***Other  
Strengths***

High Aptitude for Numbers and Math  
Managing Using Team Concepts  
Negotiating

***Summary***

I would like to bring civility back to Horseshoe Bend City Hall. At the same time, I want to ensure the procedures necessary to protect your rights are followed, and your money is not wasted. City officials cannot be allowed to ignore statutes and ordinances, especially when it comes to spending taxpayer funds. I will be transparent. We need to be able to trust our local government again.
