# How to make a Captain America Bookmark

1. Trace the Captain America patterns from the appropriate colored papers and cut them out. You will need white, cream, blue and red papers.

2. Grab the 4 circles and the small star of the shield and assemble them correctly. Use craft glue to attach them.
3. Grab the mask base, 'A' pattern and the 2 wing patterns to craft the mask. Use glue to attach the patterns to create the mask.

4. Attach the mask on the top side of the head pattern of Captain America pattern.
5. Attach the head on either open end of the body base. Also, attach the belt patterns in the middle of the body base (the strip).
6. Attach the paper Captain America puppet on a popsicle stick to complete the puppet craft. Add details like the eyes and mouth!
