POSTAL PATRON

Brodhead pool rescue

By Mayor Casey Jones

Good morning citizens of Brodhead and neighboring communities!

Wednesday, June 14th, the City of Brodhead released the following:

“On Wednesday, June 14th, 2023 at 2:05 p.m., the Brodhead Police Department received a 911 call for an unresponsive, juvenile male at the Brodhead pool. Pool staff quickly removed the juvenile from the water and rendered care immediately, while awaiting arrival of the first responders. Brodhead Police Department, Brodhead Area EMS, and the Brodhead Fire District responded to the Brodhead public pool. The patient was transported by Brodhead Area EMS for further care. The Brodhead Pool will remain closed for the rest of the day.”

I am pleased to inform you that the juvenile is reportedly doing very fine because of the efforts of all involved in the rescue, especially the life-guards on scene who pulled the unresponsive juvenile from the water and administered CPR immediately, saving his life.

As some of you may know, I live near the swimming pool and was

able to be on scene quickly. I was fortunate enough to meet and thank the two young heroes and the rest of the staff. It was humbling and emotional to talk to the young heroes. I found myself choking back tears of gratitude as I thanked them for the quick, life saving actions they performed. We are truly blessed to have such fine young people in the city of Brodhead.

I would also like to recognize all of the first responders who were at the scene and supporting from remote areas. Brodhead Police, Brodhead Fire District and Brodhead Area EMS did an awesome job of controlling the scene and making sure that nothing was going to interfere with the rescue efforts.

As I was observing, I was impressed with the actions of all the children and patrons of the pool as they waited to find out what was going on. They remained calm, orderly and stayed back from the scene on their own.

It is the heroic and responsive actions of the citizens of Brodhead that make me proud to be your Mayor!

Tyra Lehman and Madisyn Kail, along with Addison Swan, were part of the rescue and did CPR.

Pool staff, left to right: Zoe Hoke, Madi Brown, Tyra Lehman, Madisyn Kail, Jaelyn Hilliard, Addison Swan, Bryson Oliver, and Jordan Menahan.

School Board \$50,000 In Donations for JV Softball Field Received

By Grace Kufahl

The district received \$25,000 in donations from both the Brodhead Area Foundation and the Brodhead Sports Boosters toward the cost of the new JV Softball Field. Any remaining costs above these two donations will be paid with funds from the sign advertisement fund. Superintendent Novy acknowledged both groups for their donations.

Due to several budget items coming in lower than expected, the expected \$24,000 budget deficit looks now looks to be a surplus of approximately \$50,000 or more, depending on several budget items yet to be finalized.

This surplus could fund several needed projects such as replacing middle school fencing, gravel for the upgrade at the front of the elementary school, replacing Honeywell controllers at the elemen-

OBITUARY

Marjorie H.
(Wendler)
Jacobson

Marjorie “Marge” H. Jacobson,
age 84 years passed away peacefully
on Monday, May 29, 2023 at Cedar
Crest Community in Janesville,
Wisconsin. Born October 9,1938,
to Melvin and Mildred (Kundert)
Wendler, she was raised on the fam-
ily farm in Brodhead. After Beauty
School in Janesville, Marge worked
at Dorothy’s Hair Salon until she
married her first husband on April
16,1960. She then went to work at
the telephone company as an op-
erator before having the first of
three children: Shelli (John) Fio-
renza, Teresa M. Dade and Angela
(Brian) Sandberg. They divorced
in 1976 and Marge left Prent Corp
where she worked as a third shift
Floor Supervisor for a position at
General Motors. On September 2,
1977, Marge married the love of her
life James E. Jacobson. After leav-
ing General Motors, Marge also
enjoyed working in the Register of
Deeds office in the Janesville Court
House before taking an opportunity
to work as a cashier at the Sentry
Store in Whitewater. Marge was also
known for her volunteer work with
ECHO and the local women’s shel-
ter in Janesville.

