

**PRODUCT LINE ADDENDUM
To Originator Agreement**

THIS PRODUCT LINE ADDENDUM (“Addendum”) is made a part of the Originator Agreement between Wise F&I LLC (“Provider”) and _____ (“Originator”) (hereinafter the “Originator Agreement”), and is entered into by and between Provider and Originator.

By execution of this Addendum, Provider and Originator each agree to be bound by all of the terms and conditions of the Originator Agreement, and Originator expressly acknowledges its independent contractor relationship with Provider as described in the Originator Agreement.

Unless otherwise defined herein, the terms contained in this Addendum have the same meaning as those defined in the Originator Agreement. In the event of any conflict between the provisions of this Addendum and those of the Originator Agreement, the provisions of this Addendum shall control.

Provider hereby authorizes Originator to market the Program described below in this Addendum, on behalf of Provider, to prospective Customers in accordance with the Originator Agreement, this Addendum and the applicable Contract(s).

Originator expressly agrees that this Addendum may be unilaterally amended and/or replaced by Provider at its sole discretion, and such amended or replacement addendum shall be effective thirty (30) days from the date issued unless otherwise indicated.
