School Board Brodhead School Board aligns grade level and curriculum

By Gloria Sutter

Joe Kobussen requested the Board consider renegotiating the current contract. The District is currently in the third year of a five-year contract, with a 5% increase annually. Because of the increase in gas prices, maintenance prices and new bus costs, he would like an increase of 8% for the coming school year. This would be a one time cost increase. A \$30,000 grant can be applied for to change five more buses to propane, which will save on fuel costs. The Board will address the issue at the next meeting.

The Board approved the alignment of Brodhead School District's grade level and subject area curriculum with the Wisconsin Model Academic Standards and the Common Core State Standards. These are the foundation for teaching and learning.

Elementary Principal Kelly Knox requested the District apply some of its ESSER III funds to extending the after school CLC program. The program was funded by grants that

are no longer available. The Board voted to approve the use \$70,000 in ESSER III funds for the 2022-23 and the 2023-24 school years.

In other business:

Dental care was provided for 122 students during the 2021-22 school year, valued at \$1,123, through the Building Brighter Smiles program.

A Show Choir coop with Juda will involve several Juda students and their band director.

On August 10, the Finance Committee will meet at 4:30 followed by a goal planning meeting and the regular meeting.

The District has a new, more user friendly website.

The administrative received its annual approval to hire new staff and accept resignations between board meetings.

The first reading of Policy JICA with more specific dress code language was approved.

Action was postponed on Policy JICDA regarding the Code of Conduct.

Avon Teen cleans up local cemetery

By Allen Peters - Town of Avon Supervisor 1

For his Senior Project, Brodhead High School Class of 2022 graduate Dakota Schwartzlow, wanted to make a difference in his community. Dakota, who resides in the Town of Avon, made the decision to clean up a local cemetery that was in need of some care. The cemetery is the Northrup Cemetery, which is located on W. Avon North Townline Road just southeast of the City of Brodhead in the Town of Avon. The Northrup Cemetery mostly contains burials from the 1800s and the most recent burial is believed to have been in 1946. "Burial records for the cemetery do not exist as they were destroyed in a fire," said Duane Niedermeier, who served on the Avon Town Board for 49 years. During Duane's tenure on the board, which ended in 2020, there was not a single burial at the cemetery.

The cemetery has been tended to with the lawn being mowed regularly, however the tree and brush growth had been left unmaintained. Dakota's project included trimming trees and cutting back the overgrowth, which greatly improved the appearance of the cemetery. During his efforts, Dakota even discovered several graves that had been hidden over the years in the overgrowth.

On behalf of the Avon Town Board, I would like to thank Dakota for his hard work and congratulate him on a successful Senior Project.

American Cancer Society to Paint Brodhead Purple for Relay For Life

The American Cancer Society is seeking businesses and individuals to get involved in the Relay For Life movement by displaying purple ribbons and other purple decorations from Sunday, July 31–Saturday, August 6, 2022. “Paint Our Town Purple” is a time to celebrate the lives of cancer survivors, and to have some fun with the color purple to bring attention to the American Cancer Society’s many programs and services in our community. The Relay For Life of Green County event will take place on Friday, August 5th at the Jaycee Park in Brodhead from 5-9 p.m. Cancer

Survivors and Caregivers will walk a celebratory lap at approximately 5:15 p.m., immediately following the opening ceremony. Food, games and music will be part of the evening and the entire community is invited to attend. The evening will end with a Luminaria Ceremony, showcasing the many luminaria that have been decorated to honor or remember someone with cancer.

Two Parkview students named National Champions

Sydney Luety has been competing with Beloit YMCA for one year. At this year AAU Nationals Championship in Springfield, Illinois she placed first in her age division and also took home All-American Level 5 AAU Champion. Sydney scored her highest vault of 9.700 and all-around score of 37.425 for the season. We are proud of her accomplishments and her future in gymnastics.

Tesslyn Wendt started gymnastics in October of 2020 during the pandemic, in just a little over a year she has accomplished so much! This year at nationals she competed at Level 3 and took first in all her age group events, first all around, and all American by scoring the highest in Level 3. She tied for fifth place out of the over 1,400 gymnasts in all levels that competed at the AAU Nationals competition. She also broke a Stateline YMCA record by scoring a 9.925 on her bar routine! We are so proud of our gymnast and can’t wait to see what the future holds for her!