Near Jim’s retirement from Gen-
eral Motors, they built their dream
home on 10 acres in Whitewater.
They loved nature and animals.
Marge was always feeding the rac-
coons, possums, birds and cats in
the area. They celebrated Easter ev-
ery year with a legendary Easter egg
hunt for the grandkids and Marge’s
amazing cooking. They had a hobby
business, Jacobson and Jacobson

Antiques. They loved going to auc-
tions and rummage sales together.
They also enjoyed many years of
entertaining at their vacation home
in Pioneer Park in Lake Delton.

Marge is survived by her three
children and Jim’s five children:
Michael (Lynn) Jacobson, Jeff (Lyn-
nette) Jacobson, Mark (Kris) Jacob-
son, Sherry (Steve) Wolfe, and Tina
(Tom) Wurtz; 17 grandchildren; 20
great grandchildren, and three great
great grandchildren. She is also sur-
vived by her brother, Elvan Wendler,
and sisters: Mary (Larry) Whitehead
and Nancy Rivet; sister-in-law, Ja-
net Wendler; two brothers-in-law:
Stan Maresch and Ronald Klus-
meyer; many nieces and nephews,
and good friends Gail and Gene
Lawrence. She was preceded in
death by her parents, husband Jim,
her beloved Uncle Allen and Aunt
Rose Mary Taylor; sisters: Jane (Jim)
Lewis, Carolyn (Forrest) Hayes, Su-
san (William) Knight, and Debra
Wendler; brothers: Fredrick, Samu-
el, and Michael Wendler; great great
granddaughter, Peyton; and good
friends and neighbors, Ed and Gert
Airis.

Graveside service were Monday,
June 19, at 11 a.m. at Greenwood
Cemetery, Brodhead. Apfel Wolfe
Funeral Home, Janesville. In lieu of
flowers, donations can be made to
your local animal shelter in Mar-
jorie’s name. The family would like
to thank Agrace Hospice, her loving
niece, Laura Maresch and Cedar
Crest Nursing Home for caring for
Marjorie.

ACADEMICS

UNIVERSITY OF
DUBUQUE SPRING
SEMESTER 2023
ACADEMIC DEAN’S LIST

The University of Dubuque con-
gratulates the following students on
being appointed to the Spring Se-
mester 2023 Academic Dean’s List.

Full-time students in good aca-
demic standing (registered for and
having earned 12 or more letter
grade credits for the term) who earn
a term grade point average of 3.5
or above and who do not have any
grades of Incomplete for the term
are named to the Dean’s List. Once
grades have been submitted for
any Incompletes, the Office of Aca-
demic Affairs will review eligibility
again for possible placement on the
Dean’s List for the given term.

Dean’s List is awarded for the fall
and spring semesters only and may
be awarded retroactively

Among those named were Aleda
Lee and Sara Steder, both of Davis,
Illinois.

UW OSHKOSH SPRING
2023 DEAN’S LIST,
HONOR ROLL
RELEASED

University of Wisconsin Osh-
kosh officials have released the
names of students who qualified
for the Dean’s List and Honor Roll
in spring 2023 across its three cam-
puses (Fond du Lac, Fox Cities and
Oshkosh).

The term grade-point average
(GPA) requirement for University
Honor Roll is 3.3; the term GPA re-
quirement for Dean’s List is 3.75 out
of a possible 4.0.

To qualify, a student must have
been enrolled in a minimum of 12
credits. There can be no individual
grades below a “C” and no incom-
plete or non-reported grades at the
time the process is run.

Among those named were Jenna
Steder, Honor Roll, of Davis, Illinois;
and Kendra Dollak, Honor Roll, of
Durand, Illinois.

Arbor Day Foundation names Brodhead a 2022 Tree City USA ®

Brodhead was named a 2022 Tree City USA by the Arbor Day Foundation to honor its commitment to effective urban forest management.

Brodhead achieved Tree City USA recognition by meeting the program's four requirements: maintaining a tree board or department, having a tree care ordinance, dedicating an annual community forestry budget of at least \$2 per capita, and hosting an Arbor Day observance and proclamation.

The Tree City USA program is sponsored by the Arbor Day Foundation, in partnership with the U.S. Forest Service and the National Association of Stat Foresters.

