

ESSENTIAL ENHANCED

SERVICE CONTRACT

OVERVIEW

- Protection designed for used & high mileage vehicles
- Powertrain up to exclusionary coverage
- Terms limited by time and miles
- Aggregate limit of liability is NADA Retail Value at time of claim for all coverage levels

COVERAGE & TERM

POWERTRAIN Stated component coverage for the engine, transmission and drive assembly component groups. Seals and gaskets are covered only in conjunction with covered repair (unless surcharge is selected).

SELECT Includes component groups covered in Powertrain plus power steering, electrical, and air conditioning component groups. Seals and gaskets are covered only in conjunction with covered repair (unless surcharge is selected).

SELECT PLUS Includes component groups covered in Select, plus seals & gaskets, electrical II, brake system, suspension, and cooling system component groups. Stand-alone seals and gasket coverage is included in this coverage level.

SUPREME Exclusionary coverage for all component groups including seals and gaskets. Covers all items of the vehicle except those specifically excluded from coverage.

TERMS

3 months, 3,000 miles up to 60 months, 75,000 miles. See rate card for full details on available terms.

ELIGIBILITY

STATED MILE COVERAGE (term mileage follows vehicle odometer): Current plus 5 model years with less than 50,000 miles at time of sale. Term begins on agreement purchase date.

ADD-ON MILE COVERAGE (term mileage adds on to vehicle's current odometer reading): Current plus 15 model years old with less than 150,000 miles at time of sale. Term begins on agreement purchase date. Any year, any mileage term options available for 12 months and under terms.

LIMIT OF LIABILITY

The aggregate limit of liability is the NADA retail value of the vehicle at the time of breakdown (excluding roadside assistance benefits)

DEDUCTIBLE OPTIONS

\$50, \$100 (standard), \$200 All deductible options reduce by \$50 when the customer returns to the selling dealer/dealer group.

ADDITIONAL BENEFITS

SUBSTITUTE TRANSPORTATION \$40 per day, for every 8 labor hours, plus 2 days parts delay, if needed. \$320 max benefit per repair.

ROADSIDE ASSISTANCE Up front benefit, up to \$100 per occurrence, per benefit: Towing and Wrecker, Flat Tire Change (agreement holder must provide usable spare), Emergency Fuel Delivery (cost of fuel excluded), Battery Jump, Key Lockout (cost of replacement key not included).