Our Monday Morning Mayhem book club has chosen its next selection; Convenience Store Woman by Sayaka Murata. This novel tells the heartwarming and surprising story of Keiko Furukura, a 36-year-old Tokyo woman. After working at ‘Smile Mart’ for 18 years, Keiko feels comfortable and happy where she is. Unfortunately for her, her family and friends are putting the pressure on to find a more fulfilling job and start a family. Keiko finds comfort in her bubble where her every move is dictated by the rules of ‘Smile Mart’, but she may just need to take some desperate action. The next meeting of Monday Morning Mayhem is scheduled for Monday, August 15th at 10 a.m.

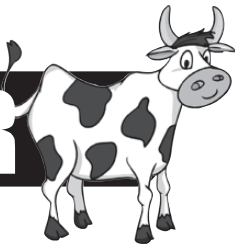

In other book club news, don’t forget about our All Booked Up! meeting next Monday, July 25th at 6:30 p.m. where we’ll be discussing the moving memoir When Breath Becomes Air by Paul Kalanithi. Copies are still available for those interested in joining the discussion.

POLICE

Green County Sheriff's Department
July 11-17, 2022

At approximately 5:11 p.m., Saturday, deputies responded to the N4600 block of CTH E, Town of Decatur, for a report of a disorderly individual. Investigations resulted in Maggie M. Salzwedel, 36, of Brodhead, being arrested for disorderly conduct. Salzwedel was transported to the Green County Jail where she was later released to a responsible party.

On Sunday, at about 1:15 p.m., Sunday, Green County Sheriff's Deputies responded to a check welfare request in the W4400 block of Fairfield Road in the Town of Jefferson. Upon arriving at the small farm deputies located a 78-year old female who had been struck by a John Deere utility vehicle. The female was later pronounced deceased at the scene. Initial investigation revealed the female was operating the vehicle and was struck after she parked and exited the vehicle.

from Bank of Brodhead

Bank of Brodhead is proud of the youth who participate in the surrounding area 4-H programs. These programs offer meaningful opportunities for our youth to work together to create sustainable community change. 4-H empowers young people to be true leaders. True leaders are young people who have confidence; know how to work well with others; can endure challenges; and will stick with a job until it gets done. Each year at fair time, the Bank of Brodhead gives financial gifts to help with costs associated with the Green and Rock County Fairs.

Summer Library Program

costume party

The Summer Library Program's costume party will be Tuesday, July 26th at 1 p.m. at the Brodhead High School. Pirates, mermaids, and sea creatures are all welcome for this free library program. The special guest will be Wisconsin folksinger, sailor, and songsmith David HB Drake. He will appear as GRAY-

BEARD, THE ANCIENT MARINER and present the life and times and music of a 19th Century pirate in "A Sailor's Songbag". Based on pirate folklore and fact, Drake looks behind the myth to the realities, hardships, and lives of 19th Century sailors, including songs and yarns used in the days of the sail. David also

demonstrates marlinspike (knot-tying) and navigation skills and shanties (work-songs) every sailor knew in that era. David performs on guitar and historic hand-made folk instruments including concertina, banjo, Native American flute, and dulcimer.

DAVID HB DRAKE is a genuine old sailor, skipper of his own sailboat, and an onboard musician for Wisconsin's flagship, the three masted schooner "Denis Sullivan". He has served as Shantyman, interpreter, and performer aboard tall ships on the Atlantic, Pacific, and Great Lakes including the HMS Bounty, (from the movie "Mutiny on the Bounty"), the environmental sloop "Clearwater", the showboat "Rhododendron" on the Mississippi, schooners "Nor'wester" and "Inland Seas" and the "Maryland Dove". David writes the "Scuttlebutt" segment for the Maritime Music Directory International (<https://seashanties4all.com>) and wrote "Graybeard's Advice for Lubbers" for Pirates Magazine.

DAVID HB DRAKE has appeared on Wisconsin and National Public

Radio, public television, and in concert at festivals and stages throughout the Midwest. He has nine albums to his credit including his new CD "A SCHOONER SONGBAG" featuring songs of the Denis Sullivan and "FISHERMAN'S BEACH", original songs from fresh waters. His "WISCON-SING" and "HEARTLAND" programs paint a portrait of Wisconsin and Illinois.
