

COVID-19 Studio Guidelines

- Effective immediately, Friday night practica dances are cancelled until further notice. There will be no Beginner WCS lesson on July 24th but we will resume Friday night lessons on July 31st and will teach strictly solo dance classes for the time being.
- Beginning the week of July 27th, all dance classes will revert to solo classes until further notice. This means the steps and patterns in classes will be taught without partnering up or rotations and can be danced in solo line dance sequencing.
- Please review our updated mask policy posted. This policy follows the most recent statewide guidelines that went into effect Friday, July 24th 2020.
- Tape has been placed on the floor and plexiglass has been installed at the front desk to ensure social distancing efforts are being followed.
- Cleaning and sanitization efforts have been increased and additional sanitization stations have been set up throughout the studio.

THANK YOU!
