

I wonder what is written in the scroll?

Dear child,
You must bring back this box to me, the king. But you must make sure this box is NOT opened. For if it is there will be consequences.
Signed by, The King.

The king wants me to bring this?!

I have to do this!

You could get so much stuff from it.. maybe gold, or a fortune of money!

Uhh, I don't think I should do that

Bye for now! I have to hurry

Everyone's being weird..

huhu

Hey, are you headed to the palace right now?

Yes, why do you ask?

Because my wand can give you anything you want...only if you open the box in your bag.

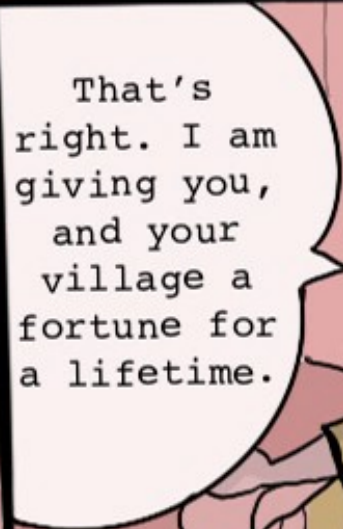

I know you could do it, child. Congrats, your patience has earned you a great reward!

Re-reward?!

That's right. I am giving you, and your village a fortune for a lifetime.

THANK

you!!
