April 15-18, 2021

Self-Paced Running
Awareness Event

COVID has presented issues in regards to planning this year's event, but we won't let that spoil all the fun!

LRAH 2021 happening as a self-paced awareness event!

Participants can register to run or walk on their own to help us raise funds and awareness for Mission Lexington.

While these changes will affect the way that our race day takes place, it won't affect the work that we do at Mission Lexington!
