When we moved to Brodhead, we moved into the Bob's Shoe Store building in February of 2020. Matt originally started tattooing in 2000. He opened his first shop in 2006. Matt specializes in cover-ups and reworks. He always says, "There's nothing I can't cover." We are a complete custom shop. Matt designs all his tattoos off of ideas the customers bring in and make it into a custom work of art. From realistic flowers, animals, and cartoons; to baby footprints and loved ones handwriting, Matt does it all. After Matt and Diana got married, she started piercing and joined the shop. She does all types of ear piercings, nose and more. We are a by appointment shop, but we live right outside of town, so a simple phone call and we can meet for an appointment or get you scheduled for one easily. We love being a part of this community and being a small business here in town.

We've partnered with Wheel Pros to offer wheels, lift kits and accessories!

Connection TEXTILE RECYCLING DRIVE When: Sunday, June 11th from 1-3

When: Sunday, June 11th from 1-p.m.

Where: OFFICIAL LOCA-TION—three car garage located between Albrecht Elementary School and Brodhead Middle School on the corner of 21st Street and W. 7th Avenue.

What is a Textile Drive? It is a fund-raiser where Kid Connection gets paid by the pound for recycling old/used fabric items. First, anything usable is distributed to communities in need. Second, donated items not suitable for wear are recycled into wiping rags. Lastly, items not suitable for wiping purposes are processed back into fibers that are remanufactured into paper, yarn, insulation, carpet padding, etc.

Help them by bagging up your dry, clean/odor free old clothing, undergarments, bed sheets, curtains, and paired shoes. All items must be put in plastic bags that can be tied shut. Small garbage or shopping bags work best. Fabric scraps, pillows, comforters and rugs are NOT accepted. Please refer to the Kid Connection/AE PTO Facebook page for a complete list of acceptable and unacceptable items. For questions call or text Lori Riese at 608-931-6901.

All monies raised will be used to help enhance the educational experience at Albrecht Elementary School. Thanks in advance for helping to make a difference in more ways than one!

Interesting fact, did you know that in the U.S. 81lbs of clothing per person are thrown away annually? Textiles currently make up 6.3% of the waste stream. Donate to improve our environment and elementary school.

I feel so blessed to have had a successful Class Night, and am appreciative of all that donated to our senior class and granted us with remarkable opportunities for success.

A LITTLE GOOD NEWS

"No matter what people tell you, words and ideas can change the world." ~Robin Williams

Betty Pierce 03/28/1927 - 05/29/2023

Betty Pierce, of Brodhead, passed away peacefully at Collinwood Memory Care, Brodhead, Wisconsin, on Memorial Day 2023.

Betty was born in Beaver Dam, Wisconsin, on March 28, 1927, to Orvin and Henrietta (Schultz) Priest. She graduated from Beaver Dam High School in the class of 1945. Betty was the oldest of three children, with two younger brothers: Ryan and Nyles.

Betty worked at Monarch Range Company as a receptionist which is where she met Jack, a new salesman who was hired to 'tame the western USA' for the company. After a whirlwind romance the two were married on March 31, 1951, in Littleton, Colorado. Jack and Betty moved back to Wisconsin to start a family and settled in Jack's hometown of Brodhead. Betty joined Jack and Mother Vernis Pierce in founding Pierce Furniture in 1952. Betty was active in community affairs serving as President of the local chapter of Jaycettes in 1954.

After the business was established, Betty focused on being a wonderful mother for her three sons: John, Jim, and Jeff. In her leisure time Betty loved to play bridge and had a weekly girl's night for decades. Betty and Jack enjoyed golfing and played together often. They traveled the world. The Pierces wintered together for over 30 years near Vero Beach, Florida and spent many summers at the cottage on Lake Redstone near La Valle, Wisconsin. Betty and Jack were avid fans of Wisconsin Badger football, basketball and hockey, where they were season ticket holders for all three.

The couple loved spending time with family and friends from near and far. Later in life Betty became quite the songbird. She had an uncanny ability to remember the lyrics to love songs from the 1950s and could light up a room and bring a smile to all around. Such a blessing.

Betty and Jack were long standing members of United Church of Christ in Brodhead.

Betty was preceded in death by her mother, father, brother, Ryan and husband, Jack.

She is survived by her brother, Nyles in Fond Du Lac, Wisconsin; her three sons: John (Julie) of Janesville, James (Thanita) of Thailand, and Jeffrey (Lori) of New Freedom, Pennsylvania;. three grandchildren: Jeffrey, Justin, and Nicole; and three great grandchildren: Maddy, Jack, and Parker.

The family would like to thank the dedicated staff at Collinwood Memory Care and Promedica Hospice. Many thanks to all those who visited Mom, especially Jeni Sorg, a special friend who facilitated wonderful weekly video calls to loved ones who were not local.

Private family services will be held at a later date with burial concluding at the Greenwood Cemetery in Brodhead. The DL Newcomer Funeral Home, in Brodhead, is assisting the family.

The family plans to host a celebration of life event for Betty later in the year, please watch for future times and dates.

In lieu of flowers, please direct any memorial donations to the Alzheimer's Association, which is working hard to battle this disease, which affects so many.

Online condolences can be made at www.dlnewcomerfuneralhome.com.

