment of attorneys' fees and court costs. The notice must be sent by first-class mail to the property address and, if different, the mailing address for the Owner in the Association's records. The notice shall (i) set out the outstanding balance due as of the date of the notice, (ii) state that the Owner has fifteen (15) days from the mailing of the notice to pay the outstanding balance without the attorneys' fees and court costs, and (iii) inform the Owner of the opportunity to contact a representative of the Association to discuss a payment schedule for the outstanding balance and provide the Owner the name and telephone number of such representative. If the Owner pays the outstanding balance within this period, then the Owner shall have no obligation to pay the attorneys' fees and court costs. If the Owner does not contest the collection of debt and enforcement of a lien after the expiration of the fifteen (15) day period, then reasonable attorneys' fees shall not exceed One Thousand Two Hundred Dollars (\$1,200), not including costs or expenses incurred. The collection of debt and enforcement of a lien remains uncontested as long as the Owner does not dispute, contest, or raise any objection, defense, offset or counterclaims as to the amount or validity of the debt and lien asserted or the Association's right to collect the debt and enforce the lien. The attorneys' fee limitation shall not apply to judicial foreclosures. No Owner may waive or otherwise escape liability for the assessment provided for herein by nonuse of the Common Elements or abandonment of such Owner's Lot nor shall damage to or destruction of any improvements on any Lot by fire or other casualty result in any abatement or diminution of the assessments provided for herein.

SECTION 10. EFFECT OF DEFAULT IN PAYMENT OF AD VALOREM TAXES OR ASSESSMENTS FOR PUBLIC IMPROVEMENTS BY ASSOCIATION. Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Elements or assessments for public improvements to the Common Elements, which default shall continue for a period of six (6) months, each Owner of a Lot in the development shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments in an amount determined by dividing the total taxes and/or assessments due the governmental authority by the total number of Lots in the development. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on

the Lot of the then Owner, such Owner's heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the Owner.

SECTION 11. PRIORITY OF LIEN. The lien herein granted unto the Association shall be enforceable from and after the time of recording a claim of lien in the Office of the Clerk of Superior Court of Guilford County, North Carolina, in the manner provided herein, which claim shall state the description of the Lot encumbered thereby, the name of the record owner(s), the amount due and the date when due and the name and address of the Association. Such claims of lien shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, it shall be satisfied of record.

SECTION 12. EXEMPT PROPERTY. All property dedicated to, and accepted by, a public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

SECTION 13. MASTER ASSOCIATION ASSESSMENTS. All of the property which is now a part of the Properties, and all of the property which, pursuant to Article XI Section 4 hereof, is hereafter annexed to and made a part of the Properties, shall be subject to the Master Declaration. The Master Declaration provides that the owners of any numbered plot of land intended for single family purposes, townhome lot or condominium unit shown on any plat or plan of condominium now or hereafter recorded with respect to the property now or hereafter subjected to the Master Declaration shall be members of the Master Association. The Master Declaration provides that all of the members of the Master Association are required to pay assessments to the Master Association to be used for the maintenance, preservation and administration of the Master Association Common Elements and other purposes set forth for in the Master Declaration. In addition to the assessments which may be levied by the Association pursuant to the provisions of this Declaration, the Association, in the sole discretion of its Executive Board, may elect to collect, on behalf of the Master Association, the assessments levied by the Master Association against the Lot Owners. The Association, in the sole discretion of its Executive Board, also may elect to serve as the Master Association's attorney-in-fact for the purpose of enforcing the collection of such assessments and any lien securing the same.

ARTICLE V

ARCHITECTURAL CONTROL

SECTION 1. IMPROVEMENTS. No improvements, alteration, repair, change in paint color, excavation, change in grade, planting, landscaping, exterior decoration (including, without limitation, yard ornaments, figurines, statues, bird baths, houses and feeders, flags and similar items) or other work which in any way alters the exterior of any Lot or the improvements located thereon from their natural or improved state existing on the date such Lot was first conveyed in fee by the Declarant or an affiliate of Declarant, to an Owner other than Declarant or an affiliate of Declarant, shall be commenced, erected or maintained upon any Lot and no building, fence wall, residence or other structure shall be commenced, erected, maintained, improved, altered or

