

I am seeking your vote to continue helping the good residents of Ward 1. I have proudly lived and worked in Horseshoe Bend for the past 31 years and have gladly served Ward 1 off and on for the past 15 years. Growing up in Oxford, AR, I learned the value of one-on-one relationships and continue to address Ward 1 concerns this way. I listen to my constituents and seek resolutions with those best able to solve the problem.

Please vote for me, Luther Yancey, for continued stability and personal care of Ward 1. Thank you!
