Various other servitudes are granted herein, including servitudes for access, drainage, fencing, and utilities. Finally, the Declarant reserves the right to allow the public to use all of the servitudes mentioned above.*

**5.1 Servitudes for Access and Sidewalks.** Declarant hereby grants to the Association, the Owners and their respective successors and assigns, (a) a non-exclusive predial servitude and right of use upon, over, and across the sidewalks constructed on each Lot; and (b) a non-exclusive servitude of pedestrian and vehicular access over the Private Servitudes of Passage, subject to this Declaration and the Rules and Regulations. To the extent that these non-exclusive servitudes and rights of use exist in favor of the Owners, it shall be appurtenant to each Owner's Lot and shall automatically pass with the title to the Lot. The sidewalks located on a Lot shall be maintained by the Owner of the Lot on which it is located.

Each Lot Owner shall maintain the fence on its Lot in good condition. In the event that the Declarant constructs a fence around Vintage Place Subdivision, each Lot owner must maintain, repair, and replace such fence and may not change the aesthetics or type of fence. "Good Condition" for purposes of the fence, means that the fence shall be painted or otherwise maintained in a neat appearance, and broken or rotten material shall be promptly replaced, with mildew and dirt periodically removed. In the event that an Owner fails to maintain, repair or replace the fence on his Lot in good condition, the Association shall have the right to maintain, repair and replace the fence at the Owner's cost and assess the same to the owner as an Individual Assessment.

**5.4 Additional Servitudes.** This is hereby reserved for the benefit of the Association and granted by Declarant to the Association, the Owners and their respective successors and assigns, those servitudes evidenced on the Final Plat.

## **Article 6 Declarant's Rights and Reservations**

*This Article reiterates that the Declarant is entitled to special privileges with regard to the Association during the Appointment Period and with regard to the Declaration. The Declarant is not required to pay Assessments on Lots owned by it during the Appointment Period.*

**6.1 Declarant's Rights.** Notwithstanding any other language or provision to the contrary in this Declaration, the Articles of Incorporation, By-Laws or Rules and Regulations of the Association, at any time prior to the expiration of the Appointment Period, Declarant may amend or supplement this Declaration in its sole discretion, at any time, without the approval of any Person, Owner or Mortgagee, by recording an instrument in the Records of the Office of the Clerk of Court in East Baton Rouge Parish, Louisiana. Any amendment or supplement made pursuant to this Section shall be certified by Declarant as having been duly approved by Declarant, and shall be effective only upon recordation or at such later date as shall be specified in the amendment itself. The rights and reservations of Declarant set forth in this Declaration

shall be deemed reserved in each conveyance of property by Declarant to the Association and in each deed or other instrument by which any property within the Property is conveyed by Declarant, whether or not specifically stated therein. The rights and reservations of Declarant shall be superior to any other rights or provisions of this Declaration or any Association documents and may not be modified, amended, rescinded or affected by any amendment of this Declaration, including any amendment of this Section, without the written consent of the Declarant. Declarant's written consent to any one (1) such amendment shall not be construed as consent to any other or subsequent amendment. Declarant shall have and hereby reserves the right to modify, amend and supplement the Final Plat, including but not limited to layout, design, locations, enlargement, reduction and/or removal of Lots and Common Areas.

**6.2 Declarant's Rights to Use Common Areas in Promotion and Marketing of the Property.** Declarant shall have and hereby reserves the right to use of Common Areas and of services offered by the Association in connection with the development, construction, promotion, marketing, sale, leasing and management of Lots. Without limiting the generality of the foregoing, Declarant may erect and maintain on any part of the Common Areas such signs, temporary buildings, and other structures, including sales offices and Improvements, as Declarant may deem necessary or proper in connection with the development, construction, promotion, marketing, sale, leasing and management of Lots.

