Gracyn Bolton Earns Girl Scout Gold Award

Gracyn Bolton, a member of Girl
Scout Troop 9030 and graduate of
Juda High School, has earned the
prestigious Girl Scout Gold Award for
her outstanding project focused
on upgrading the Juda Community
Park in her hometown.

Gracyn's project aimed to ad-
dress safety and usability issues
within Juda Park. Recognizing the
need for improvements, she worked
diligently to shore up unsafe build-
ings, revitalize the deteriorating
basketball court, and refurbish the
worn-out batting cage. Her efforts
ensured the safety and usability of
the park for both school and com-
munity activities.

"Gracyn's dedication to enhanc-
ing the Juda Community Park ex-
emplifies the values of Girl Scout-
ing," said Lisa Smith, CEO of Girl
Scouts of Wisconsin—Badgerland.
"Her project not only benefited her
local community but also demon-
strated her commitment to making
a positive impact on the lives of oth-
ers."

Currently studying elementary
and special needs education at UW
Stevens Point, Gracyn continues to
embody the Girl Scout spirit of lead-
ership and service in her academic
pursuits and beyond.

Gracyn was honored at a local
celebration hosted by Girl Scouts
of Wisconsin—Badgerland this
past weekend. All Gold Award Girl
Scouts, including Gracyn, will also
be recognized by Governor Tony
Evers on Monday, May 13, 9-10
a.m. at the Wisconsin State Capitol
Building in Madison.

Loaves and Fishes Community Meal Schedule

Submitted The Loaves and Fishes Community Meal Board

The Loaves and Fishes Community Meal nonprofit was created in 2011 and will celebrate its 13th year in May 2024. As with many programs, the COVID pandemic created huge obstacles for meal sites and restaurants alike. The Loaves and Fishes board members made every attempt to keep the program going even at one point offering drive-up service. The problem was that this nonprofit was created to bring people together for fellow-ship, community, and a meal. Loaves and Fishes served an important role for our Green County community members because it provided a monthly social outing, something you just can't get with a drive-up meal program. As a result, by October 2023, it seemed the nonprofit had lost too many vol-unteers and would not be able to rebound from the pandemic. Fortunately, a group of community members came together with one mission, to save the Loaves and Fishes program. We are excited to inform the Green County Community that this important program is back and ready to serve meals again!

It has been so exciting to see community members with diverse back-grounds join together, and share in this mission along with the expertise of the existing board members to build a new, stronger, board of directors to keep this great nonprofit moving forward. The Covid Pandemic presented some struggles but it did not take this group down! We are back and stron-ger than ever! Thanks to some great volunteers we now even have a web-site, www.loavesandfishesmeals.org , a Facebook page, and yes, a Loaves and Fishes phone number 608-909-1555.

The meal schedule will remain the same as in the past, always on the fourth Sunday, 4-6 p.m., and still at Grace Lutheran Church, 1025 15th Ave-nue, Monroe. The site is handicapped accessible and the church has been most generous in allowing us to use its facilities.

Our first Meal of 2024 will be the fourth Sunday in May, (Memorial Week-end) and is sponsored by the Monroe Noon Optimist Club. The holiday meal will be a Memorial Day cookout with brats, hot dogs, baked beans, cheesy potatoes, tossed salad, and cake in celebration of our 13th anniversary.

We are still (and always) looking for additional volunteers and meal spon-sors. If you would like to get involved, please contact our Volunteer Coordi-nator; Jean Sinkule by Facebook or by phone and we will gladly find a spot for you! Thank you to such a generous and caring community for your sup-port through the years!

Imagine Discover Connect

Albertson Memorial Public Library

By Melissa Everson, Director

Choosing a Book to Read Isn't Always That Easy

For all of my life, I've been an avid reader. As a child, I devoured entire series of books—Little House on the Prairie, The Littles, Nancy Drew and The Hardy Boys, The Boxcar Children. As a young mom, I went through years-long phases of Danielle Steel and John Grisham. About three years ago, I saw the newest release of a murder mystery series by Linda Castillo in a book display at the library. It only made sense to me to delve into the life of formerly-Amish-now-police-chief, Kate Burkholder. It's a series, right? I devoured the first 11 books in about three months and couldn't wait for the release of subsequent books in the series! I've also enjoyed bouts of Emily Giffin, Jodi Picoult, and now Colleen Hoover, who has been really popular at our library for the past year.

I think I've always found comfort in reading a series of books or sticking with the same author or genre. Maybe it's that I'm not adventurous or a risk taker in my reading. Perhaps, I'm simply lazy and don't take the time to research other possibilities or am too embarrassed to ask fellow readers for recommendations. There have to be thousands of authors and hundreds of thousands of books in our physical and virtual world. Right? So why do I limit myself to specific authors?

I currently lead the adult book club at AML, and it's been an amaz-

Baseball Has Walk-off Victories

By Teresa Earleywine

Monday playing a nonconference game against Dodgeville, the Dodgers took an early 4–0 lead in the first inning. The Cardinals were diligent and patient chipping their way to a tie game, 4–4, in the bottom of the fourth. It is bottom of the eighth, Brodhead pitching duo of Kohen Sawle and Sam Searls, since the second inning have not allowed the Dodgers to score with both infield and outfield backing them and playing defense. Evan Senobe, who led the team at the plate 2-for-4, doubles on a fly ball to center field. Gabe Bockhop who was 0-for-3 on the night, hit a line drive to left field allowing Senobe to score. Cards win 5–4.

