City Council What is happening at City Council this month?

By Casey Jones, Mayor

This month the Council has met twice and will be meeting again this week. During the Monday, January 9th meeting the Council approved the appointment of Erin Menzel to the Library Board.

The Council was also presented with the proposed referendum question for the 2023 April Election. Treasurer Miller presented the Department of Revenue approved resolution for a \$400,000 referendum question. Treasurer Miller informed

the Council of the projected effect of the \$400,000 increase to the tax base of the city residents. For Green County residents, it would be an increase of \$172 per \$100,000 of assessed value (14.33 per month) and for Rock County residents would be an increase of \$196 per \$100,000 assessed (16.33 per month).

Alder Baxter felt if the Council is asking for a referendum there needs to be a five-year plan put in place as a guide for future Councils.

Brodhead School District receives grant

The Brodhead School District is pleased to announce that the district was recently the recipient of a generous \$8,000 grant from The Arc of Green County and the Community Foundation of Southern Wisconsin. The mission of The Arc is to promote and protect the human rights of people with intellectual and developmental disabilities. The Arc actively supports the full inclusion and participation of individuals with disabilities in the community throughout their lifetimes. The Arc and The Community Foundation of Southern Wisconsin have generously funded numerous grant projects in the Brodhead Schools over the past several years and have been great local partners for supporting children with special needs. The grant funding this year was used to purchase a Welch Allyn Spot Vision Screening device. This is an electronic vision screener that can be used to detect potential vision challenges in children and will be shared by the schools in Green and Lafayette Counties. Having access to a vision screening device allows for students with a higher risk for vision deficits, such as children with Down Syndrome or Cerebral Palsy, to have vision screening completed on a more routine and timely basis, in order to prevent vision loss or secondary disability associated with visual deficits. The device also allows the district to complete vision screening during completion of special education evaluations and during 4K and Early Childhood Screenings. The Brodhead School District would like to sincerely thank The Arc of Green County and The Community Foundation of Southern Wisconsin for their generosity and their ongoing support to provide for the needs of local children.

Brodhead Middle School reading students welcomed Daisy and Abi to their classrooms. Therapy dogs are specially trained for this activity and can help reduce stress and anxiety. Mrs. Kammerer's class read to the canine buddies and can't wait to have them back.

Picture, left to right: Mary (owner), Carson, Abi (dog), Yankel, La'Niya, Cooper, Gary (owner), Daisy (dog), Landen, and Arianna.

Those named to the list include: Rhylie Gough, Elementary Education, of Albany and Rachel Hammes, Animal Science, of Orfordville.

LOCAL STUDENT
APPOINTED TO
DEAN'S LIST AT
MOUNT MARY
UNIVERSITY

Curin Johnson, of Orfordville, was named to the Mount Mary University Fall 2022 Dean's List.

The Dean's List honors full-time students who have earned a 3.6 GPA or better while taking 12 or more

credits during the recent semester. Part-time students are eligible for the Dean's List when they have earned a 3.6 GPA or better while completing at least six credits.

thank you

By Taetum Hoesly

A huge thank you to everybody that helped out with the concessions at the youth tournament this past weekend, it is very appreciated! Also, a very big thank you to the Kwik Trip in town, and their employees, for being so kind and helpful. I am so thankful to have people in my life that took the time out of their days to help me with my senior project. Again, a huge thank you to everyone who had a part in it.

Brodhead Falls Short Against Jefferson & McFarland

By Teresa Earleywine

When Brodhead played against Jefferson last week, they started out hot. Sam Searls had back-to-back treys and the Cardinals had a 12–2 lead. The Eagles tightened up their defense and made the game tight with both teams trading baskets. At the half, the score was tied at 30 apiece. Cullen Walker came alive in the second half hitting a pair of three-point shots and earning 15 points in the second half. He led all scorers with 23 for the night. Jaxson Dooley contributed 14. Brodhead was 11-of-21 from the stripe while Jefferson was 12-of-16. As the final buzzer sounded, Jefferson came out on top with a 70–60 win.

In their second game of the week the Cardinals faced McFarland who lead the conference. In the first half Brodhead hung tight and kept the game close, initially. The Cards had numerous fouls, with seven minutes left in the half the Spartans were in double bonus which they took advantage and at the break had a 14-point lead. McFarland continued to widen the point spread in the second half. Dooley was the only Brodhead player in double digits with 25. The Cards were 33% from the stripe. McFarland’s Dadon Gillen, Deven Kulp and Aiden Chis-lom combined for 66 of the 77 total points. Final score 77–47.