Softball State Bound—Friday By Teresa Earleywine

In a sectional semi-final matchup against Marshall last Tuesday, Brodhead hung tough throughout the game. Ava Risum opened the scoring in the first inning with a solo homerun. The bottom of the third, Makenna Young was the lead off batter for Brodhead. She too smacked that ball sending it over the left field fence to give the home team a 2-0 advantage. Then in the bottom of the fifth, Brodhead is up to bat. Sophia Leitzen is on base with a walk. The Marshall head coach called for an intentional walk of Young, Leitzen advances to second. Now with two on and two outs, Alexis "Klutch" Kammerer doubles with a hard-liner to left field. Coach Krupke, Brodhead, sent both Leitzen and Young home to give the Cards a 4-0 lead, the eventual final score. The Cardinals two diamond assets on the mound. Young and Risum combined for a no hits, no runs, and struck out 11. Marshall in the top of the seventh did get a runner on base due to an infield error. In the next play, another Brodhead error would advance N Dahl and Josie Mender would land on first base for Marshall. With one out, Mollie Fritter popped the ball into the air where Kammerer caught it and then N Dahl, lead runner, was headed for third was doubled out by Kammerer's throw to Alecia Dahl, Brodhead to end the game.

With River Valley hosting the sectional final on Thursday, Brodhead plated 11 runs in the game for a convincing win holding the Blackhawks scoreless. Coach K's players made a statement in the first inning with Sophia Leitzen on board at second, Young cracked a homerun for the first two scores of the game. Taetum Hoesly would single a line drive to right field, Tessa Kloepping would replace Hoesly as a courtesy runner. On a wild pitch she would advance to second and then steal third. She would then score when "Klutch" Kammerer ground to second. At the top of the third, Young would hit a double and Kyla Miller would replace as her courtesy runner. Hoesly, who went 4-for-4 with three RBIs, singled and Miller would score for a 4-0 lead. Brodhead would continue to hammer from the plate with four runs in the fourth and three in the seventh. The tag team pitching of Young starting and Risum closing the games has been working extremely well for the Cardinals. Young with her power struck out six, had one walk and one hit. Risum using her finesse had five strikeouts, no walks, and no hits. Brodhead punched their ticket to the state semi-final game on Friday, 10 a.m., against Sommerset at Goodman Diamond. Brodhead will have an escort out of town at 7 a.m. on Friday, come line Center Avenue and cheer them on to victory. The championship game will take place at 1 p.m. on Saturday with the winner of the Mishicot vs Mayville as the opponent.

State tournament tickets available on-line only, no cash sales, https://gofan.co/app/school/WI19175

Big Radio will be broadcasting the game live on FM93.7.

Home in **Brodhead**

Habitat for Humanity of Green County (HHGC) has reopened the search for a partner family to assist in the rehabilitation of a home. The home, located at 1202 East 6th Avenue in Brodhead, was built by HHGC in 2014. The home has 1,700 square feet of living space, 1,400 square feet on the main level and 300 on the lower level. The first floor includes a combined kitchen/ dining area, a living room, three bedrooms and two full bathrooms. The lower level of the home includes two finished rooms and an unfinished space that houses the furnace and water heater. The home also has an attached two-car garage with a concrete driveway.

A family (one or more individuals) must meet the following qualifications:

Need-To qualify to own this Habitat built home, a family income must fall below 80% of the area median family income and within the guidelines established for this home. Also, the family's current housing situation must be determined to be physically inadequate, unsafe, overcrowded, or a cost burden. A qualified family would not qualify for other/conventional mortgage financing.

Ability to Pay the Mortgage-A family must have the financial means to make monthly, interestfree mortgage payments which will include homeowner's insurance and real estate taxes, as well as the ability to pay other expenses of owning and maintaining a home. This is determined by income verification, credit reports, assessment of all other household debt, projected utility costs, and any special assessments and other costs directly associated with the ownership of a home. Habitat wants families to be successful homeowners and determining the ability to pay is a key factor in the selection process. The down payment and closing costs can be covered by a grant.

Willingness to Partner—When selected, a family becomes a partner in the Habitat program and will assist in the rehabilitation of their own home. For this project, a total of 150 "sweat equity" hours per adult family member is required. Applicants must show visible evidence of their potential to keep a house clean and in good repair by their concern for proper maintenance of their present living quarters. Applicants must express willingness to participate in the personal development programs selected, e.g. budget counseling, home maintenance, etc.

Ties to the Community—Applicants must be permanent residents of the United States and must have lived or worked in Green County for one year immediately prior to applying. Applicants who can demonstrate ties to the community in other ways may be considered.

Eligible families must complete an application for homeownership. Applications must be submitted by Monday, July 17, 2023. The application and an information sheet which includes income parameters can be printed from the Habitat website at greencountyhabitat.org or picked up at the Habitat Resale Store at 305

American Legion Post 209 Truck Raffle

American Legion Post 209 of Orfordville will have a truck in the June Days parade on Sunday, June 11, signifying its Truck Raffle for 2023. A brand new 2024 Chevy Silverado will be raffled off on Saturday, October 21, 2023 at the Post.

"This is the hottest ticket in Wisconsin," says James Carlini, Chairman of the Truck Raffle Committee. There is a limit of only 2,000 tickets to be sold. If you buy two tickets, the odds of winning the Grand Prize (the truck or \$47,000 cash) is one in a thousand and one out of 333 for the second and third cash prizes of \$3,000 and \$1,000.

"That is a lot better odds for winning, compared to Powerball tickets," observes Mike Eggleston, Vice Chairman of the Raffle Committee. Tickets can be bought at Post and various businesses in Orfordville as well as from any Post member. The winner does not need to be present to win.

Carlini adds, "These tickets make great gifts for every occasion. Who wouldn't want a brand new truck or \$47,000 cash?"