On Tuesday hosting Evansville, the Blue Devils held a 5–3 lead going into bottom of the sixth. Cardinal player Max Pinnow is walked, Braylon Strehlow replaces Pinnow as a pinch runner. Senobe singles, Strehlow advances to second. Gabe Bockhop with a sacrifice fly to center field allows both Strehlow and Senobe to tag and advance a base each. With two outs, Dave Masloske hits a line drive to left field for a double. Strehlow and Senobe both score to tie the game 5–5. Senobe was on the rubber for Brodhead. He retires the Blue Devil side to maintain a tie game. The lefty struck out nine and allowed one unearned run on his watch. The Cards at bat, Ryan Searls is walked and then steals second on a wild pitch. S. Searls hits to center field, R. Searls is tagged out while diving for third. Sawle takes his base on the fourth thrown ball and S. Searls advances to second. Brodhead's next batter pops out. Two outs, two on, near bottom of the roster, Tyrin Foster, 3-for 0 on the night, has one ball, one strike. The third pitch, he swings to connect and send the ball over the head of the left fielder. S. Searls scores for the walk-off 6–5 dramatic finish. Foster is mobbed by his teammates and Coach Aaron Guilbault may be undergoing a stress test soon.

Thursday was senior night in the final regular season game at home. Senior Tessa Klopping went 3-for-3 at the plate and three RBIs while the three other seniors, Leitzen, Jerica Schwartz, and Jaelyn Hilliard each had a hit and contributed to the shortened game based on the 10-run rule as Brodhead ousted

Playing at Evansville on Thursday, Brodhead held a one run lead into the fifth inning. The Blue Devils pulled off a late comeback and would take a 3–2 victory. Facing the Silver Eagles of Jefferson on Friday, Brodhead had trouble keeping up with the hot bats of the Eagles who had 12 hits and 10 runs and limited the Cards to five hits and no runs. Jefferson leads the entire Rock Valley Conference with a 10–1 record.

This week, they played at Stoughton on Monday, home Tuesday vs. Clinton then at Clinton on Thursday with East Troy on Friday in Brodhead and a double header on Saturday at UWWhitewater.

Softball Hopes to Secure Conference Championship this Week

By Teresa Earleywine

Playing five games in four days tested the endurance of the Cardinal softball team. Opening against East Troy, Brodhead had 9 runs in the first inning batting completely through the order for a 5–0 lead. Still in the first, bases loaded, Sophia Leitzen homers, a grand slam, on a fly ball over the left field fence. The Trojans got on the scoreboard in the fifth, two runs to the Cards 11 runs, to extend the game into the sixth inning. Tessa Klopping, 2-for-4 at the plate, doubles in the sixth to put Karli Krumwiede into scoring position. Leitzen is credited with the RBI with her next at bat. She went 3-for 5 in the game.

Taking on Clinton in game two of the week, it was a pitching duel between Cardinal Ava Risum and Ashley Theisen for the Cougars. Risum struck out 15, had five hits, one run and no errors while Theisen striking out 12, three runs on four hits, and one error. Neither gave up any walks. But late in the seventh, Risum was struck in her right forearm by a line drive and there was an audible gasp from the crowd. It was a hot minute waiting for the determination. Leitzen was brought in relief with two runners on and two outs. Clinton would score one run before the final out was obtained. Leitzen and Keegan Steinke each had two hits in the game and each were credited with an RBI. Brodhead remained perfect on their season with a 3–1 win.

Thursday was senior night in the final regular season game at home. Senior Tessa Klopping went 3-for-3 at the plate and three RBIs while the three other seniors, Leitzen, Jerica Schwartz, and Jaelyn Hilliard each had a hit and contributed to the shortened game based on the 10-run rule as Brodhead ousted

Students will earn as they learn necessary skills for a variety of health care careers

SSM Health is recruiting high school students for a paid apprenticeship program across its hospitals and clinics in Wisconsin that will offer valuable hands-on experiences while providing a pathway to rewarding careers in health care.

The Wisconsin Youth Apprenticeship Program offers high school juniors and seniors enrolled in related courses industry-recognized completion certificates for their work in one of eight health care career areas, which include: medical assistant, medical office assistant, phlebotomy assistant, medical imaging assistant, nursing assistant, physical therapy aide, medical lab assistant and pharmacy assistant.

"Health care offers many rewarding career paths, and we are delighted to welcome these young people into our hospitals and clinics to experience these important roles for themselves as we seek to help train a new generation of exceptional caregivers in the communities we are privileged to serve," says program coordinator, Sandy Riley.

Those selected for the one-year program are required to work 450 hours and can elect to begin their apprenticeship in the summer or at the start of their fall semester. SSM Health hopes to interest 50 students to apprentice throughout the 2024-2025 school year within its care teams throughout its hospitals and clinics in Wisconsin.

Interested students and their parents can learn more about the available apprenticeships and apply online at the SSM Health Wisconsin Youth Apprenticeship Program page.

The apprenticeship program is led by the Wisconsin Department of Workforce Development and is offered in collaboration with: the Dane County School Consortium in Greater Madison, Southwest WI Workforce Development Board, Inc. in Green/Rock Counties and the Cooperative Educational Service Agencies (CESA 3) in Iowa County, (CESA 5) in Sauk County and (CESA 6) in Greater Fond du Lac, as well as a host of area high schools.
