Dear Friend,

As this Moose year draws to a close, I find myself reflecting on the paths we take, the choices we carry, and the moments we leave behind.

I have therefore decided to welcome the new year in a place that matters to me deeply:

Blackwell Manor, on my private island.

I would be honored if you would join me there to mark the passing of the year together.

As we raise our glasses to the year ahead, I intend to speak openly, not dwell on the past, but to ensure it no longer follows us into what comes next.

Consider this an opportunity to leave behind old shadows, and to begin the new year unburdened.

I look forward to sharing this moment with you.

Victor Blackwell
