

240v OUTLET TERMS & CONDITIONS AGREEMENT

Oxley Court provides a WiFi-controlled 240v 10A power outlet ("Outlet") for charging electric vehicles (EVs) or approved devices, subject to these terms.

1. Reservations and Payment

- Prepayment via credit card or bank transfer with matching photo ID is required. The Outlet is enabled for the reserved period upon payment.*
- No refunds for early completion or cancellations, except for Outlet failures not caused by the user (prorated refund/credit at Oxley Court's discretion).*

2. Liability

- Users are responsible for ensuring device compatibility. Oxley Court is not liable for damage, loss, or theft, except in cases of gross negligence.*
- No warranties are provided for Outlet performance or charging speed.*

3. Safety Requirements

- One device at a time; no adaptors, power boards or devices over 10A to be connected. Breaches incur a \$500 penalty and disconnection.*
- If the Outlet trips power circuit protection breakers, immediately disconnect and advise Oxley Court ; no refund will be given.*

4. Charging Parking Space

- The designated Charging Parking Space is first-come, first-served. Alternative parking may not be used.*

5. Cable Management

- Users provide their own connection cables and ensure the cable does not pose a trip hazard.*

6. Support

- Contact Oxley Court on 02 6295 6216 for assistance during business hours. Oxley Court welcomes feedback to improve EV charging services.*
