

I am Travis Rains, candidate for Ward 3, Position 1. I've lived here since 1983, graduating from Izard County Consolidated in 1993. I have always worked for the people of Horseshoe Bend. I mowed yards, and waited tables at the Clubhouse. At age 16, I started working Saturdays at Market Street Pharmacy, which inspired me to become a Pharmacy Tech at Horseshoe Health and Medicine. I married my wonderful wife, Kendra, 30 years ago. We have raised all of our children right here in Horseshoe Bend, and we are all very active with sports and other activities.

I am honest and dependable with a strong work ethic, and this is what is needed for Horseshoe Bend. I will continue to work to get things done. We need our city to work together, and then the process of getting things accomplished will be easier.

Vote for Travis Rains, Ward 3 Position 1. Early voting begins on October 21 and continues through Election Day, November 5th.
