Green County Pride Little Free Library

**By Kathy Comeau, MA Ed,
Program Director, Better
Brodhead**

I would like to thank Green County Pride for creating a Little Free Library containing books with LGBTQ+ content.

Books allow people to think about topics outside themselves and see the world from a different perspective. Books help broaden our understanding, leading to a more equitable society. Books can help communities by serving as windows of the world and mirrors of personal experiences. Youth needs to be able to see themselves represented in the characters and storylines.

Using the Human Rights Campaign and the American Library Association recommendations, Better Brodhead donated six books to the Green County Pride Little Free Library.

The Green County Pride Little Free Library is located across from Jaycee Park. People are welcome to take a book and bring it back after reading it.

Dueling pitchers but Cardinals prevail

By Teresa Earleywine

The Cardinals, hosting Beloit Turner was literally a test of opposing pitchers. And the elements. As the game moved through inning after inning, the temperatures dropped and the wind became quite raw. McKenna Young was on the mound for Brodhead while Ryleigh Rose threw for the Trojans. Young, in the opening inning, had back-to-back strikeouts. As Beloit Turner took the field, Ava Risum was the lead off hitter for the Cardinals. She connected sending the ball to center field and getting herself to second base. Rose took down the next batter. Enter Taetum Hoesly up to home plate. She hit a hard ground ball that Risum was able to capitalize on and score. That would be it for the score but it would be enough for a 1- 0 win. Young would strike out 16 batters and walk just two. When the Trojans did get on base, the Cardinal defense was ready to assist Young in getting a no-hitter.

This week the team will be at Big Foot on Tuesday and host East Troy on Thursday and River Valley on Friday.

Cardinal baseball—the calm before the storm

By Teresa Earleywine

The Cardinals hosted Edgerton last Friday and completed the game before it was called due to storms rolling through the area. Evan Senobe was on the rubber for Brodhead. The lefthander had just one hit, six strikeouts and zero runs over four innings. The Cardinals put five runs on the scoreboard in the fifth inning. Trent Neeley, Gabe Bockhop, Dave Masloske, Clayton Elliott and Ryan Searls each drove in runs. Aidyn Vondra also collected a hit for the home team and stole home to give the Cards a 5 – 1 lead. Brodhead outscored the Crimson Tide 7 – 0.

Carson Dupuis pitched for the Tide. He struck out nine but had seven walks in the game. Logan Hanson came in as relief in the final inning and walked four. Jack Fox closed out the final third of that inning then the game was called due to weather.

This week baseball will play at McFarland on Tuesday and host McFarland on Thursday.

Located at 1020 17th Avenue in downtown Monroe, all proceeds from sales will benefit the Sexual Assault Recovery Program (SARP), which serves survivors of sexual assault and human trafficking in Rock and Green counties.

The store's grand opening is set for 4–7 p.m. on Wednesday, April 19, with a ribbon cutting at 4:30 p.m. All are invited to attend the free event, which will include refreshments.

The Thrift and Thrive store's regular hours will be Wednesdays through Sundays, 10 a.m.–6 p.m. Because the store will be staffed by volunteers, hours may vary occasionally. Family Services is seeking volunteers to help in the store. Anyone interested may contact Jenifer Wichita at jwichita@sar-pwi.com for more information, or stop at the store.

All items for sale in the store will be donated and in good condition. These include books, adult and children's clothes, jewelry and other accessories, shoes, purses, and household items. Donations are appreciated; donations of in-season items in good condition may be made directly at the store anytime during open hours. Donated items must be able to be easily transported by one person.

Family Services previously operated a thrift store in Monroe in partnership with a local business owner from November 2019 until November of 2022.

“We are excited to move forward as independent owners of this business, both to provide a store that offers affordable, sustainable products, and to generate additional funds to benefit SARP,” said Kelsey Hood Christensen, Director of Survivor Empowerment Services.

In addition to SARP, Family Services includes the following programs: DEFY Domestic Abuse; Individual and Family Counseling Program; Praxis Employee Assistance Program; Youth2Youth 4 Change; and The Neighborhood Resilience Project. For more information about Family Services, visit www.familyservices1.org.

Family Services is a funded partner of United Way Blackhawk Region and United Way of Green County.

