Superintendent Quarterly Report

By David Novy,
Superintendent,
Brodhead School District

The Brodhead School District Board of Education has partnered with a company called Nexus Solutions to complete a long-term facility plan, which has provided us with a concrete 10-year plan regarding all deferred maintenance educational inadequacy needs of our District. We felt we needed to go through this process to better understand the state of our facilities and the needs of our District going forward.

Along with a facility plan comes a financing plan to fund it. With a

Middle School built in 1960, an Elementary School built in 1965, and a High School built in 1996, it is understandable that there are significant needs that we must attend to. Things like windows and electrical systems are inefficient, many rooms are outdated, entryways are not safe and secure, and certain programs have outgrown their spaces. Looking at our needs over the next 10 years, the costs for these updates amount to well over 30 million dollars. Our School Board is tasked to come up with a financing plan, which for Wisconsin school districts is a facility referendum. Most schools in our area have run a facility referendum within the last 10 years, but Brodhead has not done so since 2004, which is why this amount is fairly high.

Our School Board recently ran a randomized community survey of 400 Brodhead School District residents and input from that survey supported running a referendum in April. The survey suggested running a referendum with an impact of

Dear Citizens of Brodhead

By Casey Jones, Mayor,
City of Brodhead

The hot topic on Facebook's Brodhead Information page is now the situation involving the valuation assigned to the commercial property by the assessor on this past year's re-valuation. These are the facts, as I know them.

The City of Brodhead entered into an agreement with Musser and Associates in October of 2021 for Musser and Associates to provide a revaluation and maintenance service for the years 2022-2025. The revaluation was scheduled for 2022. The contract was front loaded with the majority of the money paid in the first two years.

Brodhead was last revaluated in 2010. It is normal for communities to undergo a revaluation every four years or so. By revaluating more frequent, communities avoid large disparities in increases due to some properties being revalued due to sales and/or building permit activity while others have been relatively unchanged over time. Since 2010 residential and commercial values have increased dramatically but not always at the same rate. The revaluation in 2022 reflected an increase of the valuation of 42%.

How did that affect my taxes? In a year with no referendums or special assessments you could reasonably expect that if your property valuation increased under 42% your taxes would decrease. If your property valuation went up more than 42% your taxes would increase. The amount of taxes collected by the city is restricted by the levy, which was increased less than 2%.

It is important to understand that the revaluation does not increase or decrease the tax levy or the amount collected by the city. The city did not benefit or collect extra taxes by the way the assessor-valued properties.

Unfortunately, last year had other factors that caused drastic changes in your tax bill. The school referendum was passed. Green county taxes were also raised. Please check your tax bills under the city of Brodhead tax line to see how much your bill was raised or lowered by the valuation. Unfortunately, I cannot give you a steadfast rule that could tell you why your neighbors moved just a little and yours moved a lot. I will if you look at your bill and explain why yours moved.

So, after all that, what happened with the assessor and how did that

OBITUARY

Wilmer Arthur Pautz

Wilmer Arthur Pautz passed away on January 10, 2023 at Heritage in Eau Claire. He was born on September 26, 1927 on the family farm near Bonduel, Shawano County, Wisconsin. His parents were William and Esther (Benter) Pautz, and they were descendants of German immigrants who had originated in Pomerania on the Baltic Sea. They were staunch Lutherans who sought to better their lives and practice their faith.

For over 60 years, education and the classroom would define Wilmer's life—as a pupil, student, teacher, coach, administrator and professor. It began in St. Paul's Lutheran School in Bonduel followed by his graduation from the local high school in 1945 as class salutatorian.

He took a bachelor's degree from Wisconsin State Teachers College, Whitewater, in 1949, majoring in math and physics. Wilmer also played varsity basketball for the WSTC Warhawks. Some years later he earned his master's and a doctorate from the University of Wyoming, Laramie.

