

Sign Up and Sell, **Line\5** will handle the rest!

Line 5 provides financing for every F&I product your dealership currently sells. Whether your dealership sells cars, trucks, RVs, boats or motorcycles – Line 5 has you covered. With guaranteed approvals and only a 10% down payment is required, your customers get the coverage they want at a payment they can afford.

Line 5 offers every customer, regardless of credit rating, an opportunity to purchase vehicle coverage from you. Line 5 offers budget-friendly terms, so more customers say "yes". With Line 5, you don't have to worry about conditional approvals anymore and we are a great solution for more product sales on cash deals.

Multiple protection plans are easier to sell with Line 5. There are no limits on the loan amount and Line 5 handles everything from start to finish. Plus, our user-friendly payment calculator not only makes the sales process quick and easy but also enables you to track the sales cycle every step of the way. You will close more deals and make more money.

You will close more deals and make more money.