**6.3 Assessment for Unsold Lots.** Notwithstanding any other provisions of this Declaration which may be to the contrary, with respect to each Lot owned by Declarant or its affiliates, for so long as Declarant or its affiliates retains title to such Lot, whether improved or unimproved, Declarant and its affiliates shall not be obligated to pay any Assessments on such Lot. To the extent that Declarant or its affiliates voluntarily decide to pay all or any portion of an Assessment on a Lot it owns, Declarant or its affiliates shall have the option, at its sole discretion, to either pay Assessments on such Lot, which shall be assessed, for Assessment purposes, at a rate equal to the Assessment rate which would otherwise be applicable to such Lot if it were owned by a non-Declarant Owner or to fund, on a non-reimbursable basis, any deficit which may exist between Assessments and the annual budget of the Association, or to fund all or any portion, on a reimbursable or loan basis, any deficit which may exist between Assessments and the annual budget of the Association. Notwithstanding the foregoing provisions of this Section 6.3, any voluntary payment by Declarant of any Assessments on Lots owned by Declarant or its affiliates shall not be deemed an obligation that Declarant pay Assessments on such Lots in the future.

## **Article 7 Assessments**

*This Article describes the procedure the Association must follow to levy Assessments and declares that if the Assessment remains unpaid, it will accrue interest at a yearly rate of 12%. It also explains the privilege granted to the Association to file a lien on the Property if the Assessment is delinquent. Only a First Mortgage will outrank this lien, and the Association is permitted to recover attorney's fees if necessary to collect the unpaid amount. Finally, the lien provides the Association with the right of foreclosure as a means to collect any delinquency.*

**7.1 Determination of Assessments.** Assessments shall commence as to each Lot, on the date Declarant conveys or transfers a Lot to any Person that is not an affiliate of Declarant and shall be due and payable in such manner and on such schedule as provided in this Declaration or as the Association may provide in its sole discretion. The Association has the specific right to levy and collect (by legal proceedings if necessary) from each Owner an Assessment in an amount it determines is necessary in order to maintain, repair and replace all Common Areas, servitudes and the improvements thereon (unless such items are donated to the public by Declarant), including but not limited to, the Private Servitudes of Access, the mail kiosk, sewer pump station, access gates, walls, fences, landscaping, and servitudes and provide all other services generally undertaken or furnished by the Association. It shall be the duty of the Board of Directors, at least thirty (30) days prior to the Association's annual meeting, to prepare a Budget covering the estimated common expenses during the coming year, such Budget to include a capital contribution or reserve account if necessary for the capital needs of the Association. The Board shall cause the Budget and the proposed total of the annual Assessments to be levied against Lots for the following year to be delivered to each Owner at least fifteen (15) days prior to such meeting. The Budget and the annual Assessments shall become effective unless disapproved at the annual meeting by either (i) Declarant during the Appointment Period, or (ii) following the Appointment Period, by a vote of the majority of the votes of the Owners who are voting in person or by proxy at such meeting (provided that it shall require a vote of at least fifty-one percent (51%) of the total membership to disapprove the Budget). Notwithstanding the foregoing, in the event the Association fails for any reason to determine the Assessments for the succeeding year, then and until such time as the Assessments shall have been determined as provided herein, the annual Assessments in effect for the then current year shall be increased by the factor provided in the Consumer Price Index (all Urban Consumers, United States City Average, All Items 1967-69 = 100), or its successor index, and such increased Assessments shall be implemented for the succeeding year, until the new Assessments shall have been approved as provided above. The approval of the Assessment shall include the right to commence legal enforcement action without separate approval. Except for the rights of the Declarant during the Appointment Period, Assessments shall be in equal amounts per Lot and shall be made in writing directed to the Owner of the Lot. In addition to using the revenue for the purpose specified herein, the Board of Directors may use the revenue for such purposes as will, in the opinion of the majority of the Board of Directors, benefit all of the Owners. Only a First Mortgage will outrank any lien for unpaid Assessments, and the Association is permitted to recover attorneys' fees if necessary to collect the unpaid amount. The amount of the initial Assessment shall be determined at the first meeting of the Board of Directors. Assessments may subsequently be increased in accordance with the By-Laws.

