Hello! My name is Max and I am eleven years old. My favorite activity is to ski. I like doing this activity because it's fun and I love spending time outdoors. I do ski with my parents and with my best friend Tom. I ski on weekends during winter. I ski at Val Neigette Ski Resort. I live in Sainte-Blandine and it's very close to this ski resort. When I ski, I feel really cool, relaxed and happy.
