

How to make a Hulk Bookmark

1. Trace the Hulk patterns from the appropriate colored papers and cut them out. You will need purple, white, black and green papers.
2. Use glue to attach the patterns to create the head.
3. Attach the head on the base of the body. Also, attach the purple hulk shorts in the middle of the body base (the strip).
4. Attach the paper Hulk puppet on a popsicle stick to complete the puppet craft. Add details like the eyes, and mouth!