**7.2 Individual Assessments.** The Association may levy an Assessment against any Owner if the misconduct or negligent failure of such Owner (or the contractors, family, tenants, agents, guests, or invitees of any Owner) to comply with this Declaration, the Articles of Incorporation, By-Laws, Design Guidelines or Rules and Regulations shall have resulted in the expenditure of funds by the Association to remedy a problem or to cause such compliance. Such Assessment shall be known as an "Individual Assessment". The amount of the Individual

Assessment shall be due and payable to the Association thirty (30) days after notice to the Owner of the decision of the Association that the Individual Assessment is owing. The Association reserves the right to establish reasonable fines for failure to comply with any obligations imposed on Lot owners as described herein and such fines may be assessed as an Individual Assessment.

**7.3 Special Assessments.** The Association may levy an Assessment against each Owner for the purpose of funding major capital repairs, maintenance, and replacements of the Common Areas and the improvements thereon (including resurfacing streets or repairing any access gates) or shortfalls in the approved Budget. Such Assessment shall be known as a "Special Assessment". The amount of the Special Assessment shall be due and payable to the Association thirty (30) days after notice to the Owner of the decision of the Association that the Special Assessment is owing.

**7.4 Interest on Unpaid Assessments.** All Assessments that have been levied shall bear interest at the rate of twelve (12%) percent per annum from date due until paid and shall be subject to late charges as assessed by the Association from time to time.

**7.5 Lien to Enforce Assessments.** In the event an Owner fails to pay an Assessment on the date due, the Association may elect to file a claim of lien against the Lot of an Owner by recording a notice setting forth: (a) the amount of the claim of delinquency; (b) the late charges, interest and costs of collection (including reasonable attorneys' fees) which have accrued thereon; (c) the legal description and municipal address of the Lot against which the lien is claimed; and (d) the name of the Owner of the Lot as shown upon the records of the Association. The notice of lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall be prior to any declaration of homestead rights and any other lien, encumbrance or Mortgage encumbering the Lot; provided, however, that a previously recorded First Mortgage encumbering the Lot shall be and remain prior and superior in all respects to the lien created by the notice of lien. The lien shall secure all amounts set forth in the notice of lien, as well as all subsequently accruing amounts (including reasonable attorneys' fees). The lien shall continue until the amounts secured by it and all subsequently accruing amounts (including reasonable attorneys' fees) are fully paid or otherwise satisfied. When all amounts claimed under the notice of lien and all other costs (including reasonable attorneys' fees) and Assessments which have accrued subsequent to the filing of the notice of lien have been fully paid or satisfied, the Association shall execute and record a notice releasing the lien. Unless paid or otherwise satisfied, the lien may be foreclosed in the manner for foreclosure of mortgages in the State of Louisiana. The lien shall not be affected by any sale or transfer of the Lot, except that any such sale or transfer pursuant to a foreclosure of a previously recorded First Mortgage shall extinguish the lien, but it shall not relieve the purchaser or the transferee of the Lot from liability for, or the Lot from the lien of, any Assessments, late charges, interest and costs of collection (including reasonable attorneys' fees) made thereafter. Any delinquent Assessments and costs of collection (including reasonable attorneys' fees) which are extinguished by the foregoing provision may be reallocated by the Association and assessed to all Lots as a common expense.

Each Assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment became due (and if the Lot is co-owned the obligation shall be an in solido obligation for all Owners). The act of acquiring a Lot against which such a privilege and lien shall have been recorded shall constitute an assumption by the person so acquiring the Lot of the indebtedness represented thereby and shall become the personal contractual obligation of such person, and subject him to a personal action thereon, in solido, with the former delinquent Owner.

## **Article 8 General Restrictions Applicable to Property**

*This Article details the specific use restrictions and design guidelines applicable to all Lots in Vintage Place Subdivision. It also describes the procedures by which the Architectural Review Board performs its functions.*

**8.1 Restrictions on Use.** The following restrictions on use shall apply equally to the Property and each Lot:

**8.1.1 Residential Use Only.** Lots shall be used for single family residential purposes only. No part of any Lot shall be used for commercial uses, live/ work units, apartment houses, group homes, offices, for the conduct in the home of occupations such as medical, real estate or other offices or shops of any kind. No school, church, assembly hall or group home of any kind (including without limitation any "community home" as defined in La R.S. 28:477) shall be built or permitted to be built on any Lot nor shall any Lot or existing structure be permitted to be used as such.