The early years of his career were as a high school teacher in three Green County Wisconsin high schools—Brooklyn, Juda and Monroe. He coached all sports at Brooklyn and served as the district administrator in Juda. It was in Brooklyn where he met Barbara Garwig, the new English teacher in town. They were married on June 2, 1951 in the Brodhead Methodist Church.

With the doctorate in hand, Wilmer joined the faculty of North-

ern Illinois University, Dekalb in 1960. He took a leave in 1962 to go abroad to teach math and sciences at the U.S. Army's American Jr. High School in Frankfurt, Germany. His students came from military families, American businessmen and consular officials. That school year, 1962-63, he was cited as Teacher of the Year by the Department of Defense. While he was in Frankfurt, he was invited to join the faculty of Wisconsin State College, Eau Claire, and he accepted a position in the School of Education to teach History and Philosophy of Education to undergraduates and School Law to graduate students. For a time, he also served as Director of Institutional Research and as Associate Dean of the School of Education. But the classroom was his first love, and that devotion was recognized in 1966 when he received Eau Claire's first Excellence in Teaching award from the Johnson Foundation.

Twice the college, now UW-Eau Claire, sent him abroad. In 1975-76 he was in Denmark as the director of the UW-Copenhagen program, an immersion in the Danish culture for 100 students and five faculty members chosen from Wisconsin universities. In the fall of 1979, he was in Japan to supervise Eau Claire students attending Sophia University in Tokyo and Kansai Gaidai University in Hirakata City.

Wilmer served as chair of the university senate, as president of the faculty union known as TAWF and on countless committees. He was a life member of WEAC, the NEA and Phi

Delta Kappa education fraternity. He retired as a full professor after 30 years on the Eau Claire campus. His students adored him and his classes and often sought his counsel and advice. Their highest praise: He taught them to think.

Wilmer and his soulmate Barbara traveled the world—the British Isles, most of Europe, Turkey, Egypt, Japan, China, Australia, Canada and the United States. As a Malone fellow, Wilmer had study tours to Saudi Arabia and Syria.

Wilmer enjoyed Dixieland jazz, the theater, reading, travel, raising dahlias and tulips, card games, fine dining and a weekly martini.

He is survived by his sister-in-law, Patrice Klug of Beloit, and a niece, Marylyn Rasmussen of Eugene, Oregon along with lifelong friend Penny Miller and friend Denise Wurtzel both of Eau Claire, Wisconsin. His wife Barbara, his parents, his brother Wallace of Bonduel and his nephew William Pautz of New London precede him.

Per Wilmer's wish, there will be no service and burial will be private.

The family would like to request any memorials given in Wilmer's name be sent to directly to Bonduel High School, Attn: Bev Pleshek, P.O. Box 310, Bonduel, WI 54107 in lieu of flowers. Please reference the Wilmer Pautz Scholarship Fund in the memo line.

Stokes, Prock and Mundt Funeral Chapel, Altoona, Wisconsin, is serving the family. Online condolences may be shared at www.stokesprockandmundt.com.

OBITUARY

Dorothy M. Nenneman

Dorothy M. Nenneman, age 95, of Brodhead, passed away unexpectedly while at her home on January 25, 2023.

Dorothy was born on May 11, 1927 the daughter of George and Rose (Schneider) Nenneman.

Dorothy was a life long member of St. Peter Lutheran Church in Brodhead. She worked for the City of Brodhead Water and Light Dept for many years prior to her retirement. Dorothy volunteered for the Green County nutrition program, and bowled for many years in a league when the bowling alley was still downtown Brodhead. Dorothy enjoyed doing crafts, making jewelry and pottery, getting together with family, and was an avid reader.

Dorothy is survived by a sister, Nancy Montgomery; seven nieces and nephews: Shirley Peterson, Vicki (Steve) Krattiger, David (Darcy) Montgomery, Craig (Amy) Montgomery, Todd (Charlotte) Montgomery, Tammy Nenneman and Cindy Pederson (Dennis Last); many great and great great nieces and nephews and a cousin, Sheila Wagner.