removed, until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Executive Board of the Association or by an architectural committee composed of three (3) or more representatives appointed by the Board (the "Architectural Control Committee"). Temporary seasonal exterior decorations shall not require the prior approval of the Executive Board or the Architectural Control Committee, but if any such decorations are determined, in the sole discretion of the Executive Board or the Architectural Control Committee, to be distasteful or otherwise disruptive of the aesthetics or visual harmony of the community, the Executive Board or the Architectural Control Committee may require that such decorations promptly and permanently be removed. In the event that an Owner neglects or fails to remove any such decorations at the request of the Executive Board or the Architectural Control Committee, the Association may provide such removal. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right to unobstructed access over and upon each Lot at all reasonable times for such purpose and the cost of such removal shall be added to and become a part of the assessment to which such Lot is subject. Notwithstanding the foregoing, nothing herein contained shall prevent or interfere with the right of Declarant or any affiliate of Declarant, to improve and develop the Properties, including the Lots, as Declarant or such affiliate chooses, so long as said development follows the general plan of development of the Properties from time to time approved by the Appropriate Local Governmental Authority. Accordingly, nothing herein shall require that either Declarant or any affiliate of Declarant, seek or obtain the approval of the Architectural Control Committee for improvements erected on the Properties by or at the direction of Declarant or any such affiliate. In addition, for so long as Declarant or any affiliated entity, owns any Lot or has the right to annex any Additional Property pursuant to Section 4(b), Article XI hereof, Declarant or its affiliate may approve any plans and specifications rejected by the Executive Board or the Architectural Control Committee for the construction or alteration of improvements on any Lot provided the construction or alteration approved by Declarant or its affiliate comport with the general scheme of development from time to time approved by the Appropriate Local Governmental Authority. Such approval by Declarant or its affiliate shall operate and have the same effect as approval by the Executive Board or the Architectural Control Committee.

SECTION 2. PROCEDURES.

(a) Any person desiring to make any improvement, alteration or change described in Section 1 above shall submit the plans and specifications therefor, showing the nature, kind, shape, height, materials and location of the same, to the Executive Board of the Association or the Architectural Control Committee which shall evaluate such plans and specification in light of the purposes of this Article.

(b) Upon approval by the Architectural Control Committee of any plans and specifications submitted pursuant to this Declaration, a copy of such plans and specification, as approved, shall be deposited for permanent record with the Architectural Control Committee and a copy of such plans and specification bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot of any plans and specification shall not be deemed a waiver of the Architectural Control Committee's right, in its

discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with any other Lot. Approval of any such plans and specification relating to any Lot, however, shall be final as to that Lot and such approval may not be reviewed or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans and specification, as approved, and any conditions attached to any such approval. As a condition to the granting of approval of any request made under this Article, the Association may require that the Owner(s) requesting such change be liable for any cost of maintaining, repairing and insuring the approved alteration. If such condition is imposed, the Owner(s) shall evidence consent thereto by a written document in recordable form satisfactory to the Association. Thereafter, the Owner(s), and any subsequent Owner(s) of the Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, are deemed to covenant and agree that the cost of maintaining, repairing and insuring such alteration shall be a part of the annual assessment or charge set forth herein, and subject to the lien rights described herein.

(c) Neither Declarant, nor any other member of the Association's Executive Board or Architectural Control Committee, shall be responsible or liable in any way for any defects in any plans or specification approved by them, nor for any structural defects in any work done according to such plans and specifications. Further, neither Declarant, nor any member of the Association's Executive Board or Architectural Control Committee, shall be liable in damages to anyone by reason of mistake in judgment, negligence, misfeasance, malfeasance or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specification or the exercise of any other power or right provided for in this Declaration nor for any approvals or permits required from any governmental or other entity. Every Person who submits plans or specifications for approval agrees, by submission of such plans and specifications, and every owner of any Lot agrees, that such Owner will not bring any action or suit against Declarant, or any member of the Association's Executive Board or Architectural Control Committee, to recover any such damage.