**8.1.2 No Temporary Structures.** No trailer, basement, shack, garage, barn or other out-building shall at any time be used as a residence, temporarily or permanently. Temporary structures are permitted only in connection with the construction of Improvements on the Property and must be removed within one hundred twenty (120) days from being placed on the Property. Improvements may not be occupied until completed in accordance with approved plans and specifications.

**8.1.3 Free of Debris.** No Lot shall be used or maintained as dumping ground for rubbish, trash, garbage or other waste. All incinerators or other equipment for storage or disposal of such material shall be kept in clean and sanitary condition. Upon completion of the Improvements, all debris shall be removed from the Lot immediately. Garden compost may be kept in quantities required by one (1) household only, provided it is not visible from the street and is kept free of noxious odors and insects. No building materials may be kept on site except in connection with the construction of Improvements approved by the Review Board. Each Owner of a Lot shall provide an area visually screened from the street for the storage of garbage cans, wood piles, materials and supplies, and/or any equipment which is stored outside. Items will be considered screened only if they are not visible from the street or adjacent properties.

**8.2 Solar Panels and Skylights.** No Owner shall install outside any Improvements on a Lot any solar panels or solar collectors of any kind, without the prior written permission of the Review Board. To the extent permitted, solar panels and solar collectors shall be placed within the rear yard or attached to the rear roof of Improvements on a Lot and shielded from view unless another location is approved in writing by the Review Board. To the extent that another location is permitted by the Review Board, the location shall be an inconspicuous location on a Lot that minimizes the view of such panels or collectors from the Private Servitudes of Passage. The Review Board may adopt reasonable rules for the location, appearance, camouflaging, installation, maintenance, and use of such panels or collectors to the extent permitted by law. Skylights shall not be located on the front elevation of any Improvements on a Lot. Only flat skylights are allowed. No bubble skylights will be permitted.

**8.3 Electrical and Sound Equipment.** No Owner shall install outside any Improvements on a Lot any radio, television, antenna, or other electrical equipment, fixtures or items of any kind, without the prior written permission of the Review Board. Notwithstanding the foregoing, in order to comply with the Telecommunications Act promulgated by the FCC, nothing herein shall be construed to prohibit or impair the installation, maintenance or use of the following:

- a. antennas that (i) are one meter or less in diameter, and (ii) are designed to receive direct broadcast satellite service, including direct-to-home satellite service, or to receive or transmit fixed wireless signals via satellite;
- b. antennas that (i) are one meter or less in diameter or diagonal measurement, and (ii) are designed to receive video programming services via broadband radio service (wireless cable) or to receive or transmit fixed wireless signals other than via satellite;
- c. antennas that are used to receive local television broadcast signals; or
- d. a mast supporting any of the antennas described in sections (a), (b) or (c) above;

provided, however, that such items shall only be allowed to be placed within the rear yard or

attached to the rear roof of Improvements on a Lot and shielded from view unless another location is approved in writing by the Review Board. To the extent that the rear yard location unreasonably prevents reception or imposes unreasonable expenses upon the Lot Owner when compared to another location, the Review Board shall approve another location such as a side yard but may designate a side yard location that may not be viewed from the street in front of the Lot. If the side yard also unreasonably prevents reception or imposes unreasonable expenses the front yard shall be approved but the Review Board shall have the right to designate an inconspicuous location in the front yard of a Lot that minimizes the view of such device from the Private Servitudes of Passage. The Review Board may adopt reasonable rules for the location, appearance, camouflaging, installation, maintenance, and use of such devices to the extent permitted by law.

All radio, television antenna or other electrical equipment of any kind or nature installed or used in or outside each Improvements on a Lot shall fully comply with all rules, regulations, requirements or recommendations of the public authorities having jurisdiction, and the Owner alone shall be liable for any damage or injury caused by any radio, television or other electrical equipment installed in or outside such Improvements. Satellite reception devices other than those described above are prohibited, except as the Review Board may approve.