Dorothy was preceded in death by her parents, George and Rose; three siblings: Ruth (Roger) Brobst, Virginia (Robert) Springsted and Robert (Claudia) Nenneman and a niece and nephew, Judy Krattiger and Rick Springsted.

In lieu of flowers, memorials can be directed to the family in her memory.

Funeral services were held at St. Peter Lutheran Church, Brodhead, on Saturday, January 28, at 11 a.m. A visitation was held at the church from 10 a.m. until the time of services. Burial concluded at the Greenwood Cemetery in Brodhead. The DL Newcomer Funeral Home in Brodhead assisted the family. Online condolences can be made at www.dlnewcomerfuneralhome.com.

around \$10 per month on a typical homeowner. Along with this survey information was a list of priorities and the percentage of support for those priorities. Our Board had contemplated a plan to run a referendum this April to take care of many of these deferred maintenance projects and was considering a referendum of approximately 15 million dollars, which fit in the criteria of a \$10 impact on taxes per month.

Although the need for a referendum is necessary, the Board ultimately determined that now is not the time to run our referendum. We understand that many of your property tax bills have come in much higher than anticipated, which makes running a referendum harder to pass. We also understand that the City of Brodhead will be running a referendum in April, which would make our residents potentially have to choose which referendum to support and which one not to support.

We do wish to run a facility referendum but will be taking our time with the process. We want to involve our community in the discussion of what our residents want for our District. We want to provide information about our facilities and invite our District residents into our schools to help people understand the needs of our District. It is our hope that opening communications with community members will help us determine what projects we need to prioritize and run a referendum in April 2024.

Thank you so much to those who provided information through our phone surveys. The information our community shared through this survey will help us going forward as we continue to make the Brodhead School District a wonderful place to learn and grow. We want to do everything we can to help and support our students so they can reach their full potential.

affect my tax bill? After hours on the phone with the equalization department of the Department of Revenue I have learned the following information. In years of revaluation, it is “assessor best practice” to wait until the state releases its opinion of value related to the commercial portion of the overall revaluation. This occurs around the 15th of August. The Board of Review (open book) was closed in mid-June before the numbers came out. The commercial class was valued at about a 3.5% raise in valuation. The state number released in August reflected an increase in value of 15%. Unfortunately, once the open book is closed, no further adjustments are allowed to be made. After a lengthy conversation with the equalization office she said that while our situation did not follow “assessor best practice” it was not a matter of legal or illegal. The assessor gives his opinion of value and opinions are not subject to prosecution.

Musser and Associates was contacted for his take on the situation. He offered to give us a revaluation next year on the commercial

property without charge. Since the contract for his services was front-loaded for fees and it was too late to go through the Request for Proposal process and the fact that we would have to pay for a complete revaluation it did not make sense to terminate the contract and start over with someone else.

How much did the underestimated valuation cost the average taxpayer in Brodhead? Here is the report from the Treasurer Keri Miller.

“For Green County the increase to overall property taxes was \$0.09/\$1,000 of assessed value. For Rock County the increase to the overall property taxes was \$0.25/\$1,000 of assessed value. The median home value in Green County in 2022 was \$161,059.53 so the average tax impact was \$14.50 annual.

The median home value in Rock County in 2022 was \$274,015.38 so the average tax impact was \$68.50 annual.”

We are not happy that the average citizen had to pay for the underestimation but we can assure you that this circumstance will not happen again.

Next year, the numbers will reflect what they should have been at the beginning and then be adjusted to reflect the proper valuations by class of property.

I apologize for the length of the explanation. If I still have not made it clear and you would like me to go over your bill with you, I would be more than happy to accommodate you.

