CAPABILITY STATEMENT

Originated in 2019, Innovative Datta Solutions is at the forefront of driving transformation in the realm of IT. With a clear focus on delivering excellence in supply chain management, healthcare IT and government consulting, IDS is the preferred partner for organizations seeking to navigate the complexities of modern-day IT challenges. Whether it is secure AI implementation or human centered and agile methodologies, IDS also offers a variety of management services in social media, political and nonprofit consulting.

IT Modernization

Comprehensive assessments and implementation strategies to transition from legacy systems to cutting-edge technological platforms. Our team ensures that the modernization journey is smooth, efficient, and aligned with the organizational goals.

Training

Tailored training programs designed to equip teams with the necessary skills to efficiently navigate and operate modern IT systems. Our training modules are a blend of hands-on sessions, e-learning, and workshops.

Process Improvement

Streamlining operations by identifying bottlenecks, recommending solutions, and implementing best practices to increase efficiency and productivity.

Data Analytics

Leveraging advanced tools and techniques to collect, analyze, and interpret data, thus providing actionable insights to our clients for informed decision-making.

Management

Human Centered Design Manager, Lean Six Sigma Consultants, Office Manager, Project Manager, Process Improvement Consulting
