

Tactical Tails Service Dog Boot Camp

Training for Life-Changing Service Dogs

Duration: 6-12 Weeks (Depending on Training Level)

Goal: Train highly skilled service dogs to assist veterans, first responders, and individuals with disabilities.

Phase 1: Evaluation & Foundation (Week 1-2)

✓ Dog Selection & Assessment

- Temperament testing
- Health check & vet evaluation
- Handler matching (if applicable)

✓ Basic Obedience Training

- Sit, stay, down, come, leave it.
- Loose-leash walking
- Crate training & house manners

✓ Socialization

- Exposure to different environments (parks, stores, public spaces)
- Interaction with people and other animals

Phase 2: Advanced Obedience & Public Access Training (Week 3-6)

✓ Public Behavior Skills

- Ignoring distractions (noise, crowds, food)
- Proper behavior in restaurants, stores, and transportation
- Settling calmly in public spaces

✓ Task-Specific Training *(Based on Needs)*

- Mobility Assistance (bracing, retrieving, opening doors)

- PTSD & Anxiety Response (pressure therapy, nightmare interruption)
- Medical Alert (diabetes, seizures, heart conditions)

✓ **Handler Training**

- Educating handlers on commands and reinforcement
- Building a strong bond & trust

Phase 3: Real-World Application & Certification (Week 7-12)

✓ **Simulated Real-Life Scenarios**

- Emergency response training
- Handling stressful environments (airports, hospitals, busy streets)

✓ **Final Testing & Public Access Certification**

- Obedience & task proficiency evaluation
- Public access test compliance (ADA standards)

✓ **Graduation & Deployment**

- Final handler-dog pairing session
- Graduation ceremony & certification
