Bank of Brodhead announces remodel of Orfordville office

Michael J. Olson, President and CEO of Bank of Brodhead, is pleased to announce that a comprehensive remodel of the bank's Orfordville office will begin this fall.

Bank of Brodhead acquired Farmers and Merchant's Bank in 2018. The Farmers and Merchant's Bank was established in 1901, and the location has since thrived. Bank of Brodhead is always looking at the latest in banking innovations, and it believes the office continues to play a key role in ensuring the best customer service. While many banks are still consolidating branches, leaning heavily toward only electronic channels, Bank of Brodhead views offices as service, advisory, and information centers for its customers.

Construction began Tuesday, September 5, and the project is expected to take up to four months for completion. The Orfordville building's footprint will remain the same, but the interior will feature a complete remodel with a new floor plan.

During construction, the Orfordville office will be closed. All the Orfordville employees will be temporarily relocated to the Brodhead office, 806 E. Exchange Street, Brodhead, during the construction. Craig O'Leary, Executive Vice President and loan officer, Michelle Ponkauskas, Shirley Erickson, Sherry Thostenson, and Amber Simonson will have their same contact information, phone number, and email. Please do not hesitate to come in or contact them.

As a reminder, bank hours (lobby and drive-up) are as follows:

Monday-Friday: 8 a.m.-5 p.m.

Saturday (Drive-up only): 8 a.m.-12 p.m.

Sunday: closed

An open house will be scheduled for the remodeled office once the project is complete.

It's a fresh new morning on September 1st, 2023 and a fresh new start to the school year at Brodhead's Albrecht Elementary School. (Free Press photo by Teresa Earleywine)

Carol Sue Fayas

Carol Sue Fayas, 70, of Kingsford, Michigan, was received in heaven on Monday, August 28, 2023, while rehabbing at Freeman Nursing and Rehab, Kingsford, Michigan.

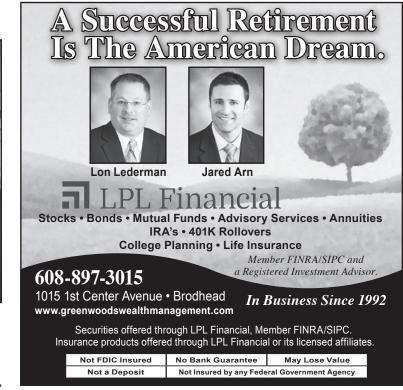

Carol was born on October 30, 1952, in Monroe, Wisconsin, to the late Oliver and Wanda (Robichaux) Earleywine. She grew up in Brodhead, where she worked hard on the family farm with her two sisters and brother and graduated from Brodhead High School, class of 1970. After graduation, she attended University of Wisconsin-Madison, where she obtained her bachelor's degree in Sociology, Correctional Administration, and Social Work.

She moved to Upper Michigan as a new bride and raised her three children in Sagola and Kingsford, Michigan. As a stay-at-home mother and homemaker while her children were young, she was committed to helping others; she and then-husband Dale Fayas opened their home and family to foster children for a number of years. Carol volunteered in her community helping to fundraise and establish a neighborhood playground prior to starting part-time work outside of the home as a successful Tupperware lady and rural route carrier for The Daily News.

In 1986 she accepted employment as a 911 dispatcher with the Dickinson County Sheriff's Office. Carol later transitioned into the jail as a Corrections Officer prior to becoming the first female Sergeant. With more than 20 years of service she retired in 2007 remembered to clients and colleagues for her integrity, honor, and quality of leader-

Immediately following retirement, she transitioned to her most fulfilling and cherished role: fulltime Grandma, showering grandsons: four-year-old Jordan, and newborn McCaleb with unconditional love. With the faith of a believer, the heart of a servant, the spirit of a mother, and the love of a grandma, she nurtured and supported her family fervently, serving as its strength and bedrock.

Carol celebrated her lifelong relationship with her Lord and Savior as a dedicated member of Maranatha

Assembly of God Church in Kingsford where she served at various times as a youth group leader, inhome Bible study hostess, Sunday school teacher, and administrative volunteer. In the last decade of her life, Carol extended her service to others, volunteering with Maranatha Messengers food and clothing distribution center.

Carol is survived by her daughters: Stacy (Ted) Hommerding, and Dianah Fayas; son, Jason (Leah Peterson) Fayas; grandchildren: Jordan and McCaleb; sisters: Linda Grenawalt, and Karen (Jeff) Recob; brother, Dale (Teresa) Earleywine; and several nieces, nephews, and extended family.

She is remembered for her faith and kindness, her commitment to family, her quality of character and her unceasing strength.

A Celebration of Carol's Life was held at 11:30 a.m., on Saturday, September 2, at Maranatha Assembly of God Church, Kingsford, Mich., with Reverend David Wilton officiating. Visitation was from 9 until 11:30 a.m., on Saturday, at the Church.

In lieu of flowers, the family requests attendees bring photo(s) of Carol to share on bulletin boards displayed at the Celebration.

Friends may leave condolences for Carol's family online at www.jacobsfuneralhome.com.

The family had chosen Jacobs Funeral Homes and Cremation Services, Iron Mountain, Michigan, to honor Carol's legacy of life.