Winter Sports Awards held

By Teresa Earleywine

Winter Sports Awards were handed out this past week. Head Coach Tommy Meier, boys' basketball, recapped the season and recognized each player's unique qualities that contributed to the dynamics of the team. Newly established award this year "Mr Hustle " was awarded to Gavin Pinnow; MIP—Brody Riese; MVP and Second Team All Conference in the Rock Valley—Cullen Walker; and Jaxson Dooley was selected to the Honorable Mention All Conference.

Coach Chris Hoesly commended his wrestlers on their 2022-23 season. He acknowledged the challenges they faced as a team, applauded his upperclassmen for their willingness to help shape the

younger wrestlers through mentoring and coaching and his aspirations to grow the program. Moving forward the WIAA is proposing changes to decrease the number of weight classes that take place in the upcoming school year. Brodhead alum, Gavin Baade, now a teacher in the Juda School District, will be helping to grow the wrestling program within the school thus enhancing the co-op between Brodhead and Juda. Named to First Team All Conference—Marcus McIntyre and Joe Lohmar; Second Team All Conference—CJ Streuly and Emmitt Allen. Voted on by their teammates as Co-MVPs were McIntyre and Lohmar. Most Improved—Landon King who improved his wrestling record by more

than 400% this year. Brian Kammerer, head coach for BHS girls' basketball program stated the importance of taking the time to look back at the season and the achievements of individuals and collectively as a team. The team finished with a 17-8 record and third place in the Rock Valley Conference. Graduating three seniors who have been playing basketball together since fourth grade. In their four years of high school they have won more than 68 games, three regional runner-ups and one conference championship. The most notable achievement this team accomplished this year was the post season award from the Wisconsin Basketball Coaches Association. Every single

varsity player was recognized with the WBCA Academic All-State Award. To qualify; must be a varsity player with a 3.5 GPA or higher. The average GPA for this team is 3.84. Coach Kammerer stated, "Not only are these girls good athletes, but even better people." Cindy Rice Award (accumulates over 350 points in their HS career) Abbie Dix and Alexis Kammerer. Scout Player of the Year—Makena Schooff, MIP—Taetum Hoesly and MVP—Alexis Kammerer. First Team All Conference—Dix (four consecutives), Second Team All Conference— Freshman Allie Dahl and Kammerer. Honorable mention—Addison Yates and Taetum Hoesly. Dix is also named to the All State Honorable Mention Division 3 Team for the second time.

By Sarah Carpenter, Outreach Librarian

If you've happened to come into the library or visit either our website or Facebook page, you may have noticed some conflicting information about the All Booked Up selection for this month. I definitely goofed, and for that I am sorry! The REAL April book selection is 'Sworn to Silence' by Linda Castillo, the first book in the hit Kate Burkholder series. You may even be familiar with the 2013 Lifetime movie 'An Amish Murder' based on the first release. In 'Sworn to Silence', we are introduced to Kate Burkholder who survived the Slaughterhouse Killer that terrified her peaceful Amish community years ago. Now as an adult, Kate is the perfect candidate for Chief of Police and returns to her roots. It's not long until a body shows up in a snowy field, bringing back secrets from decades past. Join us Monday, April 24th at 6:30 p.m. for our discussion of this gripping thriller!

We had a great kick-off to our monthly Family Movie Night! We have planned out our movies for the rest of the year, so make sure you come by and pick up a schedule of all the movies we'll be showing. Dates will be announced each month, but you can get excited about which movies will be coming up! Our next movie showing will be held Friday, April 28th at 6:30 p.m.

Don't forget about our rescheduled Library Putt- Putt on Saturday, April 15th from 10:30 a.m.-12 p.m. Take a much needed break from the Village-wide Garage Sales and enjoy some time on our (indoor) putting green! Or, put all your focus into finding the best deals possible and send the kiddos to golf with dad, mom, grandma or grandpa for fun family time.