This week you can catch the boys on their homecourt Monday against Marshall and Beloit Turner on Thursday.

Parkview/Albany Wrestling

By Coach Joel Steinmann

Parkview/Albany Wrestling team places second at the Monroe invite. Janesville Parker with 212.5 was first, Parkview/Albany with 156.0 and Monroe was third with 152.5 team points

Nine wrestlers placed and seven made the podium with two on top getting the Cheesemaker plaque.

Danny Finley #120 (29-5) and Wes Egan #220 (31-1) came out of the 10 team tournament in first. Ian Suer #132 (27-8), Evan Suer #138 (18-11), and Wyatt Egan #195 (20-3) finished in second place. Slater Valley #106 (23-4) and Sam Schwen-gels #182 (31-2) placed third. Nico Zamora #145 (16-9) missed the podium but still placed fourth. Sean Morales #170 (7-10) placed fifth. Simo Cenacchi #152 (4-10) wrestled hard but didn’t place.

Girls Lose to Evansville in OT

By Teresa Earleywine

The opening half was pretty much the teams trading basket for basket with the point spread no more than four. Both teams put up stiff defense and each side had to work together to make their shots. Addie Yates nailed a three-point shot just before the half to give Brodhead a one-point lead. Makenna Schooff got herself a steal and a fastbreak down the court to where Alexis Kammerer caught her pass. Her shot to the basket resulted in her being fouled. She popped one in from the stripe, Brodhead had a two-point advantage. Then Blue Devil player Maria Messling was fouled and she would tie the game, again. Abbie Dix went high for a rebound, made the pass to Jaelyn Hilliard who scored from close range. Brodhead coveted the two-point, 28-26, lead going into the break.

Starting the second half it appeared momentum favored the Cardinals as their diligence got them a five-point lead. Coaches of both teams were intense. Evansville came up with solid rebounding and managed to come-back and score 12 unanswered points gaining a six-point lead. Just when it appeared Brodhead was running out of steam, Alexis “Klutch” Kammerer put up back-to-back buckets from the arc to tie the score at 45 igniting her team and the fans. Kennedy Dobbs, Evansville, was fouled and sank the ball for two. Abbie Dix was fed the ball from close range to drop in for two and one more from the stripe for one-point lead. With less than a minute on the clock, Dix would gain another one from the stripe. Messling would drop in the final bucket that would tie the score at 49 and sending it into OT. Dahl would start the scoring for two but Evansville responded. Brooklyn Maves would hit from beyond the arc to give Evansville a one-point advantage. Fouls would send the Blue Devils back to the free throw line. They hit 25-of-28 on the night. Dix hit one more from down under to bring the Cardinals to 57 but fell short of overtaking the Blue Devils who finished with 61. The Cards came away with 10 steals in the game but the Blue Devils countered with eight. Brodhead was 12-of-19 from free throw line. Ava Brandenburg led all players with 26 points. Dix, Dahl and Yates led Brodhead in scoring.

Brodhead will travel to Clinton on Tuesday and host McFarland on Thursday.

ing in the JV state in Wausau and one competing in the girls tournament.

Trevor Haugen #106, Connor Flippin #113 and Jayden Anderson #160 all competed in the JV state tournament 24 man bracket with the stiff competition they all wrestled hard and gained some great experience but did not place. Lexi Hanson #100 went 3-2 on the day in the girls’ only tournament. She wrestled hard but didn’t make the podium. Hanson will be competing in the girls state series this year.

This week we will be heading to Pardeeville on Tuesday the 24th for a cross over dual aslo non-confer-

ence matches against Marshall and Watertown Lutheran Prep. Wrestling starts at 5 p.m. Then on the 26th we have our final home duels with Johnson Creek, Montello and Brodhead/Juda joining to make it a quad. A lot is on the line for the 26th with a win over Johnson Creek Parkview/Albany can win the south division in the Trailways Conference. Wrestling will start at 6 p.m.

Wrestling Wins Dual Meet

By Teresa Earleywine

Brodhead Juda wrestling had their first home meet last week hosting a nonconference dual with Pecatonica Argyle. Both teams were spotted points in various weight classes due to forfeitures that resulted in three actual meets for the night. Emmitt Allen-220 competed against Levi Faust who was able to pin Allen. Jameson Wallin-132 won by technical fall, 16-1, over Will Doescher. The final match of the night pitted Marcus McIntyre-145 against Emerson Koch. It was a brief encounter as McIntyre had Koch pinned in 23 seconds. Brodhead came out on top 35–30.