Wrestling Celebrates Seniors and Parents Night

By Teresa Earleywine

Last Tuesday was a special night for Brodhead’s two senior wrestlers, CJ Streuly and Karson Miller. The Cardinals were hosting East Troy and the home team was in top form on the mat. Brodhead received two forfeits while the Trojans acquired 24 points in forfeitures. Emmitt Allen—220 started the night by taking down Blake Kader. It didn’t come easy, his teammates and Coach Chris Hoesly were calling out their directives from the sideline. Allen was able to pin Kader. Landon King—285 wrestling Luke Bower ET was a challenge but King was able to get it done to give Brodhead another six points. Joe Lohmar—138, is strong and fierce when competing. He kept the Cardinal win streak moving by pinning Jacob Ginal. Marcus McIntyre—145 is a seasoned veteran for BJ wrestling and quick with his moves. Sawyer Beckwith gave his best effort but it was not enough to overtake McIntyre’s strong-hold. Charlie Weis—160 had the most exciting match of the night. His opponent was Trojan wrestler Caleb Davidson. This duo wrestled all three periods. Weis was able to outlast and outscore Davidson, 12–5 for a decisive win. Karson Miller—170 was contested by Aaron Mueller. This match resulted in Miller being pinned. Clayton Elliott—182 was methodical in his approach and eventually won by technical fall over Kieran McCue. It seemed fitting that senior CJ Streuly—195 would be the last Cardinal wrestler to take the home mat this night. Streuly has a definite physical presence when he is on the mat using his upper body and strong legs to takedown and then pin Lance Kader his challenger. The Cardinal team amassed 51 total points to the Trojans 30 points for the victory.

In a triangular meet on Thursday, hosted by Parkview Albany (PA), Brodhead and Johnson Creek competed. Brodhead’s Miller, Streuly, Allen and King each recorded points by falls while Lohmar and McIntyre received forfeits. The Cardinals had a commanding 36–18 win over Johnson Creek.

In the matchup against PA, Brodhead had to forfeit six weight classes. Miller 170—BJ won by fall over Sean Morales. Streuly—195, wrestling Wyatt Engen appeared to have control in the second period. But a quick move by Engen found Streuly on his back and Engen got the pin. Allen—220, was matched up against Wesley Egan. It was the third period and Egan had literally been thrown to the mat more than once by Allen in the prior periods. Both were looking weary, Egan got the upper position and scored enough to win by decision. At 132—Jameson Wallin and Ian Suer met on the mat. Wallin scored the first points. Heading into the second period it was a tie score. Suer would prevail by pinning Wallin. Lohmar—138 and Evan Suer were equally matched. Their competition would last until the final buzzer of the third period. Lohmar would win by decision. McIntyre—145 was paired against Nicolas Zamora. McIntyre would earn the pin. Weis and Jayden Anderson wrestling at 160 would close out the night. It was an intense matchup with coaches and teammates from both sides shouting directives. When the final seconds ticked off in the third period, Weis would come away the victor with a 14–6 decision. The Parkview team scoring 51 to Brodhead’s 25 would win the overall match.

The wrestling team would complete their busy week by participating in the Deerfield Scramble that involved 20 schools. Streuly, McIntyre and Lohmar would finish in second place in the Gold Division. Miller and Allen would take second place in the Silver Division.

The Rock Valley Conference wrestling meet will be held on Saturday in Clinton.

Boys’ Basketball Need to Believe in Themselves

By Teresa Earleywine

Brodhead was struggling to make solid passes which led to Marshall intercepting and making layups look easy as they scored the first 10-points in the game last Monday. But then Brodhead, led by Cullen Walker, went on a 19-2 run. That appeared to be the spark the Cardinals needed as they shutdown Marshall for over eight minutes. Brodhead had a 31-28 lead at the half. The two schools of Cardinals played each other tight for most of the second half. Marshall gained a 5-point lead late but Brodhead found its way back. But the clock was ticking. Brodhead had to foul, 28 total in the game, to preserve time. Marshall earned 14 points in the second half from the stripe to take the game 67–57. Walker led all scorers with 32 points including three treys and going 5-for-5 from the free point line. Chipping in 16 was Jaxon Dooley.