Other important dates: Tuesdays at 10:30 a.m.—Children's Storytime; Saturday, April 8th, 10:30 a.m.—LEGOs at the Library

March 27-April 2, 2023

At approximately 7:18 p.m., Friday, deputies responded to a one-vehicle rollover crash with no injury in the W1900 block of STH 11, Town of Spring Grove. Investigation revealed the operator, Scott M. Fields, 42, was westbound on STH 11 when his vehicle began hydroplaning. The truck left the roadway, entered the south ditch, climbed an embankment and then rolled due to the incline of the embankment. The truck came to a rest on its roof. Scott and his three passengers were not injured and all reported wearing their seat belts. The vehicle had full airbag deployment and was towed from the scene due to disabling damage.

Sexual Assault Recovery Program to Host We are all Survivors Writing Workshop

The Sexual Assault Recovery Program (SARP), a program of Family Services of Southern Wisconsin and Northern Illinois, Inc., will host a writing workshop for anyone age 12 and up who has experienced emotional or physical trauma. The two-day workshop, titled "We Are All Survivors," will be from 10 a.m.—2 p.m. on April 22 and 23 at the Monroe Theatre Guild, 910 16th Avenue, Monroe. The workshop is free to attend.

The creative writing workshop is designed to encourage participants to take time for themselves to address everyday stress or life-changing traumas. Research has shown that writing can result in a reduction in stress, anxiety, and depression; improve sleep and performance; and bring greater focus and clarity.

"There are many different ways to heal. Expressing yourself through creative writing is one way to find your voice and find the meaning of your experience. Your story is your story to tell the way you want it told," said Paula Vestin, Sexual Assault Services Coordinator for SARP.

Anyone age 12 and up is welcome. People who are 12–15 years old should attend with an adult. Basic lunch will be provided. RSVPs are appreciated but not necessary.

Additional information is available on the SARP Facebook page at www.Facebook.com/GreenCountySARP. For questions or more information, please contact Paula Vestin by phone at 608-371-9004, or by email at pvestin@sarpwi.com.

SARP serves survivors of sexual assault and human trafficking in Rock and Green counties.

In addition to SARP, Family Services includes the following programs: DEFY Domestic Abuse; Individual and Family Counseling Program; Prax-

Brodhead Dance Academy takes the stage for 23rd season; the final curtain call for the Boegli family

Earlier this spring the DeAnne and Doran Boegli announced their intention to sell the business to Andrea Mueller, owner of Miss Andrea’s Dance Factory in Rockton, Illinois. The deal is set to close on May 1. This makes the upcoming recital the final curtain call for the Boegli family who started the business in 2001.

“At our final recital we will celebrate life and all that comes with it,” says owner, DeAnne Boegli. The performance is titled ‘Rise and Shine! Let’s go to work!’

She explains, “Our work life is an incredibly important part of our total life story. Hundreds of dancers have passed through the BDA studios and they are doing amazing things. They are architectural designers, accountants, bankers, communicators, dancers, nurses, pharmacists, parents, marketers, social workers, therapists, and teachers—the list is endless.”

“What they all have in common

is what they learned in the dance studio and on the stage. I’m confident our dancers can walk out into the world with their shoulders back and chins held high ready to stand tall and take on the challenges that will come their way. That’s the magic of dance. The confidence, poise, teamwork, and self-awareness that comes from the dance process gives dancers a leg up on the competition.”

There are still tickets available and the events are open to the public. Anyone who wants to purchase tickets can visit <https://dancestudio-pro.com/tickets/brodhead-dance>

Recitals are being held Saturday, April 15, 10 a.m. and 3 p.m. or Sunday, April 16 at 1 p.m. or 4 p.m. at the Brodhead High School.

SSM Health Monroe Hospital Recognized for Exceptional Patient Experiences

SSM Health Monroe Hospital has been recognized for exceptional patient experience by receiving the Healthgrades 2023 Outstanding Patient Experience and Patient Safety Excellence Awards.

Healthgrades is the number one website Americans use to find quality care. To determine recipients of these awards, Healthgrades evaluates hospitals on their performance on 10 patient experience measures. This includes categories such as recommendation to family and friends, communication with staff and discharge information.

“We are one of only 83 hospitals that received both awards,” explained Jane Curran-Meuli, President of SSM Health Monroe Hospital and SSM Health Monroe Clinic Medical Group. “Celebrating the exceptional care our teams provide daily to our communities is what makes these recognitions so special.”

This year’s dual award recipients represent the top two-percent of hospitals nationwide that prioritize and excel in providing a best-in-class patient experience.
