Offers A Full Line Of Bearing, Power Transmission And Linear Motion Products.

- Abrasives
- Absorbents
- Actuators
- Adhesives
- Bearings, All Types Of Ball & Roller
- Belts, All Types
- Conveyor Belting / Lacing
- Clutches & Brakes
- Chain, Roller & Conveyor
- Conveyor Components
- Couplings
- Custom Machined Parts
- Filtration Bags
- Framing Products
- Gearboxes & Speed Reducers
- Gearbox Repair
- Hoses & Fittings
- Hydraulic, Pneumatic and Rotary Cylinders & Valves
- Idlers & Tensioners
- Linear Motion Products
- Lubricants
- Motor Controls, Inverters & Components
- Motors
- Motor & Pump Repairs
- Paints
- PC Board Repairs
- Safety Supplies
- Shafting
- Sorbent Products
- Sprockets
- Super Sack
- Troughing Idlers

A Manufacturer And Supplier Of Standard And Special Casters, Wheels And Leveling Devices. At Northeast, We Fabricate And Stock A Complete Inventory Of Caster Components, Which Allows Us To Build Or Modify A Caster To Meet Your Requirements Quickly And Cost Effectively.

- Industrial
- Institutional
- Kingpinless
- Medical
- Pneumatic
- Stainless Steel

Supplies All Types Of Material Handling Equipment And Parts.

- Bucket Elevators
- Compressors
- Custom Carts
- Dock Equipment
- Hoists & Cranes
- Hoses & Fittings
- In-Plant Offices
- Lift Tables
- Lockers & Cabinets
- Packaging Equipment
- Palletizers, Stand-Alone & Robotic
- Pallet Jacks
- Pressure Washers
- Racking & Storage Equipment
- Scales
- Screw Conveyors
- Shrink Wrappers
- Stretch Wrappers

Northeast Material Handling Carries Over 200,000 Interchangeable Parts For All Makes Of Lift Trucks And Sweepers.

Check Out Our 300+ Page Material Handling Catalog.

Specializing In Packaging Lines, Material Handling Equipment And Custom Equipment Controls

Equipment Control and Integration

- Control Panels
 - Built to your design and specifications
 - Designed and built to suit you requirements
 - Fully documented; layout drawings, schematics and operating instructions
- Update Existing Equipment Controls
 - Convert relay logic to PLC
 - Improve reliability and flexibility
 - Replace obsolete PLC's with modern PLC's
 - Add Touch Screen Interface
 - Create operator friendly controls
 - Improve equipment control, monitoring and messaging
 - Display production information
 - Install Variable Frequency Drives
 - Incorporate speed control to improve product flow

AB PLC Programming Services

- ControlLogix, CompactLogix, SLC and MicroLogix
 - Develop new programs
 - Modify existing programs to suit your needs
 - Incorporate data collection
 - Add Energy Savings, automatically stop equipment when not in use

Equipment Installation

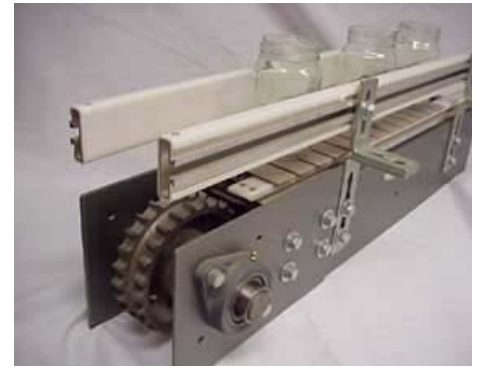

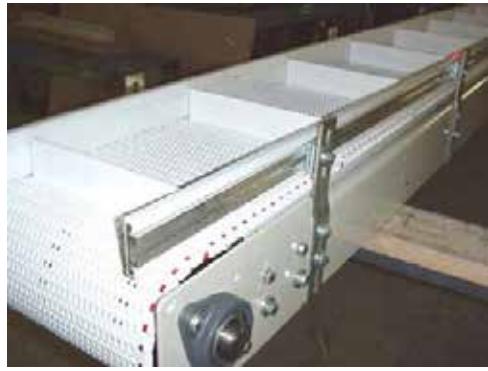

- Mechanical and Electrical Installation
- Equipment Integration
- Equipment Start-up