**8.4 Combination of Lots.** Subject to the prior approval of the Review Board, nothing in this Declaration shall prohibit an Owner of any two adjoining Lots having frontage on the same street from erecting an Improvement on the two Lots, which, with the exception of Assessments and voting rights, shall be considered, for the purpose of this Declaration, as one Lot. However, the Improvements must be on a scale comparable to other houses in the subdivision. The adjacent Property is to be used for a yard or accessory buildings.

**8.5 No Resubdivision.** No Lot or Lots shall be sold except with the description as shown on the Final Plat. No Lot may be subdivided or re-platted without the written consent of the Declarant and the Review Board.

**8.6 Outside Lighting, Etc.** Outside lighting, outside music or sound producing devices, and any other mechanical devices shall be subject to the approval of the Review Board, and any standard adopted respecting any restrictions in this regard shall be final. Lighting shall be shielded and contained completely on the Lot. Any permitted music devices shall be kept at a reasonable level that cannot be heard from an adjoining Lot.

**8.7 No Signs.** No signs of any kind, except standard real estate signs, seasonal decorations or signs required by law to be posted, shall be displayed to the public view on or from any Lot without the prior consent of the Review Board. For those signs permitted herein, the maximum size shall be twenty inches (20") by thirty inches (30") and shall not exceed a total of one sign per Lot.

**8.8 No Noxious Activity.** No noxious or offensive activity shall be carried on, nor shall anything be done which may be or become an annoyance or nuisance to the other Owners of Lots. No offensive or unlawful use, including but not limited to excessive on-street parking,

shall be made of any Lot, the Common Area, nor any part thereof. All valid laws, zoning ordinances and regulations of all governmental bodies having applicable jurisdiction thereof shall be observed. The responsibility of meeting requirements of governmental bodies which require maintenance or modification, are enforceable in the same way as the responsibility for the maintenance and repair of the Lot concerned.

**8.9 Common Areas.** Nothing shall be altered, or constructed in, or removed from, the Common Areas as shown on the Final Plat, except upon the written consent of the Review Board. There shall be no storage or obstructions placed or parking on any Common Area without the prior written consent of the Review Board. Lot Owners shall not be permitted to alter any fence constructed or maintained by the Association. No objects may be placed in a manner that interferes with the appearance, use or maintenance of these fences.

**8.10 Responsibility for Lots and Mowing.** Each Owner shall be responsible for the maintenance of all landscaping on his Lot, and for maintaining his Lot, Improvements, sidewalks and driveway in a clean and orderly fashion at all times, and the Owner shall be responsible for paying all costs of said maintenance and for any such repairs which may be necessary. Owners shall keep their Lot(s) mowed at all times and free from rubbish, trash, debris and noxious weeds, in default of which the Board of Directors may cause such work to be performed and may demand and sue for reimbursement for such costs and reasonable attorneys' fees. The Association maintains the right to assess a monetary fine against any Lot Owner who violates this provision in an amount determined by the Board of Directors. Any amounts incurred by the Association shall be considered an Assessment and enforced in accordance with Article 7.