"Tree City USA communities see the positive effects of an urban forest firsthand," said Dan Lambe,

chief executive of the Arbor Day Foundation. "The trees being planted and cared for by Brodhead are ensuring that generations to come will enjoy to a better quality of life. Additionally, participation in this program brings residents together and creates a sense of civic pride, whether it's through volunteer engagement or public education."

If ever there was a time for trees, now is that time. Communities worldwide are facing issues with air quality, water resources, personal health and well-being, energy use and extreme heat and flooding. Brodhead is doing its part to address these challenges for residents both now and in the future.

More information on the program is available at arborday.org/ TreeCityUSA.

Green County Board of Supervisors Set into Motion Agricultural Tourism in Green County

As family farms continue to be squeezed, Agricultural Tourism offers an economic engine to help diversify income to sustain farmers and rural communities. By allowing farm-based adventures, learning opportunities, recreation and food experiences that attract visitors to Wisconsin's working farms, Agricultural Tourism provides a unique connection with agriculture through entertainment, education and farm products.

Under the direction of Green County Supervisor and Land Use and Zoning Committee Chair Dennis Schwartz, the Green County Board of Supervisors voted on Tuesday, April 18 to approve the final zoning changes needed for farmers in Green County to host Agricultural Tourism events on their land. With the goal of allowing every working farm the opportunity to develop additional revenue streams through agricultural tourism enterprises, these new zoning regulations, championed by Supervisors and Land Use and Zoning Committee members Sue Nelson and Kathy Pennington, allow for a robust list of allowable and conditional uses within the Agricultural District.

"Agriculture is a vital part of the Green County economy. With the passage of the recent Agricultural Tourism zoning codes, we are helping to leverage this growing industry to set these business owners and our rural community up for success in the future," Olivia Otte, Executive Director, Green County Development Corporation.

The updated sanitation code passed Tuesday support the Agricultural Tourism zoning changes made last year that include allowable uses with no permit required for roadside farmstands, wineries, breweries, distilleries and more. Conditional use permit activities include Agricultural Entertainment and Seasonal Event Centers.

"Green County welcomes Agricultural Tourism opportunities by repealing and recreating Green County's Sanitary Regulations. The new ordinance includes allowing holding tanks and portable restrooms. These positive changes will provide agricultural land owners different sanitation options based on their Agricultural Tourism use," reports Pennington

Three years in the making, a local alliance of organizations including the Green County Economic Development Corporation, Farm Bureau of Green County, Wisconsin Farmers Union South Central Chapter, Wisconsin Agricultural Tourism Association, Green County Women in Sustainable Ag (Soil Sisters) and others worked together to support

the adoption of this important economic driver.

"The Wisconsin Agricultural Tourism Association would like to thank the Green County leadership for working collaboratively with farmers to bring the Ag Zoning Ordinance up-to-date to meet both the consumers and farmers desires," Jean Bahn, Advocacy Chair, Wisconsin Agricultural Tourism Association.

The average on-farm, non-commercial venue wedding generates \$3,000-\$5,000 in rental income for the farm and roughly \$22,500 per event for the surrounding rural businesses. This includes revenue for local businesses such as the bakery, catering, hotels, gas stations, restaurants, hair stylists, photographer, DJ, florist and more.

"Given Green County's proximity to Chicago and Madison, it is a perfect destination for families seeking to visit and experience our unique brand of farming. Thanks to the Green County Board, local farms can now welcome visitors onto their farms and host events. We thank them for their continued support of our farming community," Matt Scheaffer, president, South Central Chapter of Wisconsin Farmers Union.

Wisconsin is widely recognized as America's Agricultural Tourism Destination. The total tourism impact for Green County is \$72 million with direct consumer spending \$40.9 million employing nearly 700 people contributing to labor income of \$20.9 million adding \$44 million in state and local taxes.

"It's great to know that Green County has removed the barriers to new agricultural experiences on the farm. Agritourism is a key tool for farmer-entrepreneurs to diversify their businesses to sustain their families while connecting with people hungry for a taste of rural life," tells Andy Larson, UW Food Finance Institute and Small Business Development Center Farm Outreach Specialist.

