

Updated Mask Policy

Effective immediately, all fully vaccinated individuals may opt to remove their masks while inside the studio.

The CDC considers someone fully vaccinated 14 days after the person receives a first dose of Johnson & Johnson vaccine or a second dose of the Pfizer-BioNTech or Moderna vaccines. Oregon will use that same standard, per the Oregon Health Authority.

Additional guidance from the state and Oregon Health Department will be posted as soon as it's available.

Please contact us at 541-280-8814 with any questions, comments or concerns.

THANK YOU!
