## Improving the Standards and Quality of Living of All People of St. Kitts and Nevis

### Who We Are

We are the largest umbrella organisation representing the interest of the business community in the Federation of St. Christopher and Nevis. Our membership covers manufacturing, distribution, retail, hotels, restaurants, business support services (Information Technology, Legal and Accounting Services), construction, education, entertainment and logistics.

With a membership base of 117 companies and steadily growing, we are the leading voice on policy and implementation issues affecting business and its development in the Federation, as well as a trusted partner in the international space.

### Why Choose Us

#### Deep Industry Experience

We support B2B and B2C engagements and generation of business leads amongst members, as well as businesses internationally.

#### Technical Expertise

We provide effective representation of private sector interests, at all levels of Government, inclusive of technical research, data collection and advocacy in national committees.

#### Access to opportunities

We ensure access to information on regional and international opportunities for financial grants and other financial support towards business development.

### Our Services

#### Advocacy

- Advocacy on policy and regulatory measures with an impact on the business community.
- Participation in Technical Committees, nationally and regionally, associated with trade and business development.

#### Capacity Building

- Access to customised training at discounted rates or without charge.
- Facilitate capacity building to support participation at regional and international trade fairs and missions.

#### Networking

- Quarterly membership events luncheons, meetings and consultations.
- Business to Business engagements.
- Divisional meetings and trade fairs.
- Awards and recognition of member's contribution to the community.

#### Facilities

- State of the art conference room and facilities for meetings with local and international participants.
- Rental of office space and facilities.
