

The Women's Empowerment Scholarship Application

2026-2027 School Year

The Women's Empowerment Scholarship was created in 2018 to help power the movement of female leaders by inspiring and enabling women to pursue higher education. Special attention will be given to those who are pursuing careers in traditionally male-dominated fields. Overall, scholarship recipients will be those who have proven a commitment to academics, community service and extracurricular activities. Any grant from The Women's Empowerment Scholarship will be awarded with the intention of defraying a portion of the costs associated with education. Our review committee selects applicants in an anonymous review process.
