Education

AUG 2020 - Present

Eastern Michigan University, Ypsilanti, MI

- BA in Entertainment Design & Technology, expected graduation date April 2025.
 - Minor in Arts & Entertainment Management
-

Experience

AUG 2017 - JAN 2021

Carol Roeda, Ann Arbor, MI - Sales Associate

- Location was a High-end gift store in Ann Arbor which my mother managed.
- I picked up shifts from 2017 to 2019, and during the first COVID-19 lockdowns I helped to fulfill online orders, and helped set up the store's new Point-of-Sale system, which gave me plenty of experience working with the POS.

JUL 2022 - AUG 2023

El Arbol Taqueria, Brighton, MI - Kitchen Line Cook

- Building food items including specific recipes, and learning new ones biweekly for specials
- Expediting tickets and managing other cook's tasks to stay organized during busy dinner services, focusing on fast ticket times, as well as quality controlling the taste and presentation of dishes
- Closing the kitchen: including but not limited to: storing and dating perishable food, cleaning and maintaining cooking appliances, cleaning floors, tables, and walls.

SEP 2022 - Present

Eastern Michigan University Theatre, Ypsilanti, MI

- Scenic Shop Technician - Worked among other technicians in set building and stage crafting, as well as managing the Scene Shop space. Daily tasks include using power tools, heavy lifting, and precisely following plans given by directors and designers.
 - Lighting Designer (*Alice by Heart*) - responsible for the design and execution of lighting and special effects for this musical production. Includes directing and educating a crew, and thorough communication with other areas of design and artistry.
-
