

I will represent the residents of Ward 3 as a fully independent Alderman who will listen to his constituents and will do what is right for the people. I am not a puppet and will never be a puppet. I want progress and unity for Horseshoe Bend, and will work diligently for these ideals.

I believe my experiences of being a small business owner in Texas and in Arkansas and of being a Casino Pit Boss in Mississippi will help me be the Alderman you are seeking. In both these worlds you have to understand the economic side of the business and the importance of good customer service. In the case of government, this translates to transparency and using taxpayer-provided resources wisely. I pledge to provide transparency and to use our resources wisely.

I arrived in Horseshoe Bend in 2015 from Helena, AR. Crime had been rising in Helena, and I had visited my brother in Horseshoe Bend many

times and admired the peaceful and safe atmosphere of Horseshoe Bend; so, I chose to retire to Horseshoe Bend. My sister, Sheila Turner, who is also running for Ward 2, moved to Horseshoe Bend with her late husband Johnny about the same time I did! I love living in Horseshoe Bend. I get to golf and spend time with my family and friends. I am a member of the Fraternal Order of Eagles #3431, and have served as a Trustee and help in various ways at the Eagles events, like cooking at the Eagles' golf tournament. You all may remember me in some productions of the Horseshoe Bend Little Theater too!

I am a proud dad of two beautiful daughters and five wonderful grandchildren who live in Arkansas and Mississippi.

Finally, two fun things to know about me:

1. I surveyed the boundary lines for the Buffalo National River Park, AR.
2. I lived in and owned a restaurant in Waxahachie, TX, where many movies have been filmed, to include *Places in the Heart*.

I ask for your vote this November 5. I, like you, want progress and unity for Horseshoe Bend, and pledge to provide transparency and to use our resources wisely while working diligently for these ideals.
