Mode**

## What's New with Encore 2

### Simplified Activation

Simplified, 2-step process & new locking cap makes activation quick and easy.

### Enhanced Performance

Battery & device performance enhancements give your Encore even longer life.

### Stealth Appearance

Encore 2 is free of markings and logos, for a less noticeable & more discrete appearance.

### Sustainably Manufactured

Manufactured exclusively in Taiwan, Encore 2 fulfills PassTime's support of countries advocating freedom.