At the core of this call for change has been family farmers looking to help themselves. With the passage of the new codes, farmers now have new economic tools to help sustain their farms and rural communities. For additional details on all that the new zoning codes allow contact the Green County Land Use and Zoning office at 608-328-9428 or visit <https://wi-greencounty.civicplus.com/>

"Green County is open for Agricultural Tourism Business!" says Phil Molina, owner, Still Point Flower Farm and Agricultural Tourism Advocate. "Let's continue to recognize and grow agricultural tourism as the farm-saving economic engine that it is for Green County and Wisconsin."

Mandie Miller, RN receives DAISY Award

Mandie Miller, RN, SSM Health Monroe Hospital Emergency Department nurse, is the newest recipient of the DAISY Award. Mandie has been a nurse with SSM Health Monroe Hospital for seven years.

Mandie was nominated by a new nurse, Taylor Foecking, who Mandie was a preceptor for. Taylor's nomination shared that "Mandie molds new nurses into amazing nurses. Her demeanor to help patients and staff not only physically but also physiologically and mentally is amazing! She looks out for the patients in the past, present and future and that speaks volumes about who she is. Mandie will go above and beyond for one patient and then turns around to create new processes to then be able to go above and beyond for her future patients. Mandie deserves recognition for her outstanding work for her patients and staff because she makes such a huge difference in her care that she provides."

The DAISY Award is an international program that celebrates the extraordinary clinical skill and compassionate care delivered by nurses every day. Mandie is one of three million nurses nationwide who represent the largest healthcare profession. SSM Health Monroe Hospital and SSM Health Monroe Clinic Medical Group employs over 300 nurses serving patients throughout southern Wisconsin and northern Illinois.

Habitat Offers Home in Brodhead

Habitat for Humanity of Green County (HHGC) has reopened the search for a partner family to assist in the rehabilitation of a home. The home, located at 1202 East 6th Avenue in Brodhead, was built by HHGC in 2014. The home has 1,700 square feet of living space, 1,400 square feet on the main level and 300 on the lower level. The first floor includes a combined kitchen/dining area, a living room, three bedrooms and two full bathrooms. The lower level of the home includes two finished rooms and an unfinished space that houses the furnace and water heater. The home also has an attached two-car garage with a concrete driveway.

A family (one or more individuals) must meet the following qualifications:

Need—To qualify to own this Habitat built home, a family income must fall below 80% of the area median family income and within the guidelines established for this home. Also, the family's current housing situation must be determined to be physically inadequate, unsafe, overcrowded, or a cost burden. A qualified family would not qualify for other/conventional mortgage financing.

Ability to Pay the Mortgage—A family must have the financial means to make monthly, interest-free mortgage payments which will include homeowner's insurance and real estate taxes, as well as the ability to pay other expenses of owning and maintaining a home. This is determined by income verification, credit reports, assessment of all other household debt, projected utility costs, and any special assessments and other costs directly associated with the ownership of a home. Habitat wants families to be successful homeowners and determining the ability to pay is a key factor in the selection process. The down payment and closing costs can be covered by a grant.

Willingness to Partner—When selected, a family becomes a partner in the Habitat program and will assist in the rehabilitation of their own home. For this project, a total of 150 "sweat equity" hours per adult family member is required. Applicants must show visible evidence of their potential to keep a house clean and in good repair by their concern for proper maintenance of their present living quarters. Applicants must express willingness to participate in the personal development programs selected, e.g. budget counseling, home maintenance, etc.

Ties to the Community—Applicants must be permanent residents of the United States and must have lived or worked in Green County for one year immediately prior to applying. Applicants who can demonstrate ties to the community in other ways may be considered.

Eligible families must complete an application for homeownership. Applications must be submitted by Monday, July 17, 2023. The application and an information sheet which includes income parameters can be printed from the Habitat website at greencountyhabitat.org or picked up at the Habitat Resale Store at 305 2nd Street in Monroe. The application process also includes a home visit, income verification, a credit check, an assessment of existing debt, and sex offender and criminal background checks on all adult family members.