ARTICLE VI

EXTERIOR MAINTENANCE

SECTION 1. EXTERIOR MAINTENANCE TO BE PERFORMED BY THE ASSOCIATION. The Association shall maintain the Common Elements and shall maintain the grounds of each Lot which is subject to assessments hereunder (except for any enclosed privacy area, which area shall be maintained by the Owner(s) of the Lot on which the residence is located as set forth in Section 2 below), as follows: mow, seed and fertilize all grassed areas, mulch, remove dead or diseased trees or shrubs if such trees or shrubs existed at the time Declarant initially conveyed the Common Elements or the Lot on which the tree or shrub is located, replace dead or diseased trees or shrubs planted by the Declarant or the Association and prune all trees or shrubs planted by the Declarant or the Association. In addition, the Association shall provide exterior maintenance for the dwelling located on each Lot which is subject to assessments hereunder, as follows: paint, repair, replace and care of roofs, gutters, downspouts, exterior building surfaces (including doors and garage doors, but excluding glass surfaces, window or door screens, any storm doors installed by Owners and garage door openers) steps, and other

exterior improvements (other than fences located upon common boundaries of Lots, which shall be maintained by Owners as party walls in accordance with Article X). Such exterior maintenance shall not include the exterior maintenance to be performed by the Owners as provided in Section 2 below. In the event that the need for any maintenance, repair or replacement required hereunder to be performed by the Association is caused through the willful or negligent act of the Owner, such Owner's family, guests or invitees, or is caused by fire, lightning, windstorm, hail, explosion, riot, riot attending strike, civil commotion, aircraft, vehicles or smoke, as the foregoing are defined and explained in North Carolina Standard Fire and Extended Coverage insurance policies, the cost of such maintenance, replacement or repairs shall be added to and become a part of the assessment to which such Lot is subject.

SECTION 2. EXTERIOR MAINTENANCE TO BE PERFORMED BY THE OWNERS. Each Owner shall be liable and responsible for maintenance, repair and replacement, as the case may be, of all glass surfaces, window or door screens, any storm doors installed by Owner (any such installation being subject to Article V hereof), air conditioning and heating equipment and all other equipment required to provide water, light, power, telephone, sewage and sanitary service to such Owner's Lot which are not publicly maintained. In the event that the Owner neglects or fails to maintain such Owner's Lot and/or the exterior of such Owner's dwelling in a manner consistent with other Lots and dwellings within the Properties, the Association may provide such exterior maintenance and all cost incurred by the Association in providing such exterior maintenance shall be added to the annual assessment for such Lot and subject to the lien rights described in Article IV; provided, however, that the Association shall first give written notice to the Owner of the specific items of exterior maintenance or repair the Association intends to perform and the Owner shall have twenty (20) days from the date of mailing of said notice within which to perform such exterior maintenance. The determination as to whether an Owner has neglected or failed to maintain such Owner's Lot and/or dwelling in a manner consistent with other Lots and dwellings within the Properties shall be made by the Executive Board of the Association, in its sole discretion.

SECTION 3. EASEMENT TO PERFORM EXTERIOR MAINTENANCE. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right to unobstructed access over and upon each Lot at all reasonable times to perform maintenance as provided in this Article

ARTICLE VII

RESTRICTIONS

SECTION 1. LAND USE. No Lot shall be used except for attached single-family residential purposes; provided, however, Declarant, or any affiliated entity, may use any Lot owned or leased by Declarant or any affiliated entity, as a temporary sales office and/or model for the purposes of carrying on business related to the development, improvement and sale of the Properties or the Additional Property.

SECTION 2. DWELLING SPECIFICATIONS. No dwelling shall be erected or allowed to remain on a Lot if the main structure, exclusive of open porches, decks and garages, contains less than thirteen hundred (1300) square feet of heated floor area.