Brodhead knew there are “no gimmes” when playing Beloit Turner. The Trojans have scored 90+ points per game four times thus far this season. Beloit Turner was hitting on all cylinders and racked up a 39-22 halftime lead. The Trojans continued to widen the gap draining 51 points in the second half while holding the Cardinals to 24. Turner would tally 90 points to Brodhead’s 46 to maintain their second place standing in the Rock Valley Conference. Dooley and Walker led Brodhead. Beloit turner had five players in double digits.

Tuesday the boys will be on the road to East Troy and take on White-water at home on Friday.

GBB Beat the Cougars— Fall to McFarland

By Teresa Earleywine

Clinton would score the first basket when Brodhead travelled there last Tuesday. It was a slow start for both teams as near seven minutes would have ticked off the clock and the score would be 2-3. Alecia Dahl would aid her Cardinal team putting 13 points on the scoreboard in the first half. At the break Brodhead would lead 31–19. Abbie Dix scored 14 of her game high 23 in the second half. Jayden Nortier with 20 points led the Cougars. From the free throw line Brodhead made 12/21 and Clinton completed 10/15.

In their second game of the week, hosting McFarland this time to would be Brodhead who would earn the first points but the Spartans would then take control and never relinquish it. Brodhead has struggled shooting from beyond the arc this season. Friday, the Cardinals would manage three 3-point shots that would not come til the second half while McFarland would put up 11 treys for the night. Down by 21 points late in the first half, Brodhead would shut down the Spartans in the final three minute. The Cardinals would score 10 unanswered points to come within eleven and breathe a sense of life back into their game. Opening the second half, Addison Yates would score from the arc within seconds to bring Brodhead back to an eight- point deficit. Then the home team went dry and not score for the next nine-minutes. Meanwhile McFarland was on a scoring parade. Brodhead’s Coach Brian Kammerer took more than one time out in an attempt to change the momentum and tempo of the game. But the Cardinals would not be able to recover from the widening gap. The Spartans would score 33 points in the second half and were led by Adrienne and Brynn Kirch who would each score 17 points on the night. Brodhead’s Dix would lead all scorers with 20. It was a physical game, McFarland managed 18 steals, 40 rebounds, 19 fouls and were 4-of-7 from the free throw line. Brodhead crashed the boards for 38 rebounds, 13 fouls and were 12-of-17 from the stripe. With the 63–41 victory, McFarland is in sole possession of first place in the RVC.

This week, Tuesday, the girls will host Marshall in a non-conference matchup then travel to Big Foot on Thursday.

CHILD DEVELOPMENT DAY
Child Development Day for the 2023/2024 school year is quickly approaching! On Friday, February 24th, your child will participate in a play-based screening to help prepare them, and you, for school. Screenings are for any child ages 3-5 years old, including those entering 4K and/or Kindergarten. Screenings will last about an hour and can be scheduled by calling the main office.

CONSERVATION CAMP
If your student is interested in having fun outdoors, then conservation camp is for them! The Conservation League of Green County has an amazing opportunity that allows students to participate in one of two conservation camps for FREE! Students who are interested should write a SHORT essay explaining why they want to go to camp and why they feel they should be chosen. Deadline for this opportunity is Saturday, February 11, 2023. Please e-mail your name, age, parent's name, telephone number and e-mail address along with the short essay to whitehandlebar@gmail.com.

WALL OF FAME NOMINATION FORM

**Brodhead
School District**
For A Better Tomorrow

Brodhead High School is pleased to accept nominations for alumni who have brought honor to our community as one of Brodhead's "Shining Stars". Nominations will be considered for any person who graduated from Brodhead High School. Nominations will be accepted until February 2, 2023. We are looking for people who have gone on to achieve outstanding academic accomplishments, have served our community or country in truly outstanding ways, have received national or state recognition for excellence in some area, or have gone on to demonstrate excellence within their vocation. Candidates selected for the "Wall of Fame" will be awarded a plaque at a ceremony on Monday, March 6, 2023. A second plaque with their photo and a profile of their accomplishments will be placed forever on Brodhead High School's Wall of Fame for the students and public to view. Please send nominations attention:
