

The Canadian Learning Trust
KEEP ON LEARNING

May 2023 eFlash!

The Canadian Learning Trust (the CLT) is a lifelong learning community that encourages all kinds of learning by all ages of learners.

Our dream is of a prosperous Canada enriched with learning – a Learning Canada.

Hello fellow Lifelong Learners,

One of the basic programs at the Canadian Learning Trust is the **GoldEye**. This is a learner friendly tool to plan and track learning. Traditionally, this kind of learning tool has been used for those entering or attending a post secondary institution.

Such a tool would help a learner figure which courses you needed to take and in which order. Sometimes organizations would use such a learning and tracking tool to guide their employers in their professional development.

We have taken this one step further and one step easier. We suggest you use the **GoldEye** for any kind of learning that you are purposefully doing in your life. Are you learning to be a better soccer coach, or soccer player or the Treasurer for the soccer team? **GoldEye** can help you figure out why you need to learn what, keeping track of this is an easy way. If your employer will support your learning a new work skill this is a tool to help track this. The most innovative part of the **GoldEye** is that it allows you to define your success in learning. There's no guessing about whether your learning met your goal since you set this and work toward it.

We believe this planning and tracking tool to be so essential to a lifelong learner that the Canadian Learning Trust requires this for an application to serve as a Director on the Board of the Canadian Learning Trust. Learners who wish to access the Gift of Learning program are also required to complete a GoldEye.

The **GoldEye** is free to all members of the Canadian Learning Trust, available to others for a donation to the Canadian Learning Trust. All donations to the Canadian Learning Trust of \$25 or more receive a charitable receipt. Please email us at info@canlearntrust.org for more information on obtaining this awesome planner for yourself or your organization .

We're delighted to offer an addition to [The Canadian Learning Trust website](#). This is a space for **New Canadians and Newly Adult Canadians**. In this space will be information about being a great Canadian and links to those who help this. We are particularly encouraging these Canadians – and all of the rest of us – to vote and to participate in voting. It's one of the most precious rights and responsibilities we have at [New Canadians Learn](#).