This week they will host East Troy on Tuesday and parents will be honored as this is the last home meet of the season. Saturday they will be at the Deerfield Invite.

Culture Collaboration

In geography, culture is the way of life of a group of people who share similar beliefs and customs. In studying a society's culture, geographers look at eight elements called traits. Seventh-grade students are collaborating to complete notes about the eight traits. Groups of "travel buddies" will then construct a collage of images from National Geographic magazines to demonstrate an understanding of each trait. juries, were wearing their seat belts, and the airbags did not deploy. The vehicle sustained disabling damage and was towed from the scene.

At 9 p.m., Sunday, deputies conducted a traffic stop on a vehicle in the 2100 block of 1st Center Avenue, in the City of Brodhead. Investigation resulted in the driver, Robert G. Christianson, 60, of Brodhead, being arrested for a probation violation. Christianson was incarcerated at the Green County Jail. Christianson was also cited for failure to install an ignition interlock device.

At 10:51 p.m., Sunday, deputies responded to the W600 block of Bud Lane, in the Town of Albany to assist the Wisconsin Department of Corrections. Investigation resulted in Larry J. Stafeil, 76, of Albany being arrested for a warrant through the Department of Corrections. Stafeil was incarcerated at the Green County Jail.

January 16-22, 2023

At 5:38 a.m., Thursday, deputies responded to the 700 block of Vine Street, in the Village of Albany, for the report of a single vehicle crash. Investigation revealed that a vehicle operated by Michael E. Cavin, 32, of Brodhead, was traveling westbound when he lost control of his vehicle due to snowy road conditions. Cavin collided with a traffic sign and then entered the ditch. Cavin reported no injuries, was wearing his seat belt, and the airbags did not deploy. The vehicle sustained functional damage and was driven from the scene.

At approximately 3:26 a.m., Sunday, deputies responded to the intersection of E. State Street and S. Water Street, Village of Albany, for a single vehicle accident. Investi-

gations found that a vehicle operated by Damien R Anderson, 23, of Albany, was westbound on E. State Street when he failed to negotiate a curve. Anderson lost control of the vehicle and struck a power pole. Anderson reported no injuries, reported wearing his seatbelt, and no airbag deployment. Anderson's vehicle was towed from the scene due to disabling damage. Anderson was subsequently arrested for operating while under the influence. Anderson was further cited for operating with a prohibited alcohol concentration. Anderson was released to a responsible party.

Albertson Memorial
Public Library

By Sarah Carpenter, Outreach Librarian
A new year brings about new beginnings and the Albertson Memorial Library is no exception! We are thrilled to welcome Melissa Everson to our library as our new Director.

Melissa and her husband, Jeff, may have just fulfilled their dream of living in Albany this past September after their move from Monroe, but Melissa isn't a new face to our community. She has taught in the School District of Albany for 17 years as the district's reading intervention specialist and as a classroom teacher at several grade levels. On Tuesday, January 3rd Mrs. Everson became Albany's new 4K teacher.

Melissa remembers her love of reading beginning in third grade when she sailed through the Nancy Drew and Hardy Boys mystery series in one summer. "My mom was so tired of running me the four miles to our community library to return and get new books!" she says. By middle school, Melissa was so enamored with reading, that she gave up her lunch recesses to listen to the first graders read.

Since then, Melissa has read thousands of books. Of all the books she's enjoyed, her favorite would have to be 'Where the Crawdads Sing' by Delia Owens. Everyone has different reading tastes though, so she advises "If you start reading a book and discover the book is not a good fit for you, don't be afraid or ashamed to stop reading it. Not every book is written for all readers."

Melissa is looking forward to bringing her passion for reading and learning to the library. Melissa wants to strengthen the ties between the school, the library, and our community. We invite you to come and welcome our new director on Saturday, January 28th from 10 a.m.-1 p.m. here at the library. We'll have snacks to munch on and friends to chat with. See you then!

