

# Mask Policy

Effective immediately, masks or face coverings are now required upon entry into the studio and during all dance and fitness classes. This includes the 5-7 year old Kids Hip-Hop class, their parents/guardians and participants in all adult classes. For those concerned with the traditional face mask during strenuous activity, we do recommend a face shield and will have them for sale for \$5. Otherwise, disposable face masks are available at no charge. If you are not wearing a mask we will assume you are exempt due to a medical condition or other qualifying health reason.

Please contact Jenny Cooper at 541-401-1635 with any questions, comments or concerns.

Your health, safety and comfort remain our highest priority.

THANK YOU!