Habitat for Humanity is committed to providing safe, decent and affordable housing and to offering financial education and other programs to facilitate successful homeownership. Anyone with questions about this project can contact Habitat for Humanity of Green County via email at admin@greencounty-habitat.org or by calling 608-291-9968 and leaving a message.

BMS Geography Bee Champion Announced

On Monday, May 22, Brodhead Middle School hosted its annual Geography Bee. Ten students from each grade level earned their place to participate in the GeoBee. After five rounds of questions, everyone knew more about countries, continents, and cultures. Additional rounds narrowed the group to nine students and then to a final two. Congratulations to our runner-up, seventh-grader Channing Wilhite, and our Geography Bee champion, seventh-grader Jaiden Rosheisen. Worth mentioning, Jaiden took home the trophy last year too!

These students demonstrated positive leadership in their words/actions and continued to finish the year strong! Way to go!

SSM Health Monroe Clinic Medical Group Gastroenterology Scheduler Receives BEE Award

SSM Health Monroe Clinic Medical Group Gastroenterology Scheduler, Jacob Barr, has been named the newest recipient of the BEE Award.

Jacob was nominated by gastroenterology nurse, Beverly Ethridge. Her nomination shared, “Jacob works as a scheduler but does so much more. Due to staffing needs, Jacob readily accepted the challenge of scheduling our patients for procedures prior to being checked out of their office appointments. Recently, he learned how to room the patients so the flow checking in and out would be more efficient. Jacob also has a “superpower” that is his ability to maintain awareness of all that goes on during the day. He lets us know our patient’s needs, phone calls that need answered and helps us respond to urgent situations. With Jacob around, we have such a pleasant work environment.”

The BEE Award was created to recognize any non-nursing staff members who demonstrate excellent quality care, extraordinary compassion, focus

We have big news to announce! We are now offering a Discovery Center Museum Family Pass that can be checked out for free admission to the Discovery Center in Rockford, Illinois. This pass entitles you to free admission for one family that lives under the same roof. We will have more details for you next week about this exciting new addition!

If you thought you missed the All Booked Up June meeting this Monday, you’re in luck! Long story short, we’ve unfortunately been advertising the wrong day for the discussion. We will be meeting on Monday, June 26th at 6:30 p.m. to talk about ‘Pray for Silence’ by Linda Castillo. The good news is, you’ve got more time to finish reading than you thought! I apologize for any confusion and hope you can still make our meeting!

On thing that’s for sure, is our next Family Movie Night is Friday, June 30th at 6:30 p.m.. Our monthly movie matinee will be superhero-themed, check out the selection on our website or Facebook page! Kids are welcome to bring pillows, stuffies, and blankets to keep comfy during the showing. Free popcorn and drinks will be provided.

We wanted to remind you that we will be closed on Tuesday, July 4th in observance of Independence Day. We will be open our regular hours both July 3rd and July 5th.

Jacob after receiving the BEE Award on Tuesday, May 30.

on the patient and the patient’s needs and effective collaboration with other members on the patient care team.

Brodhead Garden Club “Garden of the Month”

The Brodhead Garden Club has announced the June “Garden of the Month.” It has been given to Dawn and Tom Swanson at 1402 E. 2nd Avenue. They had the most interesting interview with them. Dawn always wanted this to be her home someday. She lived down the street from it. Seven years ago her dream came true. They wanted to know all about the house and did so from neighbors and friends.

Dawn is a teacher in Janesville and says she works so she can maintain and improve her yard. It she has an idea, like their sun/rain shades in the sitting area; Tom is the one to bring it to life.

It is all a beautiful display of flowers, bushes and trees with other landscaping mixed in, no two beds are alike. There are three big trellises that had hops growing on them for years. Tom finally took them out—but did make one batch of beer.

The yard is all lit up at night so it’s a good time to see. They are usually out in their favorite spot.

There’s always something to keep them busy. Each year they make a plan and get to cross off the items on their board when completed. You can tell they work well together.

Dawn’s tip: If plants get out of shape (too shaggy or leggy), give them a hair cut!

Be sure to drive by to see this beautiful yard.