**8.11 Pets.** Only customary domestic household animals are permitted (such as dogs, cats and fish), and shall not be of such kind or disposition, or kept in such numbers as to cause a nuisance or danger. Animals shall not roam freely, but must be leashed. No pets, animals or fowl may be kept or maintained for commercial purposes or for breeding, and animals such as chickens, rabbits, fowl, goats, pigs, snakes and reptiles are specifically prohibited (and shall not be deemed customary domestic household animals). No pet shall be allowed to leave its excrement on any Lot or a Common Area. Pets shall not be permitted upon any Lot or Common Area unless accompanied by an adult and unless carried or leashed. Any Owner who keeps or maintains any pet shall be deemed to have indemnified and agreed to hold the Association and other Owners free and harmless from any loss, claim or liability of any kind or character arising by reason of keeping or maintaining such pet on the Property. The Association may designate specific pet areas in the Rules and Regulations and Owners shall be responsible for cleaning up after their pet. Any animal or pet that creates a nuisance, disturbance, danger or noise may be permanently removed and prohibited from the Common Areas and any Lot. All pets shall be subject to the Rules and Regulations. All pets shall be registered and inoculated as required by law. The Association may establish fines and charges for violation of this Declaration and the Rules and Regulations, which shall be an Individual Assessment. The Association reserves the right to remove any pets or animals, or to require any Owner, tenant or occupant to remove pets or animals, which violate this Declaration or the Rules and Regulations. Notwithstanding the foregoing, it is expressly declared that the Rules and Regulations relative to pets and animals may regulate the number and size of pets, prohibit the keeping of animals other than customary

domestic household pets, designate specific areas within the Common Areas where pets may be walked, prohibit pets on other areas, and restrict the rights of tenants to keep pets.

**8.12 Fences.** Each Lot Owner shall construct, repair, replace and maintain a fence along the perimeter of its Lot in good condition. "Good Condition" for purposes of the fence, means that the fence shall be painted or otherwise maintained in a neat appearance, and broken or rotten material shall be promptly replaced, with mildew and dirt periodically removed. In the event that an Owner fails to maintain, repair or replace the fence on his Lot in good condition, the Association shall have the right to maintain, repair and replace the fence at the Owner's cost and assess the same to the owner as an Individual Assessment. All fence, gate and wall locations and details must be submitted to the Review Board for approval prior to construction, including locations and details pursuant to the fencing and wall requirements. Height variances for privacy may be considered by the Review Board. Only one (1) fence shall be utilized to separate Lots and such fence shall be placed on the boundary line of such Lots.

**8.13 Architectural Review Board.** There is hereby created Vintage Place Architectural Review Board ("**Review Board**") to be composed of up to three individuals appointed by the Board following the Appointment Period. During the Appointment Period, the Review Board shall be appointed and removed by the Declarant at any time in its sole discretion. Except during the Appointment Period, two of the three members of the Review Board shall be Owners. The members of the Review Board shall serve for three year terms, unless removed (which may occur at any time) by the Board of Directors prior to expiration of the term and shall serve without pay or any other compensation. The first members of the Review Board are:

- a) P. Scott Bardwell
- b) John B. Noland, Jr.
- c) Jon Demma

The Review Board may engage the services of architects and engineers to help in its review of design plans.

**8.14 Prior Plan Approval.** All plans for the construction or physical alteration of any Improvements to or on a Lot shall be submitted to the Review Board in advance according to the following procedures:

**8.14.1 Specific Plan Requirements.** No Improvements shall be commenced, erected or maintained, nor shall any addition, change or alteration of any kind thereto be made, on any Lot, until: (a) plans and specifications prepared or stamped by an approved architect licensed under the laws of Louisiana, showing the nature, kind, shape, height, materials, floor plans, elevations, exterior color schemes, locations, garage door and garage specifications, and the grading plan of the Lot and plans for landscaping of the Lot on which the Improvements are to be erected and all other requirements of the Design Guidelines shall have been submitted to and approved in writing by a majority vote of the

Review Board and a copy thereof as finally approved lodged permanently with the Review Board; and (b) the name and license number of any proposed builder is submitted in writing by the Owner to the Review Board and approved. The requirement that the plans be prepared by an architect licensed under the laws of the state of Louisiana may be waived by the Review Board in its sole discretion, provided the Improvement that is designed is approved by the Review Board. Additionally, the Review Board must be given seven (7) days written notice prior to the pouring of any slab on any Lot.

