School Board

Declining Enrollment and Tax Levy Options Discussed

By Grace Kufahl

Finance Manager Robin Marshall updated the board on enrollment. Since the third Friday count, submitted to DPI, the district ended up with Full-Time Equivalents (FTE) of 931, down 13 from last year. Eighty-one students open enrolled into the district, while 130 transferred out. Summer school FTE was 38, two more last year. The overall decrease in FTE qualified Brodhead for a declining enrollment extension. This would result in a tax levy of $6.90.

Superintendent David Novy and Board President Michael Oellerich met with Baird and Marquez about the possibility of over-levying toward Fund 39. Baird recommended an additional 1% or $104,000, which with rising property values, would maintain taxes at the same level. This would be set aside for future principal and interest payments on the debt. Oellerich pointed out that $6.90 would mean a tax decrease for the school district portion, and ultimately, the public will decide at next week's annual meeting.

In Other Business:

Principal Kelly Knox reported 45-50 kids are participating in the after-school program on a rotating basis.

The Kid Connection Walk-a-Thon raised $16,000.

The Elementary School Veteran's Day program will be Wednesday, November 11th at 9:15.

Middle School Principal Adam Ferger and Superintendent Novy acknowledged the board in honor of the recent School Board Appreciation week.

Ferger attended the Wisconsin Leadership Collaborative last month.

The middle school is seeking a coach for seventh-grade basketball.

In place of Principal Matthys, Stephanie Tresemer reported that two thirds of the high school students attended the homecoming dance.

The High School will be presenting Oklahoma on Friday, November 13th and Saturday, November 14th at 7 p.m. and Sunday, November 15th at 2 p.m.

Building and Grounds Director Chad Dix reported that the district switched from Waste Management to GFL for garbage pick-up at a savings of about 40%.

The current budget surplus is $382,991.

Superintendent Novy reported there will be a shared board meeting Wednesday, November 4th with Juda, Albany and Monticello.

Several approvals were made during the meeting, including the renewal of sports co-ops with Juda, policy updates, authorization to participate in social media litigation, seven early graduation requests, college/tech credits, and a snow removal bid by Cedar Creek Landscaping.

Meeting regarding Green County's proposed Highway Department Project

You are invited to come out, discuss, and ask questions of Casey Jones (Green County Board Supervisor District 20), Paul Hardenstine (Green County Board Supervisor District 18), and Franz Mussared Varga (Green County Board Supervisor District 19) regarding Green County's proposed Highway Department project options at the Brodhead Library (Small Meeting Room) on Wednesday, October 28 from 3-6 p.m.

The Green County Board of Supervisors has been discussing a new project for the Green County Highway Department's facilities, currently housed on 6th Street in Monroe.

City Council

Green County Supervisors Reported Tax Impacts of Proposed Highway Department Relocation

By Grace Kufahl

Green County supervisors Franz Mussared Varga, Casey Jones and Paul Hardenstine addressed the Council in regards regarding options for and potential tax impacts of relocating the Green County Highway Department to Pleasant View. They noted the reasons for the move include lack of space, ventilation, mold and asbestos. Options discussed range in cost from $40 to $48.5 million. If the favored option is approved by the County Board, the tax impact would be around $200 a year on a $300,000 home. Alder Colvin raised a concern about the impact of the highway department traffic on the Pleasant View complex.

Treasurer Miller reported that, after cuts were made, the 2027 budget is $120,349 over the levy limit and $80,990 over the state's expenditure restraint incentive program. She stated she'll review it again to reduce it to the state's expenditure restraint limit which could result in an additional $75,000 in funding from the state.

In Other Business:

Mayor Baxter acknowledged his service to the citizens and especially the youth of Brodhead and a moment of silence was held in honor of the passing of Municipal Judge Richard Bennett Sr.

The Council approved a request relayed by MSA's Paul Malone to increase the number of lots in Crosswinds by dividing some lots and vacating part of lot one, originally set aside for city park space.

