Welcome to the Brodhead **Sports**

Boosters

The Brodhead Sports Boosters is a parent-based organization, which provides support to the Brodhead athletic program and all who participate. The Sports Boosters elect nine board members who meet once a month to manage club activities.

They are: Chris Hoesly-President, Jodi Kail-Vice President, Keith Miller—Secretary, Kelli Arn— Treasurer, and Board members— Curt Streuly, Curt Woekly, Chris Erb, Alecia Wallin and Darcy Yates.

You do not have to join to be a member. All are welcome! In fact, if your son or daughter is involved in sports, you're considered a Sports Booster. It is up to you to determine if you want to be involved. This is a great opportunity to meet new people, get to know the kids and what sports they are involved in.

The Boosters can always use help. They have many activities they are involved in, from concessions, chicken bbq, ball tournaments and setting up tents for special occasions.

All the money they raise gets put right back into all and any of the athletics. Some examples: a new gym floor, new wrestling mat, batting cages for softball and baseball, coach buses for teams on state trips, golf bags for the golf team, new hurdles, starting blocks for track, a tent for cross-country team, a selffunded new concession stand, wall padding in the middle school, and junior high wrestling mat, just to name a few.

So if you have a few hours to spare sometime, please volunteer. Thank you.

Kid Connection TEXTILE RECYCLING DRIVE

When: Saturday, April 30th from 9-11 a.m.

Where: NEW OFFICIAL LOCATION—three car garage located between Albrecht Elementary School and Brodhead Middle School on the corner of 21st Street and W. 7th Avenue.

What is a Textile Drive? It is a fund-raiser where they get paid by the pound for recycling old/used fabric items. First, anything usable is distributed to communities in need. Second, donated items not suitable for wear are recycled into wiping rags. Lastly, items not suitable for wiping purposes are processed back into fibers that are remanufactured into paper, yarn, insulation, carpet padding, etc.

Help them by bagging up your dry, clean/odor free old clothing, undergarments, bed sheets, curtains, and paired shoes. All items must be put in plastic bags that can be tied shut. Small garbage or shopping bags work best. Fabric scraps, pillows, comforters and rugs are NOT accepted. Please refer to the Kid Connection/AE PTO Facebook page for a complete list of acceptable and unacceptable items. For questions call or text Lori Riese at 608-931-6901.

All monies raised will be used to help enhance the educational experience at Albrecht Elementary School. Thanks in advance for helping to make a difference in more ways than one!

Interesting fact, did you know that in the U.S. 81 pounds of clothing per person are thrown away annually? Textiles currently make up 6.3% of the waste stream. Donate to improve our environment and elementary school.

CASEY'S CORNER

By Casey Jones

Good morning, I hope your week has gone great!

Well, my first week of being Mayor has flown by so fast that I wasn't able to sit down and write a true Casey's Corner. I hope you will enjoy this "encore" of Casey's Corner from a year ago.

4-28-21

"Good morning! I hope your week was awesome!

The dogs and I are looking forward to my wife, Lori, getting home from the quilting retreat that was held this past week in Brodhead. I have heard that, "Absence makes the heart grow fonder!" That must be for humans only because for the dogs it caused great anxiety and gas! Whew! Little dogs, big

Congratulations to the women's volleyball team on their great season! This group of young ladies will have a special bond for the rest of their lives with their teammates. They worked as one cohesive unit and were rewarded with great success.

It was very nice to see something in town that everyone could get behind. Social media was filled with well wishes and support. People were celebrating and participating in the success of a team that deserved their support.

I remember being a member of many teams while I was in Brodhead High School. The support of the people who were not active members of the team fed the fuel of our competitiveness. The cheers of our fans and supporters gave us the will to compete as a team even when success seemed to evade us. The lessons learned while participating in school sports, academic or scholastic clubs remains with us for a lifetime. It taught us to work hard to achieve success and how to cope with failure when success didn't happen.

As a nation, we are coming out of one of the hardest times ever experienced in our lifetimes. It is time to use the lessons learned long ago during our childhood. It is time to practice teamwork in all we do. It is a time to support others like we were supported by our hometown when we were participating. It is time to spread love and understanding for people who make decisions that do not mirror ours. Cutting people down rarely achieves longterm goals of success and happiness and usually never changes anything.

Oops! I hope you didn't hear that, but I just fell off my soapbox! Not quite yet! As we resume our lives let's remember to be nice to one another!

Until next week! casey@bccole.com"

Red Hot Pitchers Keep Softball Team in the Lead

By Teresa Earleywine

It took all seven innings and, in the end, Brodhead softball had their first loss, 6-9, against Jefferson last Tuesday. The Cardinals were held to just four hits in the game while the Silver Eagles managed none. Ava Risum and Mckenna Young were both on the rubber for Brodhead combining for 120 pitches and striking out nine players.

In the game against McFarland, Risum and Sophia Leitzen teamed up and pitched a shutout. On offense, the girls were smoking at the plate and put 11 runs on the scoreboard and completed the game in five innings. In the second inning, the Cardinals logged seven runs with Risum, Young, Sophia Leitzen, Madisyn Kail and Daisy Nelson getting RBIs. Leitzen and Young each had homeruns in the third.

They traveled to Whitewater on Saturday for a double header. In the first game Young, threw a complete game shutout, striking out 16, to help lead Brodhead to an 11-0 victory. The Cardinals racked up 13 hits for the day and gained five runs in the fifth inning. Cora Hafen, Young and Leitzen had multiple hits on the day. Leitzen hit deep in the fifth for a homerun.

Young continued her run on the pitcher's mound in the second game with another no-hitter and striking out 10 giving Brodhead, 12-1 score and the win. The visiting Cardinals gained eight runs in the fifth with Hafen, Kail, Nelson and Young contributing. Jerrica Schwartz and Hafen each went 2-for-2 at the plate.

Last Wednesday the Wisconsin Fastpitch Softball Coaches Association poll placed the Lady Cardinals in the No. 1 spot in Division 3. Also representing the Rock Valley Conference is Jefferson ranked seventh in D2.

This week the team were at McFarland on Monday and Clinton on Tuesday. They return to home on Thursday against Beloit Turner.

Have you been to the library recently? There are so many things to see and do. Stop in when you have a little time to enjoy being there. Of course, books are the big attraction, but not the only one.

We have a great display of old maps of the area. There is an 1861 map of Green County, an 1873 map of Albany, an 1880 Wisconsin geological survey, a 1922 map of Country Schools in Green County, a map of Winnebago Indian sites and trails, a cartoon map drawn by Rockwell Barns circa 1908. There a dozen maps in all, courtesy of John Ochsner.

Button, button who has the button. Did you ever play that game as a child? In our display case we have 100s of buttons on display, as well as wooden spools, lady's hatpins, and a doily stretcher. Check out this display of items many women had at

the turn of the century. Courtesy of John Ochsner and the Albany Historical Society.

Like to keep your hands busy? We have 15 songbird mini jigsaw puzzles to put together, cool crafts for both adults and children. For the kids there are also coloring pages, puzzles, and the toys are back!

There is a Genre Scavenger hunt in the adult section, which includes a chocolate library book for participating, and 3 library cats hiding in the children's room for those of you who are great at spotting things.

We have fun activities on our bulletin board every month. April has been, put a poem in your pocket. Take one while they last! Also in this area of the library is our book club display. (You can check out a book from this table even if you are unable to participate in the discussion) Book club meets on the fourth Monday of each month, at 6:30 p.m. If you need further information on upcoming new books, take a free Book Page magazine for great reviews of new books. You can use this to make suggestions to the library staff for future library acquisitions.