**8.14.2 Scope of Review.** Plans and specifications are required to be submitted to the Review Board for approval in two phases: (i) preliminary review and (ii) final review. At the time of submission for preliminary review, the Owner (excluding Declarant and its affiliates) shall submit a nonrefundable review fee as described in 8.13.7. The Review Board shall review the plans to ascertain that the Improvements will strictly comply with the Design Guidelines and all of the restrictions set forth in this Declaration and conform to the character of the neighborhood. In order to assure that location and size of Improvements will be harmonious, that the maximum amount of view will be available to each house, that the structures will be located with regard to the topography of each individual Lot, taking into consideration the location of the other Improvements, common facilities and similar considerations, the Review Board shall have the absolute and sole right to control and decide the precise site, location, and orientation of any Improvement or other structure upon all Lots; provided, however, that such location shall be determined only after reasonable opportunity is afforded the Owner of the Lot to recommend a specific size and site. The criteria for approval by the Review Board is intended to be subjective and not objective and all criteria for approval or disapproval for proposed plans cannot be determined in advance of presentment. Each Owner hereby agrees to such subjective criteria for approval by the Review Board.

**8.14.3 Standards for Review.** The Review Board shall have the right to approve or disapprove any plans and specifications submitted to it in its sole and uncontrolled discretion, which approval or disapproval may be based upon any grounds, including purely aesthetic considerations which shall be deemed sufficient. The Review Board may in its discretion approve or disapprove any proposed matter for any reason set forth in these covenants.

**8.14.4 Finality of Decision.** The decisions of the Review Board shall be in its sole discretion and shall be final, binding and nonappealable.

**8.14.5 Variances.** The Review Board, at its discretion, has the right to approve any waivers or deviations from the restrictions contained in this Declaration that it deems are appropriate. Further, written approval of the Review Board must be obtained by an Owner for any waiver of the governmental ordinances the Owner seeks to obtain; any waiver granted by a governmental authority without the prior written approval of the Review Board must nevertheless receive Review Board approval. The Review Board shall have the right to enforce its rights contained herein by a suit for injunctive relief or by bringing other legal actions against an Owner to enforce these restrictions.

**8.14.6 Review Fee.** The Review Board shall establish a fee sufficient to cover the expense of reviewing plans and related data and to compensate any consulting architects, landscape architects, urban designers, inspectors, or attorneys retained in accordance with the terms hereof. The fee initially established for such review shall be Two Hundred Fifty and No/100 Dollars (\$250.00) and the Review Board shall have the right to increase this amount from time to time, and shall have the right to increase the fee should revised plans fail to incorporate comments of the Review Board. The fee shall be due at the time of submission for preliminary review. For subsequent Improvements, changes or alterations of any kind made on the Lot, the amount of the review fee shall be determined by the Review Board. Notwithstanding the foregoing, Declarant and its affiliates shall be exempt from any fees levied under this Section 8.14.6.

**8.14.7 Construction Deposit.** Upon submission to the Review Board of the construction plans for approval, the Owner shall make (or the Owner shall cause his builder to make) a One Thousand and No/100 Dollars (\$1,000.00) construction deposit payable to the Association ("**Construction Deposit**"). The purpose of the Construction Deposit is to insure a clean job site, compliance with the covenants, conditions and restrictions contained in this Declaration, overall community appearance and that the structure to be constructed is built according to the approved plans. Any violation or damage may be corrected by the Review Board or the Association and the cost of the same shall be charged to the Owner. Said amount will be deducted from the Construction Deposit until said deposit is exhausted, at which time the Owner will be billed for any additional expense. The Association shall have the right to impose an Individual Assessment against the Lot for such costs, and may file a lien to enforce payment of any amount billed but not collected within thirty (30) days after the date of such bill in the same manner used for collecting Assessments. If no violations or damages occur, the Construction Deposit will be refunded to the original submitter of the deposit in full after satisfactory completion of construction of Improvements on the Lot in accordance with the approved plans and completion of landscaping as set forth in this Declaration. To the extent any of the Construction Deposit was spent for correction of any violations or damage, any balance will be refunded to the Owner after the satisfactory completion of the Improvements and landscaping. Notwithstanding the foregoing, Declarant and its affiliates shall not be required to submit a Construction Deposit under this Section 8.14.7.