SECTION 3. NUISANCE. No noxious or offensive activity shall be conducted upon any Lot or the Common Elements nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. In the event that any Lot Owner or any other person conducts obnoxious or offensive activity upon any Lot or does anything thereon which may be or may become an annoyance or nuisance to the neighborhood, a written complaint can be filed by a Lot Owner with the Association. If after investigation the Complaint is deemed legitimate by the Association, the Association will make a written request to the owner of the Lot upon which the activity is being conducted that the obnoxious or offensive activity be stopped immediately. If the activity continues for two days after this written notice is issued by the Association, any complaining Lot Owner can pursue judicial relief against the offending Lot Owner or the offending person. All Lot Owners expressly waive any claims against Declarant related to any obnoxious or offensive activity conducted upon any Lot or relating to anything done upon any Lot which may be or may become an annoyance or nuisance to the neighborhood, except to the extent that the alleged obnoxious or offensive activity is conducted by the Declarant or the Declarant's agent. No Lot or other area within Properties shall be used as a dumping ground for rubbish or as a site for the accumulation of unsightly materials of any kind, including, without limitation, broken or rusty equipment and discarded appliances and furniture. No outdoor clotheslines shall be permitted.

SECTION 4. ANIMALS. No animals, livestock or poultry of any kind shall be kept or maintained on the Common Elements or on any Lot or in any dwelling except that dogs, cats or other household pets may be kept or maintained provided that they are not kept or maintained for commercial purposes and further provided that they are kept and maintained in compliance with (i) all laws and ordinances of the State of North Carolina, the County of Guilford and the City of High Point relating thereto; and (ii) such rules and regulations pertaining thereto as the Executive Board may adopt from time to time.

SECTION 5. OUTSIDE ANTENNAS. Except for "dish" antennas designed to receive direct broadcast satellite service, including direct-to-home satellite service, one meter (39") or less in diameter, antennas designed to receive video programming services via MMDS (wireless cable) and antennas designed to receive television broadcast signals, no outside antennas or satellite dishes and no free standing transmission or receiving towers shall be erected on any Lot within the Properties without the prior written permission of the Architectural Control Committee. Except as otherwise reasonably required in order to receive the intended signal, any antenna or satellite dish erected on any Lot within the Properties shall be affixed to the dwelling, shall be a color which blends with its surrounds, shall have a mast only as high as reasonably necessary to receive the intended signal and shall not be visible from any street. Only one (1) dish antenna shall be allowed per Lot.

SECTION 6. PARKING. No boats, trailers, recreational vehicles, campers or other similar equipment or vehicles, excluding specifically operative automobiles, non-commercial trucks and passenger vehicle vans and mini-vans, shall be parked or stored within the Common Elements, or on any Lot unless completely enclosed within a garage. No recreational vehicles, campers or other like equipment or vehicles shall be located or installed on any Lot or the Common Elements to be used as a residence. Commercial vehicles shall not be parked or stored on any Lot or the Common Elements within the Properties; provided, however, the foregoing

shall not be construed to prevent the temporary, nonrecurrent parking of such vehicle on a Lot for a period not to exceed 24 hours or during any period the Lot is being serviced by such vehicle.

SECTION 7. SUBDIVISION OF LOTS. No Lot shall be subdivided into a lot smaller than or different from the Lot shown on the recorded plat and no street shall be laid out across or through any Lot, except with the written consent of Declarant.

SECTION 8. SIGNS. No sign shall be placed or allowed to remain on any Lot except for ONE (1) "For Sale" sign, or one other temporary sign to advertise a yard sale or other temporary activity on the Lot and such other temporary sign shall not be permitted to remain on any Lot for more than SEVENTY TWO (72) consecutive hours. No sign deemed by the Association, the Architectural Committee or Declarant to be a nuisance or a detriment to the Properties or the Additional Property shall be permitted to be erected or to remain on any Lot. Notwithstanding the foregoing, during Declarant's Development Period, Declarant and any affiliate, shall have the right to erect and maintain signs within the Common Elements or on any Lot owned or leased by Declarant or such affiliate for the purpose of advertising and promoting the sale of such lots.

SECTION 9. MOBILE HOMES, MANUFACTURED HOMES, ETC. No mobile home, manufactured home, modular home, trailer, or other like structure shall be located or installed on any Lot. As used in this Section, mobile home, manufactured home or modular home shall mean a structure, assembled in whole or in part in a location other than on the Lot itself, transportable in one or more sections, any section of which, during transport, is four (4) feet or more in width and ten (10) feet or more in length, which may or may not be built on a permanent chassis and which is designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities. Notwithstanding the foregoing, Declarant, builders or contractors may maintain temporary improvements (such as a sales office and/or construction trailer) on any Lot during the construction and development period.