The Council voted to reimburse the Jaycees $3,200 for a survey done at Jaycee Park as part of the Splash Pad project.

As part of the Capital Improvement Project, the Council voted to accept bids for the West 14th Street project expected to happen next year.

The 2027 Brodhead Area EMS contract was approved with the cost remaining constant at $30 per capita.

The Council approved a replacement for the aging city phone system to be funded with money remaining from the 911 upgrade, the Public Safety Budget and $3,000 from the Fire Department who will be on the same system.

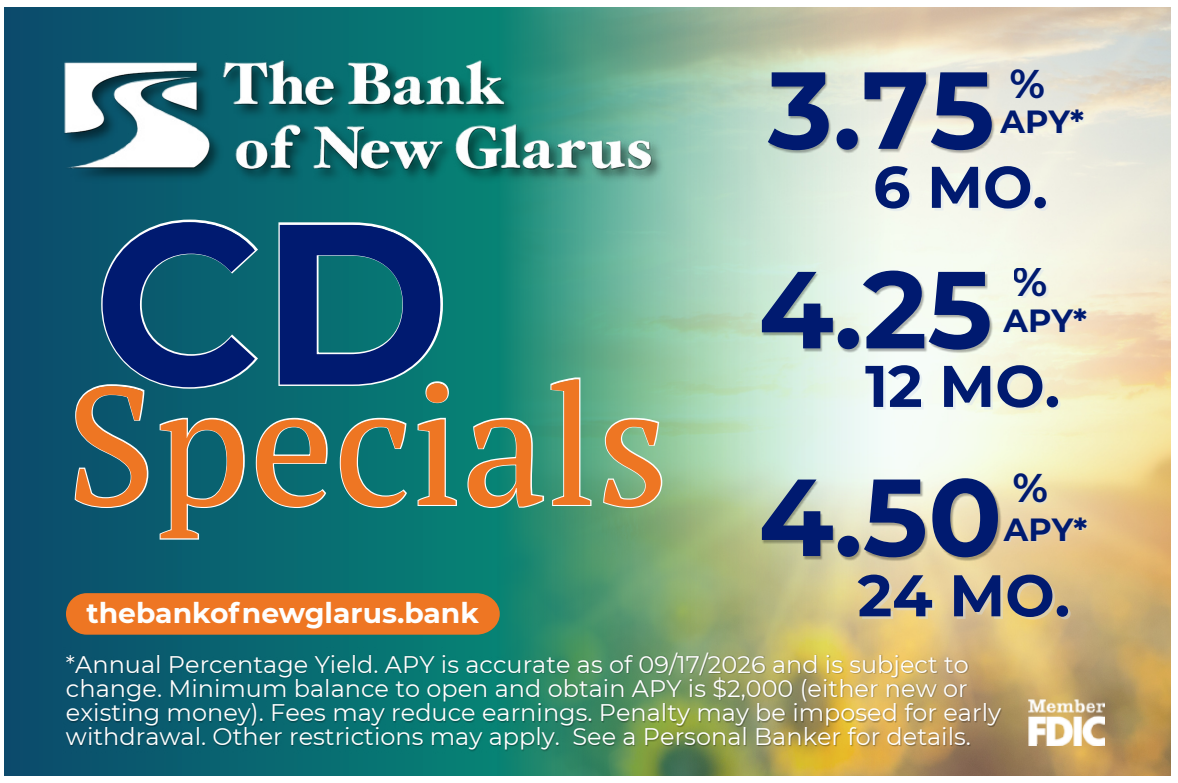

Crosswinds Avenue will be renamed East 13th Avenue to reduce confusion with Crosswinds Street.

The Council voted to approve the bid recommended by MSA and the Park Board for a Capital Improvement Project of up to $129,000 at Putnam Park.

