**A web-based prequalification solution to drive qualified sales leads from your website to your showroom.**

Our platform delivers the data & analytics you need - from applicant's **full credit file & FICO score**, to analytics from specific banner placement on your website to maximize lead generation.

With the consumers' credit information, you will **shorten your sales cycle** and improve closing ratios by putting your customer in the right car and finance product right from the start.

Respond immediately to new leads with our **QuickMobile** app which provides new lead alerts, shows customers credit scores and equity position, offers one button texting, and much more!

When a consumer is browsing inventory on your website, our QuickQualify lead form drives **higher engagement** and empowers the dealership to quickly determine their eligibility for financing. The lead form is simple and **does not require SSN or DOB** and will not impact the customer's credit score. QuickQualify makes it easy to offer the right financing to the right customer so you can close deals faster.