Back in the mid-1990s the Richard Horn family from rural Brooklyn donated white oak logs to help build the three-masted schooner, Denis Sullivan. Built by a nonprofit group

made up of people who wanted to honor the maritime heritage of the Great Lakes through educational experiences on the schooner, she was to be the flagship of the State of Wisconsin. Through donations and thousands of volunteer hours, the Denis Sullivan was finished in 2000 and sailed the Great Lakes and beyond for the next 20 years. In September of 2022 an organization called World Ocean School took ownership of the schooner. The new owners are dedicated to providing immersive opportunities to learn through sailing tall ships so, the Denis Sullivan continues her educational mission. In September they began the process of relocating her to St. Croix with a plan to arrive in the U.S. Virgin Islands between December 15 and 25. As an early supporter of the schooner, Richard Horn decided he wanted to meet the Denis Sullivan when it arrived in St. Croix. Given the vagueness of the

Brielle Engen shows amazing skills when it comes to art

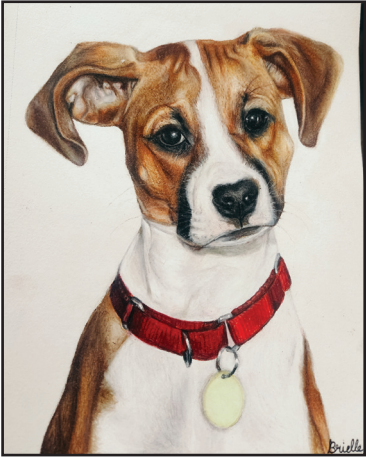

Erica Foulker and Brielle Engen

Eighth grade Brodhead Middle School student Brielle Engen has shown some amazing skills when it comes to art. She works hard at what she does and her passion shows through her work. Brielle has worked in a variety of mediums including graphite, watercolor, acrylics, oils, resin and ceramics. Her current art teacher at BMS, Erica Foulker says, “Her attention to detail is incredible. The first sketchbooks I saw of Brielle’s made my jaw drop as a seventh grade student. She is beyond her years. I am incredibly proud to have her as an art student. Seeing her grow as an artist and watching her at work fills my cup. A true blessing.”

Art has always been a part of her life. Brielle’s mother, Thea Engen recalls, “She would take her sketchbooks to church and fill them with little drawings. Her interest in art really took off the year she was home eLearning and she would double task; her AirPods were in listening to her teachers online but she would be in her art room, creating. Her friend time was very limited that year due to Covid and she found a love in art, then she went back to school and had an amazing teacher who inspires and encourages her passion.”

Brielle has recently received some exciting news! After entering a nationwide drawing competition, she recently found out that she has earned the Scholastic Silver Key award! The drawing she submitted is of her uncle’s dog that passed away, titled Memories of Maggie. Approximately 7-10% of all submissions are recognized with a Silver Key Award. This is a seventh-12th grade category. Out of 810 Wisconsin award winners, she was one of the 13 eighth grade students to receive the Silver Key Award. So it

is quite an honor, even more so as an eighth grade student. Scholastic receives thousands of nationwide entries and Brielle’s drawing will be recognized statewide and to be put on display at the Milwaukee Art Museum. Her work will be on display in Milwaukee from February 4th-March 19th this year.

Scholastic Art and Writing Awards were created in 1923 under the association of the Alliance for Young Artists and Writers. This year marks the 100th anniversary of the national Scholastic Art Awards program. The exhibition will display the extraordinary talents of students in grades seven–12 for the entire community to celebrate. The 2023 Scholastic Art Awards exhibition will not only present more than 250 artworks by students from across our state but also highlight past awards recipients represented in the Museum’s collection. Historically, many award winners go on to achieve distinction in the fine arts, applied arts, and design, often crediting their success to the early recognition they received as participants in Scholastic. Congratulations Brielle! Brodhead is proud of your hard work and excited to see where your talent takes you!

Wayne Dieckhoff, left, representing the three veterans groups from Brodhead—VFW Post 6858, American Legion Post 197 and AMVETS Post 1181, accepts a check for \$577.71 from Denessa Jones, manager of the Pearl Island Bed and Breakfast. Over the past year Denessa has set aside 10% of the receipts from the room she has designated the “veteran room” at the B&B to help the veterans of the area with their projects. This money will go to the tank fund, which is used to maintain and beautify the area around the tank in Veterans Park.

Thank you Denessa for your generosity.

The Brodhead School District would like to thank the Brodhead Optimist Club for the \$500 donation to their Backpack Program. This program provides meals to our food-insecure families over weekends and extended breaks. Julio Rodriguez, president of the Brodhead Optimist, presented the check to Brodhead School District Superintendent, Dave Novy.
