

Auditions for The Grassroots Shakespeare Company's 2026-2027 Educational Tour

The Grassroots Shakespeare Company is seeking talented performers for our ongoing educational tour. Our educational tour includes one-hour cuttings of eight different Shakespeare plays touring to schools, libraries, and parks throughout the state of Utah during the 2026-2027 school year. We are currently seeking to fill roles in *Romeo & Juliet*, *Twelfth Night*, and *Much Ado About Nothing*. Adult actors of all backgrounds, ethnicities, gender identities, body types, and experience levels are encouraged to audition; actors with flexible morning and daytime schedules and actors willing to accept roles and/or understudy tracks in multiple titles are preferred.

(NOTE: In accordance with our original practice mission statement, these performances require limited in-person rehearsal, but extensive personal preparation outside of rehearsal. In-person rehearsal schedules will be worked out based on show schedule and performers' availability; actors should expect no more than 10-12 hours of in-person rehearsal time per show.)