Globe-trekking—Multicultural Morning at BMS

On Wednesday, May 17, seventh-grade students welcomed nine guest speakers to “travel” beyond the United States. Itineraries included stops in Costa Rica, Haiti, Germany, Australia, Spain, Belize, England, Iceland, and New Zealand. Since no trip is complete without sampling the cuisine, students tried all sorts of snacks and sweets from around the world. Thank you to everyone who expanded the walls of our classrooms and inspired students to add TRAVEL to their Life Lists.

Left to right: Abby Withrow, Brenda Beuschel, Paige Swan, Shane Doyle, and Ashton King

Left to right: Tyson Kraft, Matthew Nordeng, Ethan Anderson, Belle Yoshida, and Thomas Lohmar.

Congratulations to all Brodhead Middle School students participating in track this year! Your coaches were impressed with your sportsmanship, positivity, willingness to try new events, and your vocal talents on bus rides.

By all means

SSM Health Monroe Hospital Celebrates 300 Mako Procedures

300 surgeries have been completed by Dr. Swindle using Mako robot

SSM Health Monroe Hospital and Dr. Jonathan Swindle, Orthopedic Surgeon, are celebrating 300 total hip and total knee procedures using the latest advancement in joint replacement surgery, the Mako Robotic-Arm Assisted Surgery System.

Many individuals between the clinic, operating room, nurses on the floor and physical therapy staff have done much work to take care of the total joint

Juda School District Regular Board Meeting, June 14, 2023

At the board meeting on Wednesday night the Juda School Board:

- Heard from representatives from Upper 90 on their scope of a facilities study to be performed on the school building. Their work would include evaluation of schools heating and cooling system and looking at energy usage along with a timetable of replacements of major equipment. The board voted to accept their proposal and move ahead with the project.

- Approved 66.03 Agreements for a Speech Pathologist and Library Consultant for the coming year.
- Information from the end of the year board meeting with the staff was shared with the board members who were not present.
- Traci Davis and Mary Larson reviewed the past school year with the board.
- The board was informed of events that will be taking place over the summer.
- Learned Neola will be assisting with updating and formatting the Student Handbook for the coming school year.
- Was informed that the Flex Hour will be moved to 3rd hour for the next school year.
- Traci Davis reviewed with the board the results of the staff survey that was performed at the end of the school year.

- Learned that the funds from a recent bequest made to the school will be invested with the Community Foundation of Southern Wisconsin.
 - Tabled approving the Staff Handbook until a future meeting.
 - Approved wage increases for Professional and Support Staff for the coming school year.
 - Approved the insurance plan for staff for the coming school year.
 - Approved membership in the WIAA for the coming school year.
 - Approved policy updates made to Policy 32.
 - Approved the Seclusion and Restraint Report for the past school year.
 - Had no closed session.
- Next regular board meeting will be held Wednesday, July 12, 2023.

patients over the last several years.

“Three hundred robotic cases with Mako is simply a way to celebrate the many people that have invested their time and effort into providing this service to patients that we take care of here in Monroe,” shared Dr. Swindle.

The Mako technology uses a preoperative CT scan to create a 3D model of the patient anatomy to generate a patient-specific surgical plan. The use of the CT technology aids in the accuracy of the implant positioning.

Dr. Swindle began performing Mako-assisted procedures in January 2020. A patient interested in scheduling an orthopedic consultation for a Mako-assisted procedure, or learning more about treatment options for muscular, joint or bone issues, should contact the SSM Health Monroe Clinic Medical Group Orthopedic team at 608-324-2453.

Brodhead Middle School second semester honor roll

The following students are high honor roll students: sixth grade—Natalia Baldazzi, Elena Boston, Bentley Bradt, Arnott Buxton, Bella Byrd, Steven Carlson, Ashlyn Cayetano Pueblita, October Grenawalt, Macy Gretebeck, Jenna Grosshuesch, Jessica Guadalupe Mondragon, Landon Harding, Gracie Hefty, Landen Kammerer, Lennon Krattiger, Kinsley Krumwiede, Cheyenne Melvin, Eli Mertens, Ella Olson, Laetin Peterson, Elise Rear, Montana Restivo, Brant Riesterer, Isabella Santiago-Aguilar, Braeleigh Schout, Emma Shelly, London Simons, Olivia Sutherland, Conner Tracy, Jayden Wade, Liam Watts, Xander Wiegel, Elise Williams, Caleb Wincell, Sadie Woelky, Aleah Zweifel.

