

## Physician Oversight Agreement

### Principal Illness Navigation (PIN) Services

**CANCER CARE CONCIERGE NPI (Organization): 1093686404**

**PATIENT NAME** \_\_\_\_\_

This agreement affirms that, while you remain the treating provider responsible for your patient's care, **Cancer Care Concierge (CCC)** may provide Medicare-covered **Principal Illness Navigation (PIN) services** under your **general oversight of the patient's care**, as defined by CMS (HCPSC codes G0023, G0024).

#### Key Points

- **Supervision extends to the patient's care:** You remain the treating provider. Your general oversight applies to your patient, not to CCC staff.
- **No added responsibilities:** You do not need to check in with CCC navigators; your role stays patient-focused.
- **Billing:** PIN services are billed under your NPI in conjunction with CCC's organizational NPI.
- **Compliance:** CCC ensures navigators are trained and documentation meets CMS requirements.
- **Flexibility:** You may end this agreement at any time with written notice.
