

How to make a Spiderman Bookmark

1. Trace the Spiderman patterns from the appropriate colored papers and cut them out. You will need blue, white, and red papers.
2. Use glue to attach the patterns to create the mask.
3. Attach the head on the base of the body. Also, attach the blue vest pattern in the middle of the body base (the strip).
4. Attach the paper Spiderman puppet on a popsicle stick to complete the puppet craft. Add details like the eyes, mouth, spider, and netting!
