700Credit

CREDIT | COMPLIANCE | SOFT-PULLS

Protect your store with the industry's most advanced data capture and driver's license authentication solution for automotive retailers today.

ID Drive from 700Credit & **eLend Solutions** provides dealers with the most comprehensive driver's license scanning solution for automotive dealers today.

This platform combines our prescreen & prequalification platforms, and our suite of Identity Verification tools including Red Flag & Synthetic Fraud detection – giving you access to valuable credit data and protecting you from sophisticated types of fraud at the top of the sales funnel.

ID DRIVE

Introducing ID DRIVE:

✓ Identification solution that authenticates driver license documents forensically

✓ Protects from identity fraud and data entry errors

✓ Saves time at the dealership by tying the customer, sales agent, and purchase vehicle together and sending lead info to the CRM

✓ Extracts and stores driver license documents and data for 7-years
