OBITUARIES

Nancy Acker

Nancy Ida Acker died peacefully on May 9, 2024. She was born on July 16, 1933 to Oscar Ludwig and Ella Gayle (Epperson) Lundgren in Highland Park, Illinois.

Nancy was a registered pharmacist who graduated from Highland Park High School and went on to graduate from the University of Wisconsin Madison in 1955. During her time at the UW, Nancy was Kappa Epsilon Secretary (National Pharmacy Sorority), member of the Wisconsin Pharmaceutical Society, Pan-Hellenic Rushing Counselor, and member of Alpha Xi Delta Sorority. Out of 80 graduating pharmacy majors, Nancy was one of six women. She married James Newell in December of 1954 and together they had three children: Scott, David, and Jennifer. Nancy and James divorced in 1968, and she married Robert Acker in 1973.

After working 42 years as a pharmacist, Nancy retired and moved

to West Virginia with Robert. After Robert's death in 2007, Nancy moved to Brodhead, to be close to family, and built her house where she resided until her death.

Nancy loved attending concerts at the Brodhead schools, especially when her granddaughter Katie was performing. She frequented Brodhead High School basketball and football games and even helped her daughter sell tickets on occasion. Nancy had many hobbies, including earning her pilot license. She was an avid reader, sports enthusiast, and enjoyed a good mystery. Her passion, however, was quilting. Nancy was a member of several area quilt guilds and an award winning quilter. She was well known for her exquisite hand appliqué work. She sewed quilts for family members, friends, and nonprofit organizations. She created many quilts that were raffled off during the Brodhead Development of Bands Concerts.

Nancy is survived by her three children: Scott, David, and Jennifer (Michael Flory), seven grandchildren, great grandchildren, and two nieces. She is preceded in death by her husband Robert, parents, and younger sister, Barbara (Paul Carson).

The family is thankful for the compassionate care at Pleasant View Skilled Nursing and Rehab Facility, along with her 'quilting peeps' who frequently visited.

The family will honor Nancy's request of not having a service, but will have a Celebration of Life on Sunday, June 2nd from 2 to 4 p.m. at the Brodhead United Methodist Church, 501 1st Center Avenue. Friends may come and enjoy viewing some of Nancy's quilts.

Period Poverty Awareness Week

By Kathy Comeau

May 20-28 2024 is Period Poverty Awareness Week. Did you know that 1 in 4 students struggle to afford period products in the United States. One out of every 10 menstruating adolescents miss school due to lack of period products. Even though menstruation is a natural healthy biological process, studies have found that 44% of teens report stress and embarrassment due to the lack of period products.

Period poverty has been associated with higher likelihood of symptoms consistent with moderate/severe depression.

In Wisconsin, period products are considered a non-essential luxury item and therefore not covered under governmental programs. Many people cannot afford menstrual health products to meet their monthly needs and this may impact their physical as well as mental health.

In Green County, we would like to address this health equity issue. Period Poverty Awareness week is a great time to start a donation drive. Some organizations have come together to raise awareness, and collect and distribute period products to food pantries, libraries, and schools.

When you are doing your routine grocery shopping, please consider purchasing a box of period products to be dropped off at one of the collection locations.

Currently we have two drop off locations, and we hope to have more locations soon. Brodhead Memorial Public Library and Albertson Memorial Library in Albany, and the Belleville Public Library have donation bins to drop off period products.

The members of the Colonel Benjamin Harrison Chapter of the Daughters of the American Revolution have agreed to help distribute the products to food pantries and schools.

For more information about this project or to get involved, contact: Kathy Comeau at kathycomeau@gmail.com.

- Copies of all book club books will be available at the library. For additional information about events or our summer reading challenge, please visit our website, Facebook page, or give us a call or stop by.

This year there's two parts to our summer programming: the Summer Library Program and a Reading Contest. The SLP features a hot-air balloon adventure around the US, learning about different states/ecosystems. Each week we'll do a different STEM activity. Those who participate in the reading contest keep track of their reading and enter to win prizes (currently on display behind our circulation desk). Participants can use the paper logs we've created or the Beanstack App. This year, there's prizes for four different groups: preschoolers (0-6), school-agers (7-12), middle and high school (13-17) and adults (18+). Stop in to Albertson Memorial Library for more information.

Tuesday, May 21st was our last story time for this school year. We'll start up again after Labor Day in September. It's been a fun year and I've really, REALLY enjoyed reading to these young people. Thanks to the grown-ups who help with our activities and take pictures. It's been a blessing to get to know you!
