The initial Architectural Control Committee shall be composed of the following: Ronald E Deering and Thomas A Deering.

Notwithstanding any of the above provisions to the contrary, it is intended that the initial Architectural Control Committee shall remain in office until January 1, 2005.

After this date the authority of the Architectural Control Committee shall automatically transfer to the Mirasett Homeowners Association, a non-profit corporation, for the designation of such new committee members as provided herein above by the Board of Directors of said corporation.

The Architectural Control Committee shall have the primary responsibility of interpreting and enforcing the rules and regulations of building and improvements subject to the procedures hereinafter set forth. The Architectural Control Committee shall adopt such reasonable and uniform rules of architectural control as the Board of Directors may prescribe, including, but not necessarily limited to the following:

The committee's approval or disapproval as required in these covenants shall be in writing. The Board of Directors of the Association or the Architectural Control Committee designated by it shall determine whether any given use of a platted residential lot unreasonably interferes with an abutting owner's use of his property, and such determination shall be conclusive. In the event the committee, or its designated representative, fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted, approval will automatically be granted. Approval by the Architectural Control Committee does not constitute authorization to proceed with any activities that may require conformance with Thurston County procedures and regulations.

The Association will hold the committee members harmless from any actions taken (or actions not taken) under any section of this declaration. By purchasing a lot in Mirasett, the owners agree that, to the extent permitted by law, no member of the committee shall have any liability to the owners for any actions taken or any actions not taken while acting as the Architectural Control Committee under this declaration