SECTION 10. FENCES. Declarant may, but shall not be obligated to, construct privacy fences on the common boundaries between Lots extending behind the rear building line of the townhomes built upon the Lots (the "Side Fences"). In the event that Declarant constructs such Side Fences, Declarant does not contemplate enclosing the privacy fences by constructing a fence along the rear of each Lot. Each Owner may construct a privacy fence at or near the rear of such Owner's Lot (the "Rear Fence") in order to enclose the privacy fence, if any, constructed by Declarant along the common boundaries between the Lots provided (i) the Rear Fence is constructed perpendicular to, and shall extend to, each of the Side Fences, (ii) the Side Fences are not modified, altered, extended or shortened, except that the Rear Fence shall be secured to each of the Side Fences bordering such Owner's Lot, (iii) the Rear Fence shall be the same height, style, appearance, and quality, and constructed with same materials, as the Side Fences, (iv) the Rear Fence shall be constructed entirely within such Owner's Lot, (v) the Rear Fence shall be constructed in a good and workmanlike manner, (vi) such Owner shall maintain the Rear Fence constructed on such Owner's Lot, and (vii) the Owner shall obtain the approval of the Architectural Control Committee in accordance with Article V. In addition, in the event that Declarant constructs a Side Fence on only one side of an Owner's Lot, such Owner may

construct a Side Fence on the other side of such Owner's Lot parallel to the Side Fence constructed by Declarant provided (i) such Side Fence constructed by Owner extends no closer to such Owner's rear Lot line than the Side Fence constructed by Declarant, unless otherwise approved by the Architectural Control Committee, (ii) the Side Fence constructed by such Owner shall be the same height, style, appearance, and quality, and constructed with same materials, as the Side Fence constructed by Declarant, (iii) such Side Fence constructed by the Owner shall be constructed entirely within such Owner's Lot, (iv) such Side Fence constructed by Owner shall be constructed in a good and workmanlike manner, and (v) the Owner shall obtain the approval of the Architectural Control Committee in accordance with Article V.

SECTION 11. LAKES AND PONDS. The use of any lake or pond which is a part of the Common Elements is subject to rules and regulations from time to time promulgated by the Association, which rules and regulations, in the sole discretion of the Executive Board of the Association, may prohibit or limit the use of boats, fishing and swimming. In addition, such rules and regulations may provide for access to any such lake or pond only through designated portions of the Common Elements.

ARTICLE VIII

EASEMENTS

SECTION 1. UTILITIES. Easements for installation and maintenance of utilities (including cable television service) and drainage facilities are reserved as indicated on recorded plats. In addition, Declarant reserves, for itself and the Association, additional easements and rights-of-way for the installation and maintenance of utilities (including cable television service) and drainage facilities over the rear TEN (10) feet of all Lots and over each side FIVE (5) feet of all Lots. Within these easements no structures, planting or other material shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the drainage easements, or which may obstruct or retard the flow of water through drainage channels in the easements. An easement is hereby established for the benefit of the appropriate governmental entity (and any other person or firm providing services to the Properties under agreement with or at the direction of the Association) over all Common Elements as may be reasonably necessary for the setting, removal and reading of water meters, and the maintenance and replacement of water, sewer and drainage facilities and for the fighting of fires and collection of garbage. The Association shall have the power and authority to grant and establish upon, over and across the Common Elements such additional easements as are necessary or desirable for the providing of service or utilities to the Common Elements or Lots.

SECTION 2. SIGNS. Declarant hereby grants, gives and conveys to the Association a perpetual, non-exclusive easement over any portions of the Lots designated as "sign easements" on plats of the Properties, now or hereafter recorded, to erect, maintain, replace and repair subdivision signs and landscaping and/or lighting surrounding the same and all such easements shall be part of the Common Elements. The Association shall maintain all subdivision signs and landscaping and lighting surrounding the same now or hereafter erected within the Common Elements. The costs of all such maintenance, repair and replacement of such signs, landscaping

and lighting shall be part of the common expenses of the Association, payable by the Owners as set out in Article IV hereof. Further, during Declarant's Development Period, Declarant and any affiliated entity, shall have (i) the right to erect within the Common Elements additional subdivision signs and landscaping and lighting surrounding the same to be maintained by the Association as herein provided and (ii) the right to erect within the Common Elements signs advertising the sale and promotion of Lots or any portion of the Additional Property.

SECTION 3. EASEMENT RESERVED BY DECLARANT. Declarant hereby reserves such easements on, across and over the Common Elements as shall be reasonably necessary for (i) the exercise by Declarant or any affiliated entity, of any right herein reserved, including, without limitation, Declarant's right, should Declarant elect, to annex the Additional Property, as hereinafter defined and (ii) the development by Declarant or any affiliate, their respective successors and assigns, of the Additional Property, should Declarant elect not to annex the Additional Property, including without limitation easements for ingress, egress and regress over private roads and streets now or hereafter erected on the Properties and easements for the use of all utility lines, fixtures and/or their connections located within the Common Elements for the purpose of providing water, light, power, telephone, sewage and sanitary service to the Additional Property.

SECTION 4. ENCROACHMENTS. In the event that any improvements on a Lot shall encroach upon any Common Elements or upon any other Lot as a result of the initial improvements constructed by Declarant or for any reason not caused by the purposeful or negligent act of the Owner or agents of such Owner, then an easement appurtenant to such Lot shall exist for the continuance of such encroachment upon the Common Elements or other Lot for so long as such encroachment shall naturally exist; and, in the event that any portion of the Common Elements shall encroach upon any Lot, then an easement shall exist for the continuance of such encroachment of the Common Elements into any such Lot for so long as such encroachment shall naturally exist.

SECTION 5. EASEMENTS IN FAVOR OF MASTER ASSOCIATION AND ITS MEMBERS. The Master Association, its agents, employees, contractors, guests and invitees, shall have such easements on, across and over the Common Elements, and Declarant hereby declares that the Common Elements shall be held, sold and conveyed subject to such easements, as shall be reasonably necessary for ingress, egress and regress to and from any Master Association Common Elements and as may be reasonably necessary in the discharge of any obligations imposed on the Master Association under the Master Declaration. In addition, Declarant hereby declares that the Common Elements shall be held, sold and conveyed subject to an easement for ingress, egress and regress over and upon all private roadways now or hereafter located within the Common Elements for the benefit of all Members of the Master Association, their family members, guests and invitees.

SECTION 6. ADDITIONAL DRAINAGE EASEMENTS. In order to implement effective and adequate erosion control, the Association shall have the right to enter upon any portion of the Properties before and after improvements have been constructed thereon for the purpose of performing any grading or constructing and maintaining erosion prevention devices;

provided, however, no such activities shall interfere with any permanent improvements constructed on the Properties.

ARTICLE IX

RIGHTS RESERVED UNTO INSTITUTIONAL LENDERS

SECTION 1. ENTITIES CONSTITUTING INSTITUTIONAL LENDERS.

"Institutional Lender" as the term is used herein shall mean and refer to banks, savings and loan associations, insurance companies or other firms or entities customarily affording loans secured by first liens on residences, and eligible insurers and governmental guarantors.

SECTION 1. GENERAL RULES OF LAW TO APPLY. SECTION 3. DESTRUCTION BY FIRE OR OTHER CASUALTY. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall constitute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

ARTICLE XI

GENERAL PROVISIONS

SECTION 1. ENFORCEMENT. The Owner(s) of each Lot shall be governed by and shall comply with the provisions of this Declaration, the Bylaws of the Association and all rules and regulations of the Association adopted pursuant thereto, as any of the same are now constituted or as they may be amended from time to time. A default by any Owner shall entitle the Association or the Owner(s) of any of the other Lots to the following relief:

(a) The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration, the Bylaws of the Association and all rules and regulations of the Association adopted pursuant thereto. Failure to comply with any of the terms of this Declaration or other restrictions and regulations contained in the Bylaws of the Association, or which may be adopted pursuant thereto, shall be grounds for relief including without limitation an action to recover sums due for damages, injunctive relief, foreclosure of lien, or any combination thereof. The Association shall have the right to request that law enforcement, public safety and animal control officers come on the Properties to facilitate the enforcement of the laws, codes and ordinances of any governmental authority.

(b) The Association, after notice to the Owner and a reasonable opportunity to be heard, shall have the right to assess reasonable fines against an Owner for violations of this Declaration the Bylaws of the Association or the Association's published rules and regulations by such Owner, or such Owner's family, guests, invitees and lessees in an amount not to exceed \$100.00 for each violation, and without further hearing, for each day more than five (5) days after the decision that the violation occurs. Such fines shall be deemed to be assessments as set forth in Article IV of the Declaration and if not paid within thirty (30) days after notice and demand therefor, the Association shall be entitled to the remedies set forth in the Declaration for the enforcement and collection of delinquent assessments.

(c) The Association, after notice to the Owner and a reasonable opportunity to be heard, shall have the right to suspend privileges or services provided by the Association (except rights of access to Lots) for reasonable periods for violations of this Declaration or the Bylaws, Articles or rules and regulations of the Association. If it is decided that a suspension of privileges or services provided by the Association should be imposed, the suspension may be continued without further hearing until the violation is cured.

(d) If an Owner is legally responsible for damage inflicted on any Common Elements, the Association may direct such Owner to repair such damage, or the Association may itself cause the repairs to be made and recover damages from the responsible Owner. If damage is inflicted on any Lot by an agent of the Association in the scope of the agent's activities as such agent, the Association is liable to repair such damage or to reimburse the Owner for the cost of repairing such damages. The Association shall also be liable for any losses to the Owner. When any such claim for damages against an Owner or the Association is less than or equal to the jurisdictional amount established for small claims by North Carolina General Statute 7A-210, any aggrieved party may request that a hearing be held before an adjudicatory panel appointed

by the Executive Board of the Association to determine if an Owner is responsible for damages to any Common Elements or the Association is responsible for damages to any Lot. Liability for each damage incident may be assessed against each Owner charged or against the Association not in excess of the jurisdictional amount established for small claims by North Carolina General Statute 7A-210. When the such claim exceeds the jurisdictional amount established for small claims by North Carolina General Statute 7A-210, liability of any Owner charged or the Association shall be determined as otherwise provided by law. Liabilities of Owners determined by adjudicatory hearing or as otherwise provided by law shall be assessments secured by lien under Section 47F-3-116 of the Planned Community Act. Liabilities of the Association determined by adjudicatory hearing or as otherwise provided by law may be offset by the Owner against sums owing to the Association and if so offset, shall reduce the amount of any lien of the Association against the Lot at issue.

(e) Adjudicatory proceedings pursuant to subparagraphs (b), (c) and (d) of this Section 1 may be held before the Executive Board or an adjudicatory panel appointed by the Executive Board. The Executive Board and any adjudicatory panel appointed by the Executive Board shall accord to the party charged pursuant to subparagraphs (b), (c) and/or (d) above notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. Any adjudicatory panel appointed by the Executive Board shall be composed of Members of the Association who are not officers of the Association or members of the Executive Board. An Owner may appeal the decision of an adjudicatory panel to the full Executive Board by delivering written notice of appeal to the Executive Board within fifteen (15) days after the date of the decision. The Executive Board may affirm, vacate, or modify the prior decision of the adjudicatory body.

(f) In any proceeding arising because of an alleged default by an Owner, the Association, if successful, shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be determined by the Court.

(g) The failure of the Association or any Owner to enforce any right, provision, covenant or condition which may be granted by this Declaration or the other above mentioned documents shall not constitute a waiver of the right of the Association or of the Owner to enforce such right, provision, covenant or condition in the future.

(h) All rights, remedies and privileges granted to the Association or the Owners, pursuant to any terms, provisions, covenants or conditions of the Declaration or other above mentioned documents, shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party at law or in equity.

(i) The failure of Declarant to enforce any right, privilege, covenant or condition which may be granted to it by this Declaration or other above mentioned document shall not constitute a waiver of the right of Declarant to thereafter enforce such right, provision, covenant or condition in the future.

SECTION 2. SEVERABILITY. Invalidation of any one of the covenants or restrictions by judgment or court order shall in no wise affect any other provision which shall remain in full force and effect.