Equipment Troubleshooting and Emergency Services

- Service, Troubleshooting and Repair

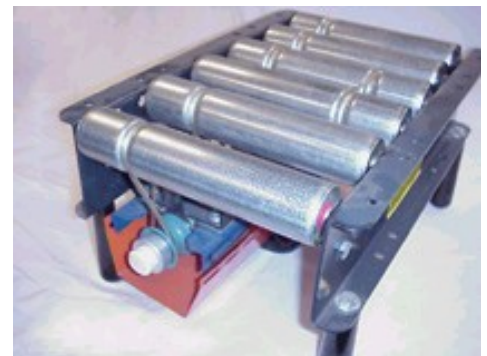

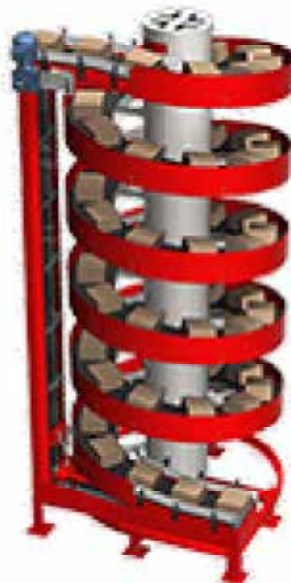

SUCCESSFUL INSTALLATIONS THROUGHOUT NORTH AMERICA

We Manufacture All Types Of Conveyor And Related Equipment.

