

PRESS RELEASE

Exciting Collaboration between St Kitts Nevis Chamber of Commerce and Industry and St Maarten Chamber of Commerce!

We are thrilled to announce the successful visit of the St Maarten Chamber of Commerce to the St Kitts Nevis Chamber of Commerce and Industry on Friday, 9th June. The meeting held at the SKNCIC office was marked by a spirit of collaboration and a shared commitment to strengthening the ties between our chambers and our members.

Mr. Michael Davis, the President of SKNCIC, and Members of his Board of Directors present at the meeting warmly welcomed the St Maarten team to the beautiful island of St Kitts. In his remarks, he highlighted various areas where our chambers could work together, harnessing the power of collaboration to benefit our respective business communities.

During the meeting, we were honored to have the President of the St Maarten Chamber of Commerce, Ms. Peggy Ann Brandon, introduce her team of Board members and Secretariate, including the Executive Director. They chose St Kitts as the perfect location for their mid-year caucus, recognizing the close ties between our islands both geographically and in terms of business relationships.

Both chambers are incredibly excited about the possibilities closer collaboration will bring to our member businesses. We firmly believe that joining forces can unlock new opportunities, foster economic growth, and create a thriving business ecosystem for our regions.

During the meeting, it was agreed to ensure appropriate follow-through to transform these opportunities into tangible outcomes. Our commitment to action is unwavering, and we are dedicated to working together to realize the full potential of this collaboration.

Stay tuned for updates as we embark on this exciting journey of collaboration! Together, we can achieve great things for our members, communities, and islands.
