All across the landscape, steeples of churches large and small point skyward, indicating the place where men, women, and children have gathered—often for generations—to give thanks for their victories, weep over tragedies, and walk together through the mundane rhythms of life. The walls of those sacred spaces are saturated with prayers offered to the God of the universe, who sent His Son to die so they might live. They are forever imprinted with the hopes and dreams of people who gather week after week, no matter the weather, because something deep in their souls requires them to come together.

Those churches are dwindling in numbers now, as they have for years in Europe. Christians have not often lived up to their callings, and we have been judged harshly for that. We did it to ourselves, I believe, but that's a subject for another discussion.

My point is that, in Brodhead and elsewhere, churches are filled with communities of people who continue to persevere because we cling to the God who lifts us, enables us, blesses us, corrects us, and remains faithful to us even when our behavior might not be flattering. We are not always good emissaries of the Lord we serve, but we're striving to do better. Meanwhile, we're taking care of homeless families, feed-

ing hungry people, responding to needs quietly, and praying fervently for people who may never know it. We do that because we are filled with joy, and we love the people around us with the love of God.

If you haven't already, I pray you'll find connection with a community of faith and join your heart with the hearts of your neighbors and friends. Don't worry about money, or whether you'll fit in. You don't have to sing, or give a speech. This is about connecting with the Lord, alongside others who are connecting with the Lord. It's about praying alongside others who are praying, and being with others who long to be with you.

The next time you're out driving, and you see one of those steeples poking out above the treetops, remember—there gathers a community of people filled with joy, angst, grief, and hope, all shoulder to shoulder striving to make the world a bit better in Jesus' name. Most of them are not picketing, insulting, denigrating, or demeaning others. They want sick loved ones to get better, and young people to be safe in the world. They want to grow and be better themselves. Most of all, they want to feel the presence and peace of God.

Take a moment and join them this Sunday.

## Girls Sweep Their Week

By Teresa Earleywine

In a non-conference game last week, it was a tale of two Cardinals when Brodhead hosted Marshall. Alexis Kammerer put up three 3-point shots in the first half and Alecia Dahl added 12 points, two from the arc, to aide the home team Cardinals to a 37–22 halftime lead. Abbie Dix earned a double-double in the game as she crashed the boards in the second half for 14 of her game high 22 points and snagged 15 rebounds in the game while Addison Yates was 100% from the free throw line. Dix, Dahl and Yates led Brodhead in the 65–45 rout of Marshall.

Thursday the girls traveled to Chief country and totally shutdown Big Foot. Brodhead had 38 rebounds, 12 steals and seven Cardinals combined for the 51–14 as they crushed the Chiefs.

This week, Tuesday, East Troy comes to town and on Friday the girls will be on the road to White-water.

## Cardinal Boys Rise

By Teresa Earleywine

Teamwork and having fun playing the game appeared to be the ingredients that have been missing from the boys’ basketball team until this week. They started out their week on the road to East Troy. Jaxson Dooley would get the Cardinals on the board first. Sam Searls was able to steal that would allow Cullen Walker to be in position for a trey shortly after. The Trojans would respond gaining a one-point lead. Brodhead would work its way back into the lead, 31–24 was the score at the break. Cardinal senior, Aidyn Vondra would come alive in the second half scoring 10 of his 12 points. Brodhead continued to stretch their lead with Nathan Engen pulling down rebounds to give the Cardinals charge of their own destiny. East Troy accumulated 24 fouls on the night to give Brodhead plenty of opportunity to earn points from the stripe, 15 coming in the second half. The Trojan’s leading scorer, Ryan Weed was contained to just 10 points in the game. Walker, Dooley and Vondra would all score double digits. With the final score 66–61 Brodhead would notch a win.

Playing Whitewater on Friday at home, Brodhead had a new-found level of confidence. From the opening tipoff it was all Cardinals. Solid passing, anticipating the play to snag the steals and playing as a team had Brodhead out in front all night long. At the half, the home team led 61–28. The Cardinals kept up their pace and continued to widen their lead. A continuous clock came into play at the nine-minute mark on the clock as Brodhead had a 40+ point lead. As they neared the century mark, the student section spurred their home team to reach that milestone. Bockhop would complete the mission. At the buzzer the final score 103–49 would give Brodhead a two-game winning streak. Both teams were scoring from long range as they combined for a total of 19 three-point shots in the game. Reece Condon with 16 points would lead the Whippets. Walker, Gabe Bockhop, Vondra, Dooley and Sam Searls all contributed from beyond the arc for the Cardinals and nine players recorded points on the board. Brodhead had 45 rebounds and 15 steals on the night and added 14 points from the stripe.

This week the team will host Clinton on Thursday. In conference play Brodhead has a one-game edge over the Cougars.

ROCK COUNTY, WI  
FARMLAND AUCTION

MARCH 14TH AT 10AM

Peoples Company is honored to represent the Weihmeir Family Trust in the sale of 430± acres of western Rock County, Wisconsin farmland. Farmland in this area of Rock County is a tightly held asset with ownership often transferring from generation to generation and rarely comes up for sale. This farm has not been available to the public in over 48 years making it a rare opportunity to own an exceptional farm in southwest Wisconsin. This high-quality farm would make a great addition to an existing farming operation, an investment-grade quality land purchase, or a long-term investment for the buyer looking to diversify their portfolio.

From Brodhead Wisconsin: Travel north at the intersection of State Highway 104 and State Highway 11 for one and a half miles. The property is on the east side of State Highway 104. Look for PeoplesCompany signs.