Mercy and truth are met together; righteousness and peace have kissed each other. ~Psalm 85:10

Mercy and truth could never meet. They are diametrically opposed to each other. Truth demanded that every sin be paid for; that every payment be exacted in its entirely. Mercy longed to offer forgiveness, to proffer a pardon. But mercy was frustrated in its purposes by the unflinching character of truth. But wait! Is there a means whereby God can be just and the justifier? (Rom. 3:26) Consider the cross. Calvary is the greatest possible display of the justice of God. God is love (1 John 4:8). God is light (1 John 1:5). Oh, what a meeting at Calvary!! —L. Cain

Oh, safe and happy shelter! Oh, refuge tried and sweet!
Oh, trysting place where heaven's love, and heaven's justice meet.

OBITUARIES

Donna Mae (McCaffrey) Jaggi

January 7, 1939– October 15, 2026

Donna Mae (McCaffrey) Jaggi, age 87, passed away peacefully on October 15, 2026, at St. Mary's Hospice, surrounded by her loving family. In true Donna fashion, she held on just long enough to make sure her beloved Milwaukee Brewers were officially heading to the World Series—finally satisfied that her cheerleading work here was done.

Donna was born on January 7, 1939, in Magnolia, Wisconsin, to Ernest and Beatrice (Setzer) McCaffrey. She was the youngest of seven children and the last surviving member of her immediate family, a title she held with grace (and likely a little sass). She was just a baby when her parents traded farm life for town life in Evansville, where she grew up and attended school.

On April 16, 1955, Donna married the love of her life, Frederick C. Jaggi. They made their home in Brodhead for an incredible 61 and one-half years until Frederick's passing in 2016. Together, they raised four children and one grandson, creating a household that was always loud, always warm, and always full of life.

Donna was the ultimate homemaker and the indisputable, loving backbone of her family. Anyone and everyone could rely on her for a quick laugh, a favor, or a helping hand. If you walked out of her home hungry, that was entirely your own fault—Donna was famous for her massive holiday feasts, always cooking enough extra food to feed half the neighborhood. To her children's friends, she was simply "Mom," and to her grandchildren's friends, she was "Grandma." If you knew her, you were family, period.

Together with Frederick, Donna helped host "Fritz's Bluegrass" in Brodhead and later at the Orfordville Legion. Musicians and music lovers came from near and far to jam, laugh, and share good times. Bringing joy to others through music and togetherness was a true lifelong passion for them both.

Donna lived life to the fullest. She loved spending time with her family, riding shotgun with Frederick in the semi-truck, playing Euchre with friends, and engaging in competitive games of "Batley" with her grandkids and their friends. A diehard Wisconsin sports fan through and through, she cheered passionately for the Green Bay Packers and her cherished Milwaukee Brewers.

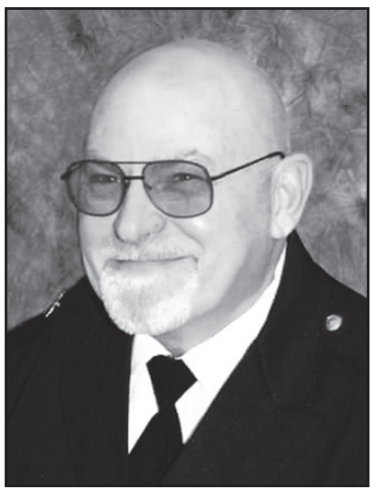

Donna is survived by her children: Cindy (Dennis) Haberman, Susan (Steve) Olsen, and Jerry Jaggi, all of Brodhead, and Michael (Kalise) Axon of Waunakee. She also leaves behind an extraordinary legacy of 11 grandchildren, 22 great-grandchildren, and 10 great-great-grandchildren, as well as countless bonus "kids" she adopted with her heart over the years.

She was reunited in heaven with her parents, Ernest and Beatrice; her beloved husband, Frederick; her daughter, Sandra Axon; her granddaughter, Teri Haberman; three sisters and three brothers; and many cherished pets, including her faithful companion and favorite dog, Mac.

The family extends a special and heartfelt thank you to the incredible nursing and hospice staff at St. Mary's Hospital (5SW and 7SW) for their exceptional care, compassion, and support during her final days.

Donna's warmth, humor, and endless generosity will be missed by everyone who had the privilege of knowing her. Her family takes comfort in knowing she's now resting comfortably, enjoying a front-row seat at the World Series, watching her beloved Milwaukee Brewers!

Donna was buried at the Greenwood Cemetery in Brodhead, on Friday, October 23. DL Newcomer Funeral Home assisted the family in arrangements. Online condolences can be made at dlnewcomerfuneralhome.com.

Richard A. Bennett, Sr.

Richard A. Bennett, Sr., passed away on October 12, 2026 at his home in Brodhead, Wisconsin. He was born on May 15, 1954 to parents Edwin and Frances Bennett in California, where he grew up and joined the Air Force in 1972. He moved to Wisconsin in 1976 where he met and married Penny Sue Coplien.

The biggest part of his life was spending time with his children and grandchildren, which he loved to do. He also enjoyed watching movies and taking rides on his Harley. He was a dedicated member of the Brodhead Police Department from 1983 to 2007. After retiring he worked as a SSM Security Officer from 2008-2018 and then became the Brodhead Municipal Court Judge from 2018 to current.

He is survived by his daughter, Mary (Jason) Elsner of Brodhead; son, Richard (Miranda Parker) Bennett, Jr.; grandchildren: Kerigan Bennett, Jonathon (Shaylee) Elsner, Keegan (Lauren) Elsner, E Bennett, Emma Elsner, Leila Elsner, Bella Parker, Ryker Bennett, Anna Parker, Gabriel Parker, Yene Parker, and Lidian Parker; three great grandchildren; his two sisters: Missy Gilbert (Walter) and Penny Nuhiji and one brother, Mike Bennett and many nieces and nephews.

Richard is preceded in death by his parents; brothers: Ed Bennett and Tommy Bennett and sister, Vickie Leonard.

A memorial service will be held in Richard's honor on Monday, November 2, at 6 p.m. at the DL Newcomer Funeral home in Brodhead. The Visitation will start at 3 p.m. until time of service.

DL Newcomer Funeral Home is assisting the family with funeral arrangements. Online condolences can be made at dlnewcomerfuneralhome.com.

BRODHEAD LEAF PICK-UP

City leaf pickup service is planned to start around mid-October.

However, you can haul your leaves to the compost site
Monday thru Sunday 8 a.m. to dark.
Please do not leave plastic bags or other garbage at the compost site.

If you want City leaf pickup service, you must follow these guidelines:

- Leaves only. NO garbage, animal waste, grass, brush, rocks or other foreign items mixed in. Items other than leaves can plug and damage the equipment which you could be liable for.
- Leaves must be racked to edge of curb or street in windrows away from trees, posts and other objects. If the machine can't reach your leaves, they will not be picked up.
- **DO NOT put leaves in gutter or in the street.** Leaves release phosphorus when they break down and decompose, representing one of the largest sources of urban phosphorus pollution. When left in the street gutters, a phosphorus-rich tea is produced that easily washes down storm drains and directly into our rivers and lakes. You can help by raking leaves from the street curb in front of your home, and then composting them or placing them on the street terrace for pick up.

Please have all leaves out to the street as soon as possible. Once crews complete their final quadrant sweep—or if winter weather hits—leaf pickup operations will conclude for the season.

Thank you for your cooperation ~ Brodhead Public Works

It's been 40 years since I last was around Brodhead area. It's been 50 years since my AFS year in Brodhead. All this time I kept in touch with my AFS host family, Bruce and Helen Timm, but with a bunch of girlfriends also. Had the chance to meet my AFS sister, Nancy Timm, in Dallas, Texas, which was amazing.

What was the most overwhelming thing was my friends group. They kept me busy but most of all had so many things to share as if I had never left. This week had gone by so fast. . .so many memories, so many laughs, so many tears.

The reunion was a great success and I had the most incredible time. I also got to meet with my AFS brother, David.

This trip would not have become a reality if it weren't for my friends. Dear Janice, Patti, Lisa, Martha, Paula, Susan, Connie, Diana and Darnell. Thank you so very much for sharing your friendship so generously.

Special thanks to Paula and Susan, you know why.

Imagine Discover Connect — Albertson Memorial Public Library

By Cindy Clint, Outreach Coordinator

Here's a sneak peek at the events taking place this November at the Albertson Memorial Library:

Swing by for Preschool Story Time every Tuesday at 10 a.m., where laughter and smiles await! Dive into a world of squirrelly tales and crafts with Miss Laura, our Children's Programming Specialist. November's theme is sure to have you nuts about our furry, acorn-loving friends!

The Albany Joint Library Board meeting is scheduled to take place, at the library, on Tuesday, November 3rd at 6:30 p.m. This meeting is open to the public. The agenda will be available on our website and posted at the library the Friday prior to the meeting. Join us to learn more about upcoming plans for the library!

Need a nifty little box for a present? See how simple it is to craft one yourself! Join Craft Night with Diane on Wednesday, November 4th from 6-8 p.m. to discover the art of transforming greeting cards into 'Gift Boxes for Every Occasion!' We'll also dive into the art of scoring without any fancy gadgets. All you need is a piece of corrugated cardboard, a butter knife, and a ruler, and voilà! A box-making wizard is born! Registration is required. You can register at the library or contact us by phone at 608-862-3491 or email us at albertsonlibrary@gmail.com to have your name added to the list. Can't make it? No worries! You can collect a kit from the library anytime during November and enjoy crafting this project whenever it suits you!

The Friends of the Albertson Memorial Library will be meeting Thursday, November 5th at 6 p.m. at the library. This organization consists of individuals committed to supporting the library through event planning and fund-raising initiatives. The upcoming Snack with Santa event will be the primary focus of our November meeting. We invite you to attend if you would be willing to be part of this valuable organization. Don't worry about time; it's a small commitment (only three meetings each year) with a giant impact on the services we cherish at our library!

The Friends of the Albertson Memorial Library proudly present: Badger Talks featuring UW Madison Emeritus Professor Steve Ackerman on Saturday, November 7th at 1 p.m. Join us at the Albertson Memorial Library as Steve discusses the Wreck of the Edmund Fitzgerald: The Ship, the Storm, and the Song.

Prepare to embark on an unforgettable journey in our Dungeons and Dragons campaign, "Shadows of the Infinite Staircase," taking place on Saturdays: November 14th and 28th at 4 p.m.! Immerse yourself in a thrilling, and often humorous, quest as you assist the Guildmaster in lifting a mysterious curse from the enchanted staircase. Jump in anytime—no need for a magical portal to participate! If you missed the character creation party, give us a shout to arrive early and we'll help you get your hero ready. This campaign is designed for adventurers aged 15 and older. Want to know more? If you're feeling uncertain or curious about the fun and friendships that await, check out our Facebook and Instagram pages for recaps of previous sessions!

The Dementia Care Specialists of the ADRC of Southwest Wisconsin will be holding memory screen sessions at the Albertson Memorial Library Monday, November 16th from 1-3:30 p.m. A memory screen is a wellness tool that helps identify possible changes in memory and cognition or can be used as a baseline for future changes. Screens are free and private. Call 608/426-4295 or email bbeam@gchsd.org to register.

The Creative Capers will be hosting a 'Special Wreath Making Learning Event' on Friday, November 20th at 6 p.m. Come on over and discover the art of crafting your very own wreath masterpiece! We will provide grapevine wreaths. Various wreath decorations (including craft inserts, miniature figurines, silk flowers, ribbons, and greenery), floral wire, floral tape, hot glue guns, and glue. Please bring wire cutters (we'll provide some, but there won't be enough for everyone) and specific decorations or wreaths if you have a particular preference in mind.

Join All Booked Up in a discussion of Remarkably Bright Creatures by Shelby Van Pelt on Monday, November 23rd at 6:30 p.m. Remarkably Bright Creatures is a charming and witty exploration of friendship, reckoning, and hope that traces a widow's unlikely connection with a giant Pacific octopus.

The library will be closed in observation of Thanksgiving on Thursday, November 26th. We will reopen on Friday, November 27th.

Please follow us on Facebook https://www.facebook.com/AlbertsonMemorialLibrary, Instagram https://www.instagram.com/albertsonmemoriallibrary or check out our calendar of events on our website at https://www.albertsonlibrary.org for additional information.

Imagine Discover Connect — Albertson Memorial Public Library

By Laura Roth, Children's Librarian

The Bird Theme for Albertson Memorial Library's Preschool Story Time concentrated on ducks last week. The stories included Do Like A Duck Does (by Hindley) in which a fox tries to fool Mama Duck into believing he's a duck, but he just can't pull it off. Dimity Duck (by Yolen) is full of fun words describing how ducks move and shows how a duck and a frog can be friends, playing hide and seek under lily pads, etc. Little Quack's Bedtime (by Thompson) shows Mama Duck reassuring her babies at bedtime. The strange glowing lights are fireflies, and the swish-swish-swish sound is the reeds rustling in the breeze. After these fun stories, the preschoolers colored and cut out a duckling and used bubble wrap to paint a pond into which they glued a duckling into the bubbly pond. And there wasn't even much a paint mess to clean up. Those preschoolers are getting really skilled!

Next week, Story Time turns to squirrels again. In the Middle of Fall (by Henkes), The Leaf Thief (by Hemming) and Leaf Trouble (by Emmett) describes the adventures of the squirrels as the leaves turn colors. The preschoolers will use fall-colored paint to make a folded paper print of a tree changing colors. Squirrel stickers will finish the fall trees as well. And there might be a crayon-rubbing in the works, too.

Albertson Memorial Library's Preschool Story Time meets every Tuesday at 10 a.m. for a squirrely good time. Lots of energy in these young people! You won't be sorry you joined us for all the fun we're having! We'd love to meet some new friends!

Albany Women's League/Empty Stocking

The Albany Women's League/ Empty Stocking is fast approaching. Holidays are just around the corner and they will soon be helping some families with clothing boots and coats for our area. They've had an outpouring of support for well over 30 years in the Albany community. Also the Albany Public Schools and Bank CMG are very instrumental in making this endeavor a possibility.

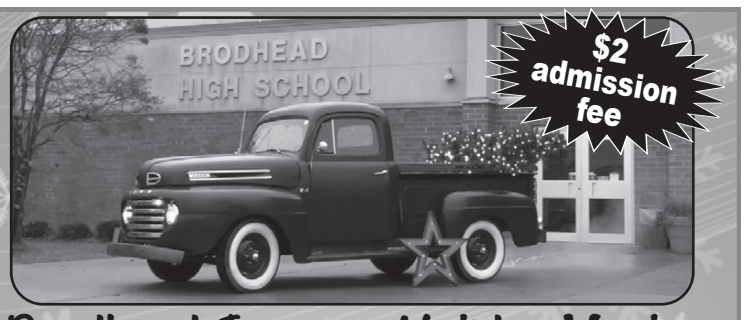

Donations to this heartfelt cause can be made at the Albany Bank CMG. Checks can be made to Albany Women's League/Empty Stocking. Be on the lookout for the Giving Tree in the Bank CMG/Albany, with the children's wishes adorning the tree.

Thank you for your loyal support. Your generosity is much appreciated.