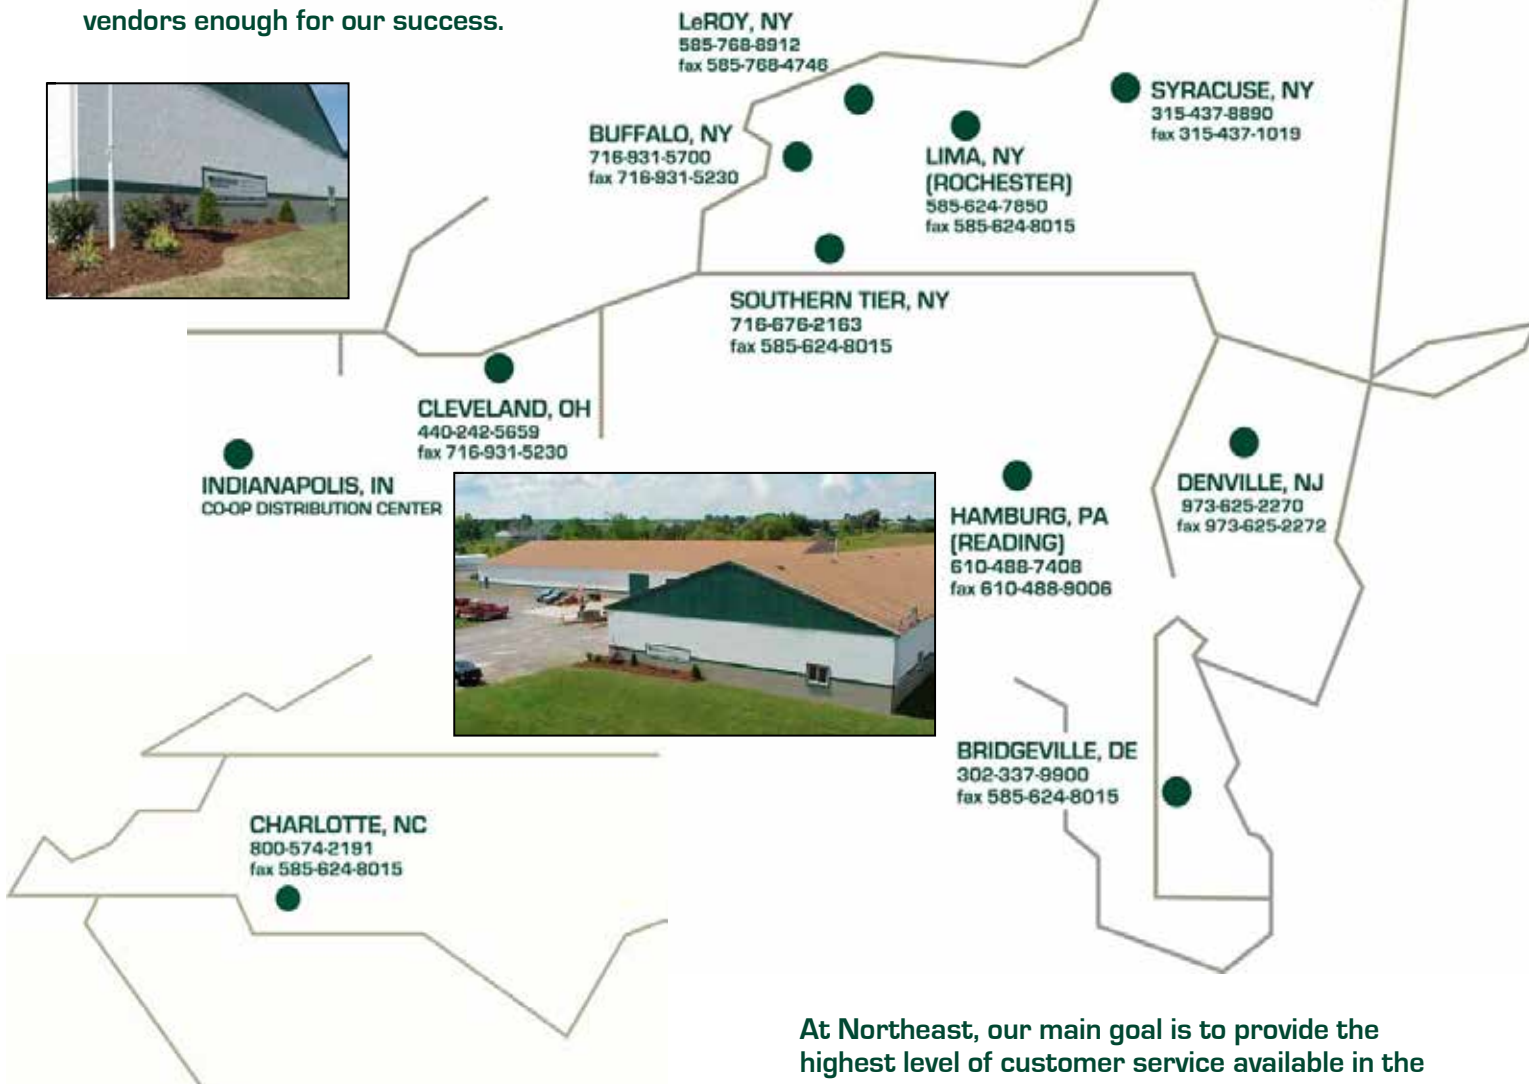

- Conveyor
 - Belt
 - Chain Driven Live Roller
 - Cullet & Trough
 - Drag Chain
 - Elevator & Lowerator
 - Gravity
 - Line Shaft
 - Pallet Strapping
 - Pallet & Pop-up Transfer
 - Tabletop & Mattop
- Bottle Spacing Equipment
- Control Panels, Design & Build Turnkey Systems
Factory Automation Upgrades
- Full Fabrication Service
- In-House Engineering Staff
- Palletizers - Robotic & Stand Alone
- Worldwide Installations

Back in April 1994, in a garage-sized shop, we started our bearing, power transmission and material handling company. With a hardworking, dedicated team (and some good luck) our young company grew rapidly.

We have evolved into a group of companies with 40 people manufacturing and supplying parts & equipment worldwide. We are now headquartered in a 30,000 square foot facility with other locations in NY, NJ, NC, PA, OH and DE. We cannot thank our customers, co-workers and vendors enough for our success.

At Northeast, our main goal is to provide the highest level of customer service available in the industries we serve. Our conservative fiscal approach allows us to keep costs down and offer superior quality products at highly competitive prices.

Thanks again to all of our valuable partners who have contributed so much to our success. For those of you who have not tried us yet, we would be grateful for an opportunity to show you our capabilities!