SECTION 3. AMENDMENT. The covenants and restrictions of this Declaration shall run and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless terminated as hereinafter provided. This Declaration may be terminated or amended with the consent of the Owners entitled to cast at least eighty percent (80%) of the votes of the Association; provided, however, during Declarant's Development Period, this Declaration may not be amended or terminated without Declarant's consent; no amendment purporting to revoke or curtail any right herein conferred to Declarant shall be effective unless executed by Declarant; and no amendment relating to the maintenance or ownership of any permanent detention or retention pond shall be effective unless reviewed and approved by the governmental office having jurisdiction for watershed protection. Any amendment, except amendments that Declarant is authorized to make unilaterally, must: (1) be executed on behalf of the Association by its duly authorized officers; (2) contain an attestation by the officers executing the amendment on behalf of the Association that the requisite Owner and Declarant approval has been obtained and is evidenced by written acknowledgment(s) signed by the Owners approving the amendment and, if required, Declarant, and that such acknowledgments have been made a part of the Minute Book of the Association; and (3) be properly recorded in the Office of the Register of Deeds, Guilford County, North Carolina. For the purpose of this section, additions to existing property by Declarant pursuant to Section 4 of this Article shall not constitute an "amendment." In the event this Declaration is terminated in accordance with the provisions hereinabove provided, Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner for any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay a pro rata share of the cost of the maintenance of all permanent retention or detention ponds. Notwithstanding the foregoing, Declarant may at anytime unilaterally amend this Declaration to terminate or restrict any right reserved hereunder by Declarant and Declarant, during Declarant's Development Period, may amend this Declaration to make any changes required by the Veterans Administration ("VA"), the Department of Housing and Urban Development ("HUD"), the Federal National Mortgage Association ("FNMA") or the Federal Home Loan Mortgage Corporation ("FHLMC") or any other private or governmental insurer of residential mortgage loans in order to obtain the approvals necessary for purchasers of Lots to obtain financing insured by any of the foregoing mortgage insurers, or to make any changes deemed by Declarant to be necessary to carry out and effectuate the orderly development of the Properties as intended by Declarant.

SECTION 4. ANNEXATION.

(a) Except as provided in Subsection (b) of this Section 4, Article XI, additional residential property and Common Elements may be annexed to the Properties only with the consent of the Members entitled to cast two-thirds (2/3) of the votes each class of Members of the Association, who are voting, in person or by proxy, at a meeting duly called for such purpose; provided, however, during Declarant's Development Period, Declarant must also consent to such action.

(b) All or any portion of the Additional Property may be annexed by the Declarant without the consent of Members within ten (10) years of the date of this instrument. Declarant shall have no obligation of any kind to annex any or all of the Additional Property and, should Declarant elect to annex all or any portion of the Additional Property, Declarant shall have no obligation of any kind to annex the Additional Property in any particular sequential order. Should Declarant elect to annex all or any portion of the Additional Property and accordingly to subject such property to the terms and conditions of this Declaration, with regard to all or any part of the Additional Property annexed by Declarant, Declarant reserves the right to make such complementary additions and/or modifications of the covenants and restrictions contained in this Declaration (including, without limitation, those contained in Section 2 of Article VII hereof) as may be necessary or convenient, in the sole judgment of the Declarant, to and reflect the different character, if any, of the added properties and as are not inconsistent with the plan of this Declaration, but such additions and/or modifications shall have no effect upon the properties previously subjected to this Declaration. With regard to any portion of the Additional Property not annexed by Declarant, Declarant makes no representations with regard to the use of such property or the exterior appearance, design, size or intended purpose of any improvements now or hereafter erected on such property.

SECTION 5. AMPLIFICATION. The Provisions of this Declaration are amplified by the Articles of Incorporation and Bylaws of the Association; but no such amplification shall alter or amend any of the rights or obligations of the Owners set forth in this Declaration. Declarant intends that the provisions of this Declaration on the one hand, and the Articles of Incorporation and Bylaws of the Association on the other be interpreted, construed, and applied to avoid inconsistencies or conflicting results. If such conflict necessarily results, however, Declarant intends that the provisions of this Declaration control anything contained in the Articles of Incorporation or Bylaws of the Association.
