

Whilton Parish Council
Monthly Inspection Report – For March 2022
Risk Assessment Report

Subject	Risk Issues and Comments	Recommended Action, Responsibilities and Time Scale	Status
Signage: complete and in good condition?			OK
Are fences fit for purpose?			OK
Boardwalks : in good condition and free of trip-hazard overgrowth?			OK
Bridges over ditches and runnels in sound condition?			OK
Trees and shrubs: visually sound and stable, free of potentially dangerous overhang?		Previously reported leaning tree/bush still requires action.	
Pond Area: is this visible and sufficiently clear of vegetation so hazard is obvious			OK
Evidence of poisonous or irritant vegetation?	None seen.		
Commentary on NCC responsibilities – bridge over stream and stile, and the public footpath generally.	Public footpath very wet and muddy.		
Commentary on any risk matters for the attention of the Pre-School group.			OK
Do any trees look dangerous			OK
Any other risk or housekeeping matters for report?	Still very slippery between end of walkway and pond.		
Actions from previous inspection complete?