ACTIVITIES AROUND TOWN

KID CONNECTION TEXTILE RECYCLING DRIVE

When: Saturday, September 16th from 9-11 a.m.

Where: OFFICIAL LOCATION—three car garage located between Albrecht Elementary School and Brodhead Middle School on the corner of 21st Street and W. 7th Avenue.

What is a Textile Drive? It is a fund-raiser where Kid Connection gets paid by the pound for recycling old/used fabric items. First, anything usable is distributed to communities in need. Second, donated items not suitable for wear are recycled into wiping rags. Lastly, items not suitable for wiping purposes are processed back into fibers that are remanufactured into paper, yarn, insulation, carpet padding, etc.

Help them by bagging up your dry, clean/odor free old clothing, undergarments, bed sheets, curtains, and paired shoes. All items must be put in plastic bags that can be tied shut. Small garbage or shopping bags work best. Fabric scraps, pillows, comforters and rugs are NOT accepted. Please refer to the Kid Connection/Albrecht Elementary PTO Facebook page for a complete list of acceptable and unacceptable items. For questions call or text Lori Riese at 608-931-6901.

All monies raised will be used to help enhance the educational experience at Albrecht Elementary School. Thanks in advance for helping to make a difference in more ways than one!

Interesting fact, did you know that in the U.S. 81 lbs of clothing per person are thrown away annually? Textiles currently make up 6.3% of the waste stream. Donate to improve our environment and elementary school.

Brodhead-Juda's combination of 144 passing yards, 254 yards on the ground along with six touchdowns set them up for a 41-7 victory against Richland Center. Gunner Boegli had two catches totaling 67 yards and two touchdowns, from Gabe Bockhop, Cardinal QB, all in the first quarter to set the tone of the game. The second score came after Bockhop was sacked for a loss by Thomas Honer and Brodhead's Marcus McIntyre was called upon for three carries to advance the ball and setup the Bockhop-to-Boegli pass play. The Hornets got their only score of the night in the second quarter when Wes Bosworth made a two-yard dash across the goal line for a 14-7 score on the board. Brodhead would finish the second quarter with two additional TDs. McIntyre from Bockhop for 30-yard pass and Dave Masloske hauling in the two-point conversion pass and Bockhop darting 79 yards to the endzone to close the half with the Cardinals leading, 27-7. In the third quarter, Cardinal running back, Dane Huffman would push his way in from the oneyard line for a TD. Isaac Saunders, who was the leader in 61-yards rushing, would get the final score of the night from 24 yards out to seal the 41-7 win over the Hornets.

Defensively, Masloske, McIntyre and Boegli each recorded an interception, Owen Hillstrom recovered a fumble, Brody Riese, Jameson Wallin, and Chase Wilhite had tackles resulting in loss of yards for Richland Center.

This week the team will travel to Platteville to take on the Hillmen who will be trying for their first win of the season while the Cardinals look to continue their winning season.

Building New Solutions to Community Housing and **Workforce Challenges**

Cooperation is the key for the Home Construction Cooperative, a program of Green County Development Corporation (GCDC), that addresses housing and workforce issues in our community.

Limited housing options and the lack of skilled trades workers in the area led to the creation of this program. Both SSM Health and Monroe High School became fast partners with GCDC in the program, the goal of which is to teach skills needed in our county and in turn provide a renovated home in a tight

Safe, affordable housing is imperative to the health of an individual and for a thriving community, making SSM Health a key player in this project. SSM Health has historically owned homes within Green County to assist new hires and providers with housing until long-term housing is found. As a community partner and supporter of these efforts, SSM Health will be donating one of the homes to the Home Construction Cooperative Program.

"SSM Health is excited to donate this home for the Home Construction Cooperative Project in Monroe," said Jane Curran-Meuli, President of SSM Health Monroe Hospital and SSM Health Monroe Clinic Medical Group. "This project's creative approach will address local housing challenges and ultimately help this area to attract and retain prospective employees for local businesses."

Monroe High School in turn created a new Launch Skilled Building Trades strand with education planning assistance from Blackhawk Technical College. Over the 2023-2024 school year, students will learn essential safety, building and math skills for use in renovating the home. A skilled project manager will work with these students to ensure safety and quality work throughout the project.

"We thank GCDC and SSM Health for their visionary leadership. The Home Construction Cooperative will empower our LAUNCH Skilled Building Trades students to

develop a wide range of essential skills while making a significant impact on a larger scale. This collaboration provides a unique opportunity for our students to learn, grow, and contribute to something greater than themselves," said MHS Principal Jeriamy Jackson.

By the end of the 2023-2024 school year, the renovated home will be sold by GCDC who will use the proceeds from the sale to reinvest and continue the program the following school year. The intent is to continue the annual cycle and to grow the program throughout the

"This is a true community effort," stated GCDC Executive Director Olivia Otte. "Beyond the incredible donation of a home by SSM Health, many local partners have come forth offering funds to support the Home Construction Cooperative. Others have offered skills, materials, and support in ways we didn't even consider. We are thrilled to make this program a reality, and to invest in the future of the trades by developing the next generation of industry professionals while also tackling the housing shortage in our county."

GCDC continues to actively seek support to grow this program and secure future projects. Cash donations are welcome, as are other contributions to support the goals of the program. Please contact GCDC at 608-328-9452 or email gcdc@ greencountydevelopment.com.
