

WHILTON GARDENERS' ASSOCIATION REPORT APRIL 2015

- The Association continues to thrive with an average of about 20 members attending each meeting.
- Our speakers in 2014 were:- In April, Dr Twigs Way, who gave us a very entertaining talk on the 'Digging for Victory' campaign of the second world war. In June, Mr John Lee, who talked about growing Penstemons and, in October, Mr Steve McKee, who gave us a talk on Bonsai trees.
- For our August meeting we visited the gardens at Dormer cottage and the Old Rectory before making our way up to Roughmoor where we enjoyed a buffet supper.
- In December our usual Christmas meal and social evening was attended by 24 members.
- This year we have increased our membership to 37, up from 32 last year, after recruiting several of the recent newcomers to the village.
- Our membership fee for 2015 is £15 per head.
