Panther's camp is open to everyone, but we are a competitive volleyball program which competes during the fall season open to home schooled girls. We play several volleyball matches & tournaments. Practices start early August, and Nationals are early November. At camp, you will have three fun days learning and growing volleyball skills. Interested players will be evaluated for placement on one of our teams. There is a place for every athlete, including a practice team which is continual skill development without the commitment. Being on a team requires a commitment of 2 to 3 evenings per week and some overnight, out of town tournaments. For more information, email the Panthers at: StLPanthersvolleyball@gmail.com