**8.14.8 Indemnification.** Each member of the Review Board shall be indemnified by the Owners of Lots and the Association against all liabilities and expenses, including attorneys fees reasonably incurred or imposed on him in connection with any proceeding to which he may be a party or in which he may become involved by reason of his being or having been a member of the Review Board at the time such expenses are incurred, unless the member of the Review Board is adjudged guilty of willful in the performance of his duties. The above described right of indemnification shall not be exclusive of all other rights to which such member of the Review Board may be entitled but shall be in addition to such other rights.

**8.14.9 Foundations and Improvements.** Foundations and Improvements shall be designed by the builder, designer or architect of each Lot. The Review Board's approval of construction plans for a Lot is limited to those matters covered in this Declaration and not structural design or engineering, for which the Review Board takes no responsibility.

**8.15 Drainage.** The Owner of a Lot is responsible for providing for "positive" storm water drainage in the direction indicated in the drainage plan for Vintage Place Subdivision on file with the Department of Public Works of East Baton Rouge Parish. Drainage may be surface and/or subsurface. An Owner shall not impede or modify the natural drainage flow of any Lot in any manner that will adversely affect other Owners. No Owner shall add fill to a Lot so as to adversely affect the drainage of any adjoining Lot or as to increase the cost of installing foundation footings on any adjacent Lot. The Review Board or any other Owner shall have the right to bring legal action to enforce this restriction.

**8.16 Completion of Improvements.** The exterior construction of Improvements started on a Lot shall be diligently pursued to a completion date twelve (12) months following the pouring of the foundation for that building, with the possibility for an extension for good reason, upon approval by the Review Board, but in no event shall the extension be for any amount of time longer than that permitted by the building code. Each Lot shall have minimum standards of landscaping, in accordance with the approved landscaping plan, completed within thirty (30) days of the earlier of: (a) substantial completion of Improvements on the Lot; or (b) the issuance of a certificate of occupancy. If such Improvements and landscaping are not completed within the time period specified in this section, then the Association shall remove the debris from the Lot and restore the landscaping to its original condition. Each Lot Owner grants the Association the unqualified right to enter upon the Lot to complete such landscaping. The Association shall have the right to assess the Owner for all costs of restoration, as well as the right to assess an administrative fee in an amount equal to the restoration costs.

**8.17 Landscaping.** Immediately upon substantial completion of the Improvements on a Lot, required trees and shrubs must be planted on the Lot and the Lot must be sodded with grass and landscaping for the front yard (including required screening) must be installed. Each Owner's landscape plan shall include minimums as set forth in the Design Guidelines. Each Owner who violates this restriction, knowingly or unknowingly, agrees to pay the Association the sum of Fifty and NO/100 Dollars (\$50.00), as liquidated damages, for each day the required sodding, planted trees, planted shrubs and landscaping remains uncompleted after notice from the Association to the Owner. The obligation to pay such a fine shall be considered an Assessment and enforced in accordance with Article 7. Any plants that die shall be promptly replaced.

**8.18 No Mailboxes.** Mailboxes shall not be permitted on any Lots. All Lot Owners shall use the group mail kiosk located in the Common Area instead of placing an individual mailbox on their Lot.

**8.19 Building Setbacks.** Unless otherwise approved in advance by the Review Board (and provided that the placement on a Lot does not violate any zoning or subdivision ordinances

or regulations), no Dwelling Unit, Improvement, or part thereof, of any kind shall be located within the setbacks shown on the Final Plat.

**8.20 Equipment Enclosure.** An enclosure for air conditioning compressors, utility box meters, pool equipment and garbage cans shall be included in the design of each home.

**8.21 Basketball Goals.** Any Owner desiring to install a basketball goal must obtain Review Board approval of the location and placement of the same prior to installation.

**8.22 Trash Cans.** Household trash containers may not be placed in front of any Lot before 3:00 P.M. on the day before trash pick-up and all trash containers shall be removed from the front of the Lot by 6:00 P.M. on trash pick-up day. In the event that an Owner fails to comply with these requirements, the Association shall have the right to fine the Owner and such fines may be assessed as an Individual Assessment. Trash cans shall be stored in the enclosure described in Section 8.20.