POLICE

Green County Sheriff’s Department June 12-18, 2023

At approximately 2:47 p.m., Thursday, deputies responded to the intersection of CTH E and N. Mechanic St., Town of Albany, for a two-vehicle crash with no injury. Investigation determined a west-bound utility truck being operated by James Starr, 27, of Monroe, was attempting to turn right to travel north on CTH E. A vehicle following the utility truck being operated by Bonnie Sansum, 83, of Albany, attempted to pass the truck on the right and collided with the rear quarter panel. Both drivers reported wearing their seat belts and not

being injured. Bonnie’s vehicle sustained functional damage and was driven from the scene. James’ vehicle sustained no damage and was driven from the scene.

At approximately 9:35 p.m., Thursday, deputies responded to the N300 block of 1stCenter Avenue, City of Brodhead, for a report of a disturbance between a male and a female. Investigation resulted the offender, Chad M. Eddy, 40, of Brodhead, being placed under arrest for disorderly conduct falling under the Wisconsin Domestic Abuse laws. Chad was transported to the Green County Jail where he was booked and released on these charges.

At approximately 9:47 a.m., Friday, deputies along with the

Sue Campbell receives DAISY Lifetime Achievement Award

Sue Campbell, BSN, RN, OCN, Oncology Manager, at SSM Health Monroe Clinic Medical Group, was awarded the DAISY Lifetime Achievement Award on Thursday, May 11. She is the fourth DAISY Lifetime Achievement Award recipient at SSM Health in Monroe.

The DAISY Lifetime Achievement Award is given to a nurse with 25+ years of experience, are leaders in living the SSM Health Mission, mentoring others, clinical practice and showing unparalleled care for patients.

Three individuals nominated Sue for this award. One nomination shared “her compassionate care and concern for each patient no matter their situation inspires me to be a better person and nurse. She advocates for our team to ensure safe and positive patient outcomes. She always listens to our concerns and pursues solutions to enhance our department to truly live out our mission. Sue’s exceptional care for our team, our patients and families positively impact our clinic and community.”

Another nominator wrote that, “Sue believes that the whole family is part of the care of a patient. She seeks to understand the family dynamics to better understand how to assist. Sue goes above and beyond in helping patients and their families if assistance is needed for food, supplies, rides or additional care. One example is taking an air conditioner to a patient in an upstairs apartment during the heat of summer.”

Brodhead Fire Department and Brodhead EMS responded to the intersection of State Highway 11 and County Highway GG, Town of Spring Grove, for a report of a motor vehicle accident with injuries. Investigations found a vehicle operated by Glen O. Deremo, 86, of Brodhead, was eastbound on State Highway 11 when a box truck operated by Zachary B. Rooker, 22, of Rockford, made a left turn in front of Deremo onto State Highway 81. Deremo sustained injuries, reported not wearing his seat belt, and there was airbag deployment. Deremo’s vehicle was towed from the scene. Rooker sustained injuries, reported wearing his seat belt, and

A number of students from Albrecht Elementary School have recently been able to attend outings to the YMCA in Monroe, providing great opportunities to develop swimming and motor skills. The students had an amazing time and the Brodhead School District is grateful to the YMCA for hosting our students.

Club Scrub participants suited up to go into the Operating Room.

SSM Health Monroe Hospital Celebrates Club Scrub Graduation

On Wednesday, May 17, SSM Health Monroe Hospital celebrated 16 eighth grade students for completing their 10-week Club Scrub program.

Club Scrub is an after-school program designed to spark interest in health-related careers through hand-on activities. Throughout the ten weeks, students spoke with healthcare providers and visited a variety of departments. The departments that hosted Club Scrub sessions were Rehab Services, Family Medicine Residency, Operating Room, Orthopedics, Cath Lab, Emergency Department and Pharmacy.

