

# T-Shirt Tug Toys

Dog toys are great. You think so. We think so. Your dog certainly thinks so. But just because they spend 90% of their day thinking about playing with toys doesn't mean you have to go out buy one! With a few spare items around the house and some elbow grease, you can make dog toys that your dog is sure to love. Just grab two t-shirts, some scissors and you can quickly fashion this T-shirt dog toy for your furry love.

## Directions:

For this project, the only things you need are two gently used t-shirts and a pair of scissors. Dogs who love rolling around in your laundry will love this toy even more.

(\*Note: If you have more than two tees handy, you can use more and make a super colorful version!)

Start by cutting little 2-3" wide slits at the base of your shirts. After you've cut your slits, just rip along the slit and your t-shirt will have the perfect strips of fabric for the next step.

Gather your t-shirt strips and tie off one end. Divide your strips into thirds and braid them together.

Once you've braided down to the other end, tie up the bottom and cut any straggling t-shirt strips.