“We were so excited to resume our Club Scrub program this year,” shared Chris Hendrickson, SSM Health Monroe Hospital Infection Preventionist and Club Scrub Coordinator. “It was really rewarding to see these students experience different departments and learn about all the opportunities that healthcare has to offer.”

This year’s Club Scrub participants came from a variety of school districts including New Glarus, Brodhead, Monroe, Lena-Winslow, Dakota, Shirland, Evansville, Albany and Juda.

Prairie Nature Program— Saturday, July 15th

Have you ever observed a plant or heard a bird call and wondered, “What is that?” Your cellphone has the answer. A program will be held at the Sunny Peace Prairie, 2604 S. Coon Island Road, Orfordville, on Saturday, July 15 beginning at 11 a.m. introducing two cellphone apps which identify plants and bird calls. The apps are Seek by iNaturalist, and BirdNET from the Cornell Lab of Ornithology. The program will cover the use of these two apps followed by a scavenger hunt for practice. Download these two free apps ahead of time from your favorite app store, and bring your cellphone to the event or pair up with someone who has a phone.

The program will last less than two hours and be held regardless of weather. What is a little rain to lovers of nature! Questions? Contact the Parkview School District, 608 879-2717.

Applications Now Available for the 2023-2024 Green County Leaders Class!

Green County Leaders is seeking motivated individuals who are interested in learning, self-discovery, community issues, and networking. If this sounds like you, we encourage you to apply for the 2023-2024 Green County Leaders class!

Green County Leaders is a program designed to help build community leadership. Participants meet one day per month for ten months. This is a great networking opportunity, as participants connect with leaders throughout Green County. Sessions focus on building community leadership skills and raising awareness of community issues, including local government, healthcare, economic development, education, and more. Green County Leaders is made possible by a partnership between UW-Madison Division of Extension Green County and Green County Development Corporation, with strong support from community organizations and businesses.

Application forms, along with more information about the program, are available online at www.greencountyleaders.com or at the Green County UW-Extension office at 2841 6th Street, Monroe. Applications will be accepted from now until Friday, July 28, 2023. Tuition assistance is available for qualifying participants.

For more information, contact Victoria Solomon at the Green County UW-Extension Office at 608-328-9440 or victoria.solomon@wisc.edu.

SSM Health Monroe Hospital Supports NAMI Green County with Financial Gift

SSM Health Monroe Hospital recently presented National Alliance on Mental Illness (NAMI) of Green County with a donation of \$2,500. The gift will support NAMI Green County's work to offer education, support and advocacy for those affected by mental illness.

"Serving our community's health needs beyond the care provided in our clinics is central to our Mission and is critical to the health of our community," shared Katie Marti, SSM Health Monroe Clinic Medical Group Director of Primary Care Services. "Together with organizations like NAMI Green County we can help to improve mental health resources in our area."

Conni Bigler, Treasurer of NAMI Green County, also commented that "Not only are we so very appreciative of the size of this wonderful donation and the impact we can make in this community, but more so the importance of being recognized by SSM Health as a nonprofit that has made great strides in the last 15 years in Green County to help educate, advocate for and support those with a mental illness along with their families."

NAMI Green County is a Wisconsin non-stock corporation whose mission is to improve the lives of persons living with mental illness and their families through education, support, and advocacy in the Green County area. They work to foster an informed and caring community that accepts and supports persons and their families who are affected by mental illness while providing the opportunities needed for living fulfilled lives.

Members from SSM Health presented a check at NAMI Green County's Annual Meeting on Tuesday, April 11th. Left to right: Katie Marti, Primary Care Services Director at SSM Health; Andrea Gallagher, Behavioral Health Services Manager at SSM Health; Jane Sybers, Family to Family Coordinator of NAMI GC; Rebecca Bordner, Marketing and Communications Consultant at SSM Health; Lisa Moon—Member at Large of NAMI GC; Conni Bigler—Treasurer of NAMI GC; Kate Douma—Secretary of NAMI GC; Frank Mixdorf—President of NAMI GC; Bridget Mouchon—Vice President of NAMI GC, Bridget Zimmerman and Stefani Butts, both Members at Large of NAMI GC.
